Modernist Women Writers and American Social Engagement Jody Cardinal, Deirdre E. Egan-Ryan, Julia Lisella, 2019-03-15
Modernist Women Writers and American Social Engagement explores the role of social and political engagement by women writers in the development of American modernism Examining a diverse array of genres by both canonical modernists and underrepresented writers this collection uncovers an obscured strain of modernist activism Each chapter provides a detailed cultural and literary analysis revealing the ways in which modernists politically and socially engaged interventions shaped their writing Considering issues such as working class women s advocacy educational reform political radicalism and the global implications for American literary production this book examines the complexity of the relationship between creating art and fostering social change Ultimately this collection redefines the parameters of modernism while also broadening the conception of social engagement to include both readily acknowledged social movements as well as less recognizable forms of advocacy for social change

Modernist Women Writers and War Julie Goodspeed-Chadwick, 2011-01-01
In Modernist Women Writers and War Julie Goodspeed Chadwick examines important avant garde writings by three American women authors and shows that during World Wars I and II a new kind of war literature emerged one in which feminist investigation of war and trauma effectively counters the paradigmatic war experience long narrated by men In the past Goodspeed Chadwick explains scholars have not considered writings by women as part of war literature They have limited war writing to works by men such as William Butler Yeats s poem An Irish Airman Foresees His Death 1919 which relies on a male perspective a pilot contemplates his forthcoming flight his duty to his country and his life in combat But works by Djuna Barnes H D and Gertrude Stein set in wartime reveal experiences and views of war markedly different from those of male writers They write women and their bodies into their texts thus creating space for female war writing insisting on female presence in wartime and perhaps most significantly critiquing war and patriarchal politics often in devastating fashion Goodspeed Chadwick begins with Barnes who in her surrealist novel Nightwood 1936 emphasizes the actual perversity of war by placing it in contrast to the purported perverse and deviant behavior of her main characters In her epic poem Trilogy 1944 1946 H D validates female suffering and projects a feminist spiritual worldview that fosters healing from the ravages of war Stein for her part in her experimental novel Mrs Reynolds 1952 and her long love poem Lifting Belly 1953 captures her experience of the everyday reality of war on the home front within the domestic economy of her household In these works the female body stands as the primary textual marker or symbol of female identity an insistence on women s presence in both the text and in the world outside the book The strategies employed by Barnes H D and Stein in these texts serve to produce a new kind of writing Goodspeed Chadwick reveals one that ineluctably constructs a female identity within and authorship of the war narrative

at the heart of the modern By promoting an antisentimental education modernism denied the authority of emotion to guarantee moral and literary value Instead it fostered sophisticated detached and apparently cruel attitudes toward pain and suffering This sensibility challenged the novel's humanistic tradition set ethics and aesthetics into conflict and fundamentally altered the ways that we know and feel Through lively and original readings of works by Evelyn Waugh Stella Gibbons Nathanael West Djuna Barnes Samuel Beckett and others this book analyzes a body of literature late modernist satire that can appear by turns aloof sadistic hilarious ironic and poignant but which continually questions inherited modes of feeling By recognizing the centrality of satire to modernist aesthetics Greenberg offers not only a new chapter in the history of satire but a persuasive new idea of what made modernism modern

Front-Page Girls Jean Marie Lutes, 2018-09-05 The first study of the role of the newspaperwoman in American literary culture at the turn of the twentieth century this book recaptures the imaginative exchange between real life reporters like Nellie Bly and Ida B Wells and fictional characters like Henrietta Stackpole the lady correspondent in Henry James's *Portrait of a Lady* It chronicles the exploits of a neglected group of American women writers and uncovers an alternative reporter novelist tradition that runs counter to the more familiar story of gritty realism generated in male dominated newsrooms Taking up actual newspaper accounts written by women fictional portrayals of female journalists and the work of reporters turned novelists such as Willa Cather and Djuna Barnes Jean Marie Lutes finds in women's journalism a rich and complex source for modern American fiction Female journalists cast as both standard bearers and scapegoats of an emergent mass culture created fictions of themselves that far outlasted the fleeting news value of the stories they covered *Front Page Girls* revives the spectacular stories of now forgotten newspaperwomen who were not afraid of becoming the news themselves the defiant few who wrote for the city desks of mainstream newspapers and resisted the growing demand to fill women's columns with fashion news and household hints It also examines for the first time how women's journalism shaped the path from news to novels for women writers

