Sephardic And Mizrahi Jewry From The Golden Age Of Spain To The Modern Age:

Sephardic and Mizrahi Jewry Zion Zohar, 2005-06 Sephardic Jews have contributed some of the most important Jewish philosophers poets biblical commentators Talmudic and Halachic scholars and scientists and have had a significant impact on the development of Jewish mysticism Sephardic and Mizrahi Jewry brings together original work from the world's leading scholars to present a deep introductory overview of their history and culture over the past 1500 years *Sephardi Family Life in the Early Modern Diaspora* Julia Rebollo Lieberman, 2010-12-14 Groundbreaking essays on Sephardic Jewish families in the Ottoman Empire and Western Sephardic communities **The Bloomsbury Companion to Jewish Studies** Dean Phillip Bell, 2013-08-15 The Bloomsbury Companion to Jewish Studies is a comprehensive reference guide providing an overview of Jewish Studies as it has developed as an academic sub discipline This volume surveys the development and current state of research in the broad field of Jewish Studies focusing on central themes methodologies and varieties of source materials available It includes 11 core essays from internationally renowned scholars and teachers that provide an important and useful overview of Jewish history and the development of Judaism while exploring central issues in Jewish Studies that cut across historical periods and offer important opportunities to track significant themes throughout the diversity of Jewish experiences In addition to a bibliography to help orient students and researchers the volume includes a series of indispensable research tools including a chronology maps and a glossary of key terms and concepts This is the essential reference guide for anyone working in or exploring the rich and dynamic field of Jewish Studies Mobilizing Religion in Middle East Politics Yusuf Sarfati, 2013-08-15 Contrary to the expectations of the secularization theorists religious political movements rose to prominence in numerous countries across the globe in the past three decades By examining the conditions that underlie the electoral fortunes of religious actors in democratic regimes this book contributes to our understanding of this worldwide religious resurgence Employing a social movement theory framework *Mobilizing Religion in Middle East Politics* explores the macro and micro dynamics of successful political mobilization by Sephardic Torah Guardians Shas in Israel and the National Outlook Movement in Turkey in the recent decades In a comparative framework the book demonstrates how ripe political opportunities appropriate frames and dense social networks contribute to building popular support in Israel and Turkey Yusuf Sarfati also assesses the effects of the increasing political power of religious actors on democratic governance and illustrates similarities and differences between two countries Drawing on empirical data from a range of interviews conducted in both Israel and Turkey this book provides a comparative study of religious politics in two countries that are often thought of as exceptional cases and are rarely compared As such this book is a welcome contribution for those studying Middle East politics comparative politics religious politics democratization and social movements **Biblical Interpretation in Judaism and Christianity** Isaac Kalimi, Peter J. Haas, 2006-12-15 This volume comprises fifteen essays classified in three major sections Some of these essays raise theoretical and methodological

issues while others focus on specific topics The time span ranges from late biblical period to the present The volume reflects the current thought of some of the major scholars in the field in various shapes and contexts as well as from a variety of perspectives inner biblical qumranic New Testament various rabbinic literature targumic midrashic halachic and Medieval kabalistic and some modern interpretation The essays reflects the contemporary thought of some of the foremost scholars in the field of biblical exegesis from a variety of standpoints move the biblical exegesis well beyond its conventional limits and enrich the knowledge and deeper the understanding of the readers *God and Nature in the Thought of Margaret*

Cavendish Brandie R. Siegfried, Lisa T. Sarasohn, 2016-04-22 Only recently have scholars begun to note Margaret Cavendish's references to God spirits and the rational soul and little has been published in this regard This volume addresses that scarcity by taking up the theological threads woven into Cavendish's ideas about nature matter magic governance and social relations with special attention given to Cavendish's literary and philosophical works Reflecting the lively state of Cavendish studies *God and Nature in the Thought of Margaret Cavendish* allows for disagreements among the contributing authors whose readings of Cavendish sometimes vary in significant ways and it encourages further exploration of the theological elements evident in her literary and philosophical works Despite the diversity of thought developed here several significant points of convergence establish a foundation for future work on Cavendish's vision of nature philosophy and God The chapters collected here enhance our understanding of the intriguing and sometimes brilliant contributions Cavendish made to debates about God's place in the scientific cosmos **Judaism, Christianity, and Islam** Amanullah De Soudy, Michelle A.

