Wisdom for Separated Parents Judy Osborne, 2011-04-19 The stories within this book document how men and women both straight and gay have rearranged their lives to create harmonious kinship relationships and be successful parents after separation thereby proving that divorce does not have to mean unhappily ever after Anchored in the author's personal experience *Wisdom for Separated Parents Rearranging Around the Children to Keep Kinship Strong* traces the long arc of family change through the actual words of men and women who have struggled through separation and co parenting This book provides stories from separated parents that share what they've learned from co parenting and discovering new kinds of families revealing insights on the process of untangling rearranging and reinventing straight and gay families The extensive interviews in this book reach back as far as the 1950s and explain what it has meant to be separated for decades These candid stories provide revelations on how to deal with the loss gracefully and minimize ill will and recount the joys of having a bigger family and more kin connections This book speaks to two different audiences today's struggling parents who will find valuable wisdom as they make crucial decisions about separation and divorce and readers who have lived this history and will identify with the stories and gain insight and validation regarding their long ago choices

Lesbian Couples D. Merilee Clunis, G. Dorsey Green, 2004-12-21 Written by two experienced lesbian therapists *Lesbian Couples* covers a range of topics from marriage to money to conflict resolution and presents a variety of helpful examples and problem solving techniques drawing from research done on lesbian couples over the past decade

Strange Valentine Meredith, 2012-06-04 *Strange Valentine* screams out to you It is a walk through the unexpected wild corners of the world Fascinated you will read through these tales of woe and twisted love The cruelty the anguish of the human mind and body speak out In these shocking stories a body torn asunder by unrequited love brutal murders of roommates unrestrained lust lying bondage treachery of enactment bludgeoning murder premeditated prolonged pain

The Miss America Family Julianna Baggott, 2002-04-09 The *Miss America Family* In this stunning follow up to the acclaimed *Girl Talk* a fading beauty pageant veteran and her sixteen year old son team up as the delightfully nimble co chroniclers of one family's soulful mordantly funny remembrance of things past With her irreverent evocation of suburban dissolution Julianna Baggott gives us a fictional world whose emotional complexity and comedic dysfunction closely resemble our own It's 1987 in Greenville Delaware Ezra

Stocker is the son of an insomniac ex Miss New Jersey named Pixie and a gay absentee father the stepson of an ex quarterback dentist with a taste for turtle patterned golf pants and the grandson of a superstitious stroke addled woman with a passion for birds and some truly odd notions about fish and the family ancestry He has created for himself a specific goal this summer vacation to make a list of Rules to Live By his own set of guidelines to take him through life A boy whose chief distinguishing traits include webbed toes and a knack for standardized aptitude tests Ezra has no reason to expect that by the end of this particular summer due largely to a doomed romance with a wealthy podiatrist s daughter and a fateful episode with a gun every one of those rules will be tossed out the window It s 1987 in Greenville Delaware but Pixie Stocker is consumed by the past When she was Ezra s age she too sought the secret rules and how to s for negotiating life and attaining her dream of the all American family Pixie had found her answers in the comfortingly black and white strictures of Emily Post and later in the rigid absolutes of the beauty pageant circuit Such certainties have long since vanished replaced by the relentless haunting of her memory and the ceaseless reverberations of a long ago act of brutal violation When Ezra s grandmother disoriented from her stroke reveals to her daughter an explosive and longburied family secret she spurs Pixie toward a series of bizarre and dangerous choices in an endeavor to reclaim her tragic past and for better or worse start anew In the pages of *The Miss America Family* Julianna Baggott creates as unique a voice and as idiosyncratic a sensibility as any novelist has managed in years extending her range and craft with dazzling high wire mixtures of absurdity and pathos hilarity and darkness
