S., 2015-07-08 Excerpt from *The Sentimental Calendar Being Twelve Funny Stories*. It was the Major that gave them the name and the stories are serious that is I mean them seriously nor are they the less serious for being short or at least it seems to me they are not. I think we are all too ready by three fifths to look upon short stories with a certain contempt as we do upon short men. Poe was the first man to see otherwise particularly with reference to poems but then Poe was a horrid man most unexemplary and sense while susceptible of gradual absorption is not exactly catching. It seems to me this is wrong. I think will the reader gently allow me to drop the it seems and I think and other cowardly pseudo politenesses and say what I have to say bluntly not forgetting nor shall I that it is all only what I think and what it seems to me nor calling me presumptuous for plumping out with what little the Lord has put in my head to say. For a man's lies come home to roost and his nonsense is pricked in the telling and there are prigs enough in the world already as my Dutch cousin will tell you.
