**Most Important US Historical Documents before 1965... And More** Igor Boyko, 2022-07-27 This collection of documents is intended to help those who need to quickly find some important text from the history of the United States From breathtaking The Declaration of Independence to the wonderful I Have a Dream speech of Dr Martin Luther King The results of numerous surveys of U.S. citizens were taken into account in creating it Especially since it is not easy to find them in a readable form today So save yourself some time which as we know is the universally recognized equivalent of money We have already spent it for you in the creation of this book Take care friends Document Boston (Mass.), 1919 After the Election Ron Scott Sanders, 2018-04-05 The role of Evangelical Christianity in American public life is controversial The mythology of America as a Christian nation and the promissory note of secularism have proved inadequate to cope with the increasing pluralism the resilience of spirituality and the wariness toward formal religion that mark our post secular age Christianity and democracy have a complex history together but is there a future where these two great traditions draw the best out of one another What does that future look like in a heterogeneous society Sanders argues that democracy is stronger when it allows all of its religious citizens to participate fully in the public sphere and Christianity is richer when it demonstrates the wisdom of God from the ground up rather than legislating it from the top down In this reality the

Evangelical church must return to Christianity's prophetic roots and see itself as a community in exile where participation in the political is important but not ultimate where the substantive work of the church happens after the election

**Bridges Documents of the Christian-Jewish Dialogue** Edited by Franklin Sherman, 2014-07-01 Continues with a comprehensive collection of statements on Christian Jewish relations by church bodies and interfaith organizations in the United States and around the world from the period 1986-2013 with introductory essays by three leading scholars in the field

**The Religious World of Antislavery Women** Anna M. Speicher, 2000-02-01 Nineteenth century women reformers such as the radical abolitionists have frequently been seen as having abandoned the constraints of religion in order to pursue their personal and political goals The subjects of this book Angelina Grimke Sarah Grimke Sallie Holley Abby Kelley and Lucretia Mott did indeed reject what they found to be the repressive features of the Christianity of their day Their religiosity however remained fundamental to their world view In this book Anna M Speicher explores the dimensions of this evolving faith which was critical in shaping their decisions and actions throughout their lives

H. John Lyke PH D, 2012-09-06 Psychologist H John Lyke and author of What Would Our Founding Fathers Say asks the question At the end of this century will the United States still be a world leader or will we continue to be an inferior caricature of what we once were or even worse will we have become another fallen empire Put another way will the dreams and promises of Americans for their country continue to become unattainable This book offers political straight talk about today's issues between the right and the left by looking through the eyes of the patriots who wrote the plans for our fledgling nation Are we following that plan What was between the lines that our representatives seem to have forgotten What was expected of the citizenry that the rest of us are neglecting to do Lyke provides a clear and impassioned plea to get back to basics And he shows us in this treatise of some substance why the Declaration of Independence Constitution and Bill of Rights were written and why those superb documents continue to stand the test of time Lyke believes he has provided the bipartisan political formula necessary for his children and grandchildren as well as his fellow Americans living in this country to be able to live their lives with dignity respect and a sense of purpose and pride of accomplishment in a way not possible in the world of politics today