Amy Lowell, Diva Poet Melissa Bradshaw, 2016-12-05 In her reassessment of Amy Lowell as a major figure in the modern American poetry movement Melissa Bradshaw uses theories of the diva and female celebrity to account for Lowell's extraordinary literary influence in the early twentieth century and her equally extraordinary disappearance from American letters after her death Recognizing Amy Lowell as a literary diva Bradshaw shows accounts for her commitment to her art her extravagant self promotion and self presentation and her fame which was of a kind no longer associated with poets It also explains the devaluation of Lowell's poetry and criticism since a woman's diva status is always short lived and the accomplishments of celebrity women are typically dismissed and trivialized In restoring Lowell to her place within the American poetic renaissance of the nineteen teens and twenties Bradshaw also recovers a vibrant moment in popular culture when poetry enjoyed mainstream popularity audiences packed poetry readings and readers avidly followed the honors exploits and feuds of their favorite poets in the literary columns of daily newspapers Drawing on a rich array of letters

memoirs newspapers and periodicals but eschewing the biographical interpretations of her poetry that have often characterized criticism on Lowell Bradshaw gives us an Amy Lowell who could not be further removed from the lonely victim of ill health and obesity who appears in earlier book length studies Amy Lowell as diva poet takes her rightful place as a powerful writer of modernist verse who achieved her personal and professional goals without capitulating to heteronormative ideals of how a woman should act think or appear

False Starts David M. Ball, 2014-11-30 From Herman Melville's claim that failure is the true test of greatness to Henry Adams's self identification with the mortifying failure in his long education and William Faulkner's eagerness to be judged by his splendid failure to do the impossible the rhetoric of failure has served as a master trope of modernist American literary expression David Ball's magisterial study addresses the fundamental questions of language meaning and authority that run counter to well rehearsed claims of American innocence and positivity beginning with the American Renaissance and extending into modernist and contemporary literature The rhetoric of failure was used at various times to engage artistic ambition the arrival of advanced capitalism and a rapidly changing culture not to mention sheer exhaustion *False Starts* locates a lively narrative running through American literature that consequently queries assumptions about the development of modernism in the United States

Women, Modernism and British Poetry, 1910-1939 Jane Dowson, 2017-03-02 Primarily a literary history *Women Modernism and British Poetry 1910 1939* provides a timely discussion of individual women poets who have become or are becoming well known as their works are reprinted but about whom little has yet been written This volume recognizes the contributions overlooked previously of such British poets as Anna Wickham Nancy Cunard Edith Sitwell Mina Loy Charlotte Mew May Sinclair Vita Sackville West and Sylvia Townsend Warner and the impact of such American poets as H D Amy Lowell Edna St Vincent Millay Marianne Moore and Laura Riding on literary practice in Britain This book primarily maps the poetry scene in Britain but identifies the significance of the network of writers between London New York and Paris It assesses women's participation in the diversity of modernist developments which include avant garde experiments quiet but subtly challenging formalism and assertive new woman voices It not only chronicles women's poetry but also their publications and involvement in running presses bookshops and writing criticism Although historically situated it is written from the perspective of contemporary debates concerning the interface of gender and modernism The author argues that a cohering aesthetic of the poetry is a denial of femininity through various evasions of gendered identity such as masking male and female impersonations and the rupturing of realist modes

Feminism Beyond Modernism Elizabeth A. Flynn, 2002

The Lure of the Modern Shu-mei Shih, 2001-04-20 Shu mei Shih's study is the first book in English to offer a comprehensive account of Chinese literary modernism from Republican China In *The Lure of the Modern* Shih argues for the contextualization of Chinese modernism in the semicolonial cultural and political formation of the time Engaging critically with theories of modernism postcoloniality and global and local cultural studies Shih analyzes pivotal issues such as psychoanalysis decadence Orientalism

Occidentalism semicolonial subjectivity cosmopolitanism and urbanism that were mediated by Japanese as well as Western modernisms In Search of Russian Modernism Leonid Livak, 2018-11-30 A critical reexamination of Russian modernist cultural historiography Winner of the Aldo and Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures by the Modern Language Association The writing and teaching of Russian literary and cultural history have changed little since the 1980s In Search of Russian Modernism challenges the basic premises of Russian modernist studies removing the aura of certainty surrounding the analytical tools at our disposal and suggesting audacious alternatives to the conventional ways of thinking and speaking about Russian and transnational modernism Drawing on methodological breakthroughs in Anglo American new modernist studies Leonid Livak explores Russian and transnational modernism as a story of a self identified and self conscious interpretive community that bestows a range of meanings on human experience Livak s approach opens modernist studies to integrative and interdisciplinary analysis including the extension of scholarly inquiry beyond traditional artistic media in order to account for modernism s socioeconomic and institutional history Writing with a student audience in mind Livak presents Russian modernism as a minority culture coexisting with other cultural formations while addressing thorny issues that regularly come up when discussing modernist artifacts Aiming to open an overdue debate about the academic fields of Russian and transnational modernist studies this book is also intended for an audience of scholars in comparative literary and cultural studies specialists in Russian and transnational modernism and researchers engaged with European cultural historiography *Unmanning Modernism* Elizabeth Jane Harrison, Shirley Peterson, 1997 Arguing for a radical re evaluation of the modernist aesthetic the essayists consider how women writers created their own version of modernism through the use of sentimental and domestic subject matter by writing about maternal concerns and through experiments with plot voice and points of view