Gonzalez, William S. Green, 2020-10-15 *Judaism Christianity and Islam An Introduction to Monotheism* shows how a shared monotheistic legacy frames and helps explain the commonalities and disagreements among Judaism Christianity and Islam and their significant denominations in the world today Taking a thematic approach and covering both historical and contemporary dimensions the authors discuss how contemporary geographic and cultural contexts shape the expression of monotheism in the three religions It covers differences between religious expressions in Israeli Judaism Latin American Christianity and British Islam Topics discussed include scripture creation covenant and identity ritual ethics peoplehood and community redemption salvation life after death gender sexuality and marriage This introductory text which contains over 30 images a map a timeline chapter afterthoughts and critical questions is written by three authors with extensive teaching experience each a specialist in one of the three monotheistic traditions Stepping Into Zion Janice W.

Fernheimer, 2014-10-15 Considers the question Who is a Jew a critical rhetorical issue with far reaching consequences for Jews and non Jews alike Hatzaad Harishon The First Step was a New York based multiracial Jewish organization that worked to increase recognition and legitimacy for Black Jews in the sixties and seventies In *Stepping into Zion* Janice W Fernheimer examines the history and archives of Hatzaad Harishon to illuminate the shifting definitions and borders of Jewish identity which have critical relevance to Jews of all traditions as well as to non Jews Fernheimer focuses on a period when Jewish

identity was in flux and deeply influenced by the Civil Rights and Black Power movements In 1964 white and Black Jews formed Hatzaad Harishon to foster interaction and unity between Black and white Jewish communities They raised the question of who or what constitutes Jewishness or Jewish identity and in searching for an answer succeeded both historically and rhetorically in gaining increased recognition for Black Jews Fernheimer traces how despite deep disagreement over definitions members of Hatzaad Harishon were able to create common ground in a process she terms interruptive invention an incremental model for rhetorical success that allows different groups to begin and continue important but difficult discussions when they share little common ground or make unequal claims to institutional and discursive power or when the nature of common ground is precisely what is at stake Consequently they provide a practical way out of the seemingly incommensurable stalemate incompatible worldviews present Through insightful interpretations of Hatzaad Harishon s archival materials Fernheimer chronicles the group s successes and failures within the larger rhetorical history of conflicts that emerge when cultural identities shift or expand *Sephardi, Jewish, Argentine* Adriana M. Brodsky, 2016-10-31 A much needed monograph on the role of Sephardic Jews in Argentina and an important contribution to the study of Jews in Latin America overall Choice At the turn of the twentieth century Jews from North Africa and the Middle East were called Turcos Turks Seen as distinct from Ashkenazim Sephardi Jews weren t even identified as Jews Yet the story of Sephardi Jewish identity has been deeply impactful on Jewish history across the world Adriana M Brodsky follows the history of Sephardim as they arrived in Argentina created immigrant organizations founded synagogues and cemeteries and built strong ties with coreligionists around the country Brodsky demonstrates how fragmentation based on areas of origin gave way to the gradual construction of a single Sephardi identity This unifying identity is predicated both on Zionist identification with the State of Israel and national feelings for Argentina and that Sephardi Jews assumed leadership roles in national Jewish organizations once they integrated into the much larger Askenazi community Rather than assume that Sephardi identity was fixed and unchanging Brodsky highlights the strategic nature of this identity constructed both from within the various Sephardi groups and from the outside and reveals that Jewish identity must be understood as part of the process of becoming Argentine

Middle East Conflicts from Ancient Egypt to the 21st Century Spencer C. Tucker, 2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are

included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

Shbahoth - Songs of Praise in the Babylonian Jewish Tradition Sara Manasseh,2016-12-05 Sara Manasseh brings a significant but less widely known Jewish repertoire and tradition to the attention of both the Jewish community Ashkenazi Sephardi Oriental and the wider global community The book showcases thirty one songs and includes English translations complete Hebrew texts transliterations and the music notation for each song The accompanying downloadable resources include eighteen of the thirty one songs sung by Manasseh accompanied by ud and percussion The remaining thirteen songs are available separately on the album Treasures performed by Rivers of Babylon directed by Manasseh www.riversofbabylon.com While in the past a book of songs with Hebrew text only was sufficient for bearers of the tradition the present package represents a song collection for the twenty first century with greater resources to support the learning and maintenance of the tradition Manasseh argues that the strong inter relationship of Jewish and Arab traditions in this repertoire linguistically and musically is significant and provides an intercultural tool to promote communication tolerance understanding harmony and respect The singing of the Shbahoth the Baghdadian Jewish term for Songs of Praise has been a significant aspect of Jewish life in Iraq and continues to be valued by those in the Babylonian Jewish diaspora

