Re-Reading the Eighteenth-Century Novel Jakub Lipski, 2021-08-12 Re Reading the Eighteenth Century Novel adds to the dynamically developing subfield of reception studies within eighteenth century studies Lipski shows how secondary visual and literary texts live their own lives in new contexts while being also attentive to the possible ways in which these new lives may tell us more about the source texts To this end the book offers five case studies of how canonical novels of the eighteenth century by Daniel Defoe Henry Fielding and Laurence Sterne came to be interpreted by readers from different historical moments Lipski prioritises responses that may seem non standard or even disconnected from the original appreciating difference as a gateway to unobvious territories as well as expressing doubts regarding readings that verge on misinterpretative appropriation The material encompasses textual and visual testimonies of reading including book illustration prints and drawings personal documents reviews literary texts and literary criticism The case studies are arranged into three sections visual transvaluations reception in Poland and critical afterlives and are concluded by a discussion of the most recent socio political uses and revisions of eighteenth century fiction in the Age of Trump 2016 2020

Laurence Sterne's A Sentimental Journey W. B. Gerard, M-C. Newbould, 2021-03-12 Laurence Sterne's *A Sentimental Journey* through France and Italy continues to be as widely read and admired as upon its first appearance Deemed more accessible than Sterne's *Life and Opinions of Tristram Shandy Gentleman* and often assigned as a college text *A Sentimental Journey* has received its share of critical attention but unlike *Tristram Shandy* to date it has not been the subject of a dedicated anthology of critical essays This volume fills that gap with fresh perspectives on Sterne's novel that will appeal to students and critics alike Together with an introduction that situates each essay within *A Sentimental Journey's* reception history and a tailpiece detailing the culmination of Sterne's career and his death this volume presents a cohesive approach to this significant text that is simultaneously grounded and revelatory

Women's Travel Writings in India 1777-1854 Carl Thompson, 2020-02-27 The memsahibs of the British Raj in India are well known figures today frequently depicted in fiction TV and film In recent years they have also become the focus of extensive scholarship Less familiar to both academics and the general public however are the eighteenth and early nineteenth century precursors to the memsahibs of the Victorian and Edwardian era Yet British women also visited and resided in India in this earlier period witnessing first hand the tumultuous expansionist decades in which the East India Company established British control over the subcontinent Some of these travellers produced highly regarded accounts of their experiences thereby inaugurating a rich tradition of women's travel writing about India In the process they not only reported events and developments in the subcontinent they also contributed to them helping to shape opinion and policy on issues such as colonial rule religion and social reform This new set in the Chawton House Library Women's Travel Writing series assembles seven of these accounts six by British authors Jemima Kindersley Maria Graham Eliza Fay Ann Deane Julia Maitland and Mary Sherwood and one by an American Harriet Newell Their narratives here reproduced for the first time in reset scholarly editions were published between 1777 and 1854 and recount journeys undertaken in India or periods of residence there between the 1760s and the 1830s Collectively they showcase the range of women's interests and activities in India and also the variety of narrative forms voices and personae available to them as travel writers Some stand squarely in the tradition of Enlightenment ethnography others show the growing influence of Evangelical beliefs But all disrupt any lingering stereotypes about women's passivity reticence and lack of public agency in this period when colonial women were not yet as sequestered and debarred from cross cultural contact as they would later be during the Raj Their narratives are consequently a useful resource to students and researchers across multiple fields and disciplines including women's writing travel writing colonial and postcolonial studies the history of women's educational and missionary work and Romantic era and nineteenth century literature This volume includes 2 texts Jemima Kindersley Letters from the Island of Teneriffe Brazil the Cape of Good Hope and the East Indies 1777 and Maria Graham Journal of a Residence in India 1812

Coleman, 1997 The essays in this collection offer readers vivid and varied evidence of the female response to recurring attempts by culture to artificially limit identity along the gendered lines of private and public experience Calling on voices both familiar and little known British and American black and white young and old poor and rich heterosexual and lesbian the essayists explore how women within unique personal and historical conditions used life writing as a means of both self understanding and connection to a community of sympathetic others real or imagined The life writings within this anthology span the modern history of the genre itself with

writers drawn from as early as the seventeenth century and as late as the 1990s A Culture of Mimicry Warren L. Oakley, 2010 After his death in 1768 the famous novelist Laurence Sterne did not rest undisturbed in his grave While rumours of the theft and dissection of Sterne's corpse circulated in the anatomy schools numerous writers took possession of his literary body of work New forms of Sternean entertainment were produced by literary mimics who impersonated the author through the medium of print impersonations which included startling and unique interpretations of Sterne's character and fiction Warren Oakley introduces two new critical concepts to eighteenth century literary study bodysnatching and mimicry to understand these texts that have been neglected and overlooked in Sterne studies This lucid account reveals the personal stories of such literary mimics the creative techniques they employed and the consequences of their actions upon the posthumous perception of Sterne the man and his cadaverous goods MERGED ARRAY 6TH EDITION BOOK-O-PEDIA PUBLICATION, Robert A.
