at home Cummings's vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged

The Role of Sisters in Women's Development Sue A. Kuba, 2011-04-01 Psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent child attachment relationships The importance of sisters has been even more marginalized Sue A Kuba explores this omission in The Role of Sisters in Women's Development seeking to broaden and enrich current understanding of the psychology of women This unique work is distinguished by Kuba's phenomenological method of research rooted in a single prompt Tell me about your relationship with your sister Rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan Integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients A valuable contribution to the field of mental health The Role of Sisters in Women's Development is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood

Women's Ways of Worship Teresa Berger, 1999 The richness of recent research on women's worship gives witness to the scholarly interest in its contemporary practice reflection and construction On the other hand feminist scholarship has had little impact on liturgical historiography In Women's Ways of Worship Teresa Berger reconstructs liturgical history from the perspectives of women She shows that the invisibility of women in the traditional liturgical narrative draws into question the credibility of that narrative especially at a time when research into women's history has unearthed much material relevant to women's liturgical lives Berger focuses on thirteen key interpretative principles that guide the reconstruction of women at worship from a re configuration of the canon of sources and a re Visioning of liturgical periodization to re interpretation of anthropological basics and of liturgical texts On the basis of these principles she analyzes liturgical dynamics in two time periods crucial to the history of women at worship the early centuries of the Christian Church and the twentieth century liturgical renewal Within the twentieth century liturgical renewal Berger focuses on two specific foci of renewal the classical liturgical movement of the first half of the century and as a case of history in the making the women's liturgical movement of the present day Women's Ways of Worship narrates both past and present liturgical developments from the perspectives of women's lives heeding such dynamics as the genderization of liturgical space women specific liturgical taboos gender specific devotional practices and the emergence of feminist liturgies An epilogue confronts the question of a future liturgy beyond gender Convinced that reconstructing the history of women at worship will offer a new Vision of the place of the women's liturgical movement within liturgical history as a whole Berger puts this movement on a continuum of women at

worship which is a continuum of struggle against the historic marginalization of women in most liturgical contexts As this struggle has come to the forefront today Women s Ways of Worship provides a context for change with women themselves being agents of both the questioning and the transformation Chapters are Reconstructing Women s Ways of Worship In Search of Methodological Principles Liturgical History Re Constructed I Early Christian Women at Worship Liturgical History Re Constructed II Women in the Twentieth Century Liturgical Movement and Liturgical History in the Making The Women s Liturgical Movement Teresa Berger is associate professor of Ecumenical Theology at the Divinity School of Duke University Durham North Carolina She is the author of numerous books and contributor to a variety of journals including Worship published by The Liturgical Press