Diverse Voices in Photographic Albums Mary Trent,Kris Belden-Adams,2022-07-29 Through a variety of case studies by global scholars from diverse academic fields this book explores photographic album practices of historically marginalized figures from a range of time periods geographic locations and socio cultural contexts Their albums stories span various racial ethnic gender and sexual identities nationalities religions and dis abilities The vernacular albums featured in this volume present narratives that move beyond those reflected in our existing histories Essays examine the visual material and aural strategies that album makers have used to assert control over the presentation of their histories and identities and to direct what those narratives have to say a point of special relevance as these albums move out of private domestic space and into public archives institutions and digital formats This book does not consider photographic albums and scrapbooks as separate genres but as a continuum of modern creative practices of photographic and mass print collage aimed at self expression and narrative building that co evolved and were readily accessible The book will be of interest to scholars working in art history history of photography visual culture material culture media studies and cultural studies

The Worlds of Elias Canetti William Collins Donahue,Julian Preece,2009-03-26 Though he died in the last decade of the twentieth century the satirist social thinker memoirist and dramatist Elias Canetti lives on into the present Testifying to the author s undeniable cultural afterlife the essays gathered

together here represent a wide swath of the latest Canetti scholarship Contributors examine Canetti's Jewish identity the Marxist politics of his youth his influence on writers as diverse as Bachmann Jelinek and Sebald the undiscovered poetry of his literary testament Nachlass his status as a self-cancelling satirist and his complex and sometimes ambivalent citation of Chinese and French cultural icons In addition this volume presents a treatment of Canetti as philosopher as contributor to the great debate on the genesis of violence as a chronicler of the WWII exile experience as well as a personal reminiscence by one of the great Canetti scholars of our time Gerald Stieg *The Worlds of Elias Canetti* challenges conventional wisdom about this Nobel laureate and opens up new areas to scholarly investigation *The Worlds of Elias Canetti* convenes diverse disciplinary perspectives on one of the most enigmatic and ambidextrous authors of the twentieth century An internationally renowned team of scholars places Canetti's social thought and literary oeuvre within intriguing new contexts highlighting as yet underexplored connections within areas such as philosophy Jewish Studies cultural anthropology literary intertextuality and beyond Compellingly this volume introduces us to a Canetti we have not yet known and one who equally belongs to the twenty-first century In its scope and originality *The Worlds of Elias Canetti* sets a new standard and not just for Canetti scholarship Jochen Vogt Professor of German Literature University of Essen *Remembering Histories of Trauma* Gideon Mailer, 2022-03-24 *Remembering Histories of Trauma* compares and links Native American First Nation and Jewish histories of traumatic memory Using source material from both sides of the Atlantic it examines the differences between ancestral experiences of genocide and the representation of those histories in public sites in the United States Canada and Europe Challenging the ways public bodies have used those histories to frame the cultural and political identity of regions states and nations it considers the effects of those representations on internal group memory external public memory and cultural assimilation Offering new ways to understand the Native Jewish encounter by highlighting shared critiques of public historical representation Mailer seeks to transcend historical tensions between Native American studies and Holocaust studies In linking and comparing European and American contexts of historical trauma and their representation in public memory this book brings Native American studies Jewish studies early American history Holocaust studies and museum studies into conversation with each other In revealing similarities in the public representation of Indigenous genocide and the Holocaust it offers common ground for Jewish and Indigenous histories and provides a new framework to better understand the divergence between traumatic histories and the ways they are memorialized **The Routledge Handbook of Judaism in the 21st Century** Keren Eva Fraiman, Dean Phillip Bell, 2023-03-01 *The Routledge Handbook of Judaism in the 21st Century* is a cutting-edge volume that addresses central questions and issues animating Judaism Jewish identity and Jewish society in a global integrated and forward-looking way It introduces readers to the complexity of Judaism as it has developed and continues to develop throughout the 21st century through the prism of three contemporary sets of issues identities and geographies structures and power and knowledge and performances Within these sections international

