Sentinel Under Siege The Triumphs And Troubles Of Americas Free Press:

Sentinel Under Siege Stanley E Flink, 2018-05-15 If the unexamined life is not worth living surely the unexamined media is not worth heeding Sentinel Under Siege traces the evolution of the media in the United States and its capacity to examine and regulate itself from its earliest colonial roots to the modern explosion of digital technology Once the Bill of Rights was enacted in 1791 the press became the first and only enterprise explicitly protected by the United States Constitution This book is concerned with the legal content given to freedom of the press by the Supreme Court and the fitful attempts of media criticism both intramural and external to build a greater sense of responsibility among the practitioners Stanley Flink former correspondent of Life Magazine and writer producer at NBC and CBS is concerned less with the people s right to know than with the people s need to know Only a competent responsible press whatever its means of distribution can perform the role of watchdog over official abuse of power business corruption and political distortions But the acquisition of so many newspapers magazines and broadcasting facilities by corporate conglomerates threatens a new kind of prior restraint on an independent press the conflicts of interest the power of advertising the unspoken self censorship of reporters and editors print or electronic based on the perceived predilections of their employers and the financial interests of related companies Flink believes that responsible journalism can also be economically viable in the twenty first century because the mass communication of reliable news reporting and media accountability will be vital to the democratic process Unless the news media persistently seeks the high moral ground of public service the first casualty will be an informed electorate The second may well be constitutional protection **Free Expression in the Age of the Internet** Jeremy Lipschultz, 2018-03-08 In Free Expression in the Age of the Internet Jeremy Lipschultz investigates the Internet and its potential for profound change analyzing the use of its technology from social political and economic perspectives Lipschultz provides new insights on traditional legal concepts such as marketplace of ideas social responsibility and public interest arguing that from a communication theory perspective free expression is constrained by social norms and conformity In Free Expression in the Age of the Internet Jeremy Lipschultz investigates the Internet and its potential for profound change analyzing the use of its technology from social political and economic perspectives Lipschultz provides new insights on traditional legal concepts such as marketplace of ideas social responsibility and public interest arguing that from a communication theory perspective free expression is constrained by social norms and conformity Lipschultz explores social limits on free expression by first examining history of print and electronic media law and regulation He utilizes the gatekeeping metaphor the spiral of silence and diffusion theory to explore current data on the Internet He uses Reno v ACLU 1997 as a case study of current First Amendment thinking This book includes recent evidence including samples of content from Internet gossip columnist Matt Drudge and the investigation of President Clinton as it unfolded on the World Wide Web The analysis is related to broader issues about Internet content including commercial and other communication The new

technologies raise new questions about legal and social definitions of concepts such as privacy Free expression is explored in this book under the umbrella of a global commercial economy that places importance on legal rights such as copyright even where those rights limit free flow of ideas The Internet places free expression on two tracks On the one hand corporate players are developing cyberspace as a new mass media On the other hand the Internet is virtual space where individuals have the power to connect and communicate with others in ways never before seen This groundbreaking text advancing new media scholarship uses the most current case studies from the Internet to show free expression in practice today Lipshultz presents a relevant and efficacious social communication theory of free expression which critically examines the necessary factors involved in comprehensive policy analysis and enactment SENTINEL UNDER SIEGE STANLEY E. FLINK.2019-06-14 Secrets and Leaks Rahul Sagar, 2016-05-10 Secrets and Leaks examines the complex relationships among executive power national security and secrecy State secrecy is vital for national security but it can also be used to conceal wrongdoing How then can we ensure that this power is used responsibly Typically the onus is put on lawmakers and judges who are expected to oversee the executive Yet because these actors lack access to the relevant information and the ability to determine the harm likely to be caused by its disclosure they often defer to the executive s claims about the need for secrecy As a result potential abuses are more often exposed by unauthorized disclosures published in the press But should such disclosures which violate the law be condoned Drawing on several cases Rahul Sagar argues that though whistleblowing can be morally justified the fear of retaliation usually prompts officials to act anonymously that is to leak information As a result it becomes difficult for the public to discern when an unauthorized disclosure is intended to further partisan interests Because such disclosures are the only credible means of checking the executive Sagar writes they must be tolerated and at times even celebrated However the public should treat such disclosures skeptically and subject irresponsible journalism to concerted criticism Who Guards the Guardians - Secrecy in Government Rahul Sagar, 2013-10-13 Secrets and Leaks examines the complex relationships among executive power national security and secrecy State secrecy is vital for national security but it can also be used to conceal wrongdoing How then can we ensure that this power is used responsibly Typically the onus is put on lawmakers and judges who are expected to oversee the executive Yet because these actors lack access to the relevant information and the ability to determine the harm likely to be caused by its disclosure they often defer to the executive s claims about the need for secrecy As a result potential abuses are more often exposed by unauthorized disclosures published in the press But should such disclosures which violate the law be condoned Drawing on several cases Rahul Sagar argues that though whistleblowing can be morally justified the fear of retaliation usually prompts officials to act anonymously that is to leak information As a result it becomes difficult for the public to discern when an unauthorized disclosure is intended to further partisan interests Because such disclosures are the only credible means of checking the executive Sagar writes they must be tolerated However the public should treat such disclosures skeptically and subject

irresponsible journalism to concerted criticism

Twilight of Press Freedom John C. Merrill, Peter J. Gade, Frederick R. Blevens, 2001-04-01 This volume offers a historical philosophical and practical critique of public and civic journalism a movement that gained momentum in the final decade of the 20th century During that period proponents of the movement have published nearly a dozen books expanding upon and expounding the virtues of journalism seeking to repair what is thought to be the torn social political and moral fabric in America Although previous works have established a strong practical underpinning for public and civic journalism none has examined its philosophical roots or challenged its methodology and grounding in neoliberal constructs This volume does just that tracing its origins in early philosophy to the current newsroom policies and practices that conflict with traditional constructs in libertarian press theory Twilight of Press Freedom postulates that institutionalized journalism is fading away and world journalism prompted by the people is veering toward more order and social harmony and away from the traditional idea of the great value of press freedom The volume provides a critical examination of the trend toward public journalism and considers how press freedom will be impacted by this trend in coming years Scholars and students in journalism public opinion and media studies will find this book insightful and invaluable

Scandalmonger William Safire, 2001 A historical novel based on five scandals in 1790 s America

Critical Perspectives on Journalistic Beliefs and Actions Eric Freedman, Robyn S. Goodman, Elanie Steyn, 2018-05-11 This book provides case studies many incorporating in depth interviews and surveys of journalists It examines issues such as journalists attitudes toward their contributions to society the impact of industry and technological changes culture and minority issues in the newsroom and profession the impact of censorship and self censorship and coping with psychological pressures and physical safety dilemmas Its chapters also highlight journalists challenges in national and multinational contexts International scholars conducting research within a wide range of authoritarian semi democratic and democratic systems contributed to this examination of journalistic practices in the Arab World Australia Bangladesh Bulgaria China Denmark India Kenya Kyrgyzstan Malaysia Mexico Russia Samoa South Africa Taiwan Turkey and the United States

Constitutional Law for a Changing America Lee Epstein, Thomas G. Walker, 2004 This constitutional law casebook sets its reprints of judicial opinions within the overall political contexts of disputes over separation of powers In addition to traditional presentation of ruling excerpts Epstein political science and law Washington U and Walker political science Emory U American Journalism Review, 1997 Media, Politics, and Government Hoyt H. Purvis, 2001 Never HIGHLIGHT a Book Again Includes all testable terms concepts persons places and events Cram101 Just the FACTS101 studyguides gives all of the outlines highlights and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanies 9780155036437 This item is printed on demand The Politics of News Doris Appel Graber, Denis McQuail, Pippa Norris, 1998 Citizens rely upon mass media as their principal sources of information on government and politics but who decides what is reported and how The selection of stories to be covered on the nightly news

or in the morning newspaper along with the content and framing of those stories are subject to daily struggles between journalists politicians and others who seek to influence public opinion and public policy Written by a distinguished group of authors that includes Walter Cronkite Kathleen Hall Jamieson and Kathleen Frankovic this book explores who should and who does influence press coverage of politics in democratic countries It considers how the media operate as an intermediary for communications between governments and citizens between various political actors and even among citizens The new is indispensable for students of politics and government and for every reader interested in learning more about how news is made where the problems and tensions lie and how they can be corrected Press and Politics in Africa Ritchard M'Bayo, Chuka Onwumechili, R. Nwafo Nwanko, 2000 This work deals with the relations between public communications and politics in the context of the nation state system in Africa It interweaves theory and practice and begins with an overview that presents a general theoretical model of communication and influence processes in politics What the People Know Richard Reeves, 1998 The power of the press reached new heights after spectacular reporting triumphs in the segregated South in Vietnam and during the Watergate years Then Reeves shows why journalism crashed toward new lows in public esteem and public purpose Cumulative Book Index ,1998 A world list of books in the English language History and Life, 1999 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide American Book Publishing Record, 1997 Lingua Current Publications in Legal and Related Fields ,1999 Constitutional Law For A Changing Franca ,1996 America: Rights, Liberties, and Justice, 6th Edition Lee Epstein, 2007

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Sentinel Under Siege The Triumphs And Troubles**Of Americas Free Press

In a global inundated with displays and the cacophony of quick interaction, the profound power and emotional resonance of verbal art often disappear in to obscurity, eclipsed by the constant onslaught of sound and distractions. However, nestled within the lyrical pages of **Sentinel Under Siege The Triumphs And Troubles Of Americas Free Press**, a interesting perform of fictional brilliance that pulses with raw feelings, lies an unique journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, that interesting opus books viewers on a psychological odyssey, softly revealing the latent potential and profound affect stuck within the complicated internet of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is key themes, dissect its captivating writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