contributors examine central issues topics and debates including individual and collective identity globalization and localization Jewish demography diversity denominations and pluralism interreligious relations political orientations community organization family and gender the Bible and Talmud today Jewish philosophy and authority in Jewish thought digital Judaism antisemitism Jewish spirituality and rituals memory language religious education material culture literature music and art approaches to the environment and contemporary Zionism and Israel The handbook also includes an extensive bibliography to help orient readers to the most important and leading work in the field The Routledge Handbook of Judaism in the 21st Century is essential reading for students and researchers in religious studies and Jewish studies It will also be useful for those in related fields such as cultural studies literature sociology anthropology and history as well as Jewish professionals and lay leaders

Histories of the Jews of Egypt Dario Miccoli, 2015-03-24 Up until the advent of Nasser and the 1956 War a thriving and diverse Jewry lived in Egypt mainly in the two cities of Alexandria and Cairo heavily influencing the social and cultural history of the country Histories of the Jews of Egypt argues that this Jewish diaspora should be viewed as an imagined bourgeoisie It demonstrates how from the late nineteenth century up to the 1950s a resilient bourgeois imaginary developed and influenced the lives of Egyptian Jews both in the public arena in institutions such as the school and in the home From the schools of the Alliance Israélite Universelle and the Cairo lycée français to Alexandrian marriage contracts and interwar Zionist newspapers this book explains how this imaginary was characterised by a great capacity to adapt to the evolutions of late nineteenth and early twentieth century Egypt but later deteriorated alongside increasingly strong Arab nationalism and the political upheavals that the country experienced from the 1940s onwards Offering a novel perspective on the history of modern Egypt and its Jews and unravelling too often forgotten episodes and personalities which contributed to the making of an incredibly diverse and lively Jewish diaspora at the crossroads of Europe and the Middle East this book is of interest to scholars of Modern Egypt Jewish History and of Mediterranean History

Modern Middle Eastern Jewish Thought Moshe Behar, Zvi Ben-Dor Benite, 2013-04-09 The first anthology of modern Middle Eastern Jewish thought

The Wars of Yesterday Katrin Boeckh, Sabine Rutar, 2018-01-31 Though persistently overshadowed by the Great War in historical memory the two Balkan conflicts of 1912-1913 were among the most consequential of the early twentieth century By pitting the states of Greece Bulgaria Serbia and Montenegro against a diminished Ottoman Empire and subsequently against one another they anticipated many of the horrors of twentieth century warfare even as they produced the tense regional politics that helped spark World War I Bringing together an international group of scholars this volume applies the social and cultural insights of the new military history to revisit this critical episode with a central focus on the experiences of both combatants and civilians during wartime

Pre-State Photographic Archives and the Zionist Movement Rotem Rozental, 2023-03-24 By entering and critically re-activating the Zionist photographic archive established by the Division of Journalism and Propaganda of the Jewish National Fund this

research examines its rippling impact on civil landscapes prior to 1948 in Palestine and its lasting impact on the region to date This study argues that the Zionist movement makes particular use of the machinery of the photographic archive aiming to constitute the boundaries of Palestine as a Jewish state claiming ownership over the land and announcing internationally the success of its enterprise thus substantiating the image it sought to embed as the reality of the land This archive was not stand alone as it was functioning in relation to a vast complicated network of organizational systems and technologies in the Middle East and across the world Crucially this system functioned as a national archive in future tense for a nation state that was not yet in existence seeking to substantiate its regional authority and shape its cultural repository outlining parameters for inclusion and exclusion from its civic space The book will be of interest to scholars working in art history photography history visual culture Jewish studies Israel studies and Middle East studies

Fighting Over the Bible Isaac Kalimi, 2017-03-06 Fighting over the Bible explores the bitter conflicts between main stream Jews and their internal and external opponents especially between particular Jewish groups such as Pharisees Sadducees Qumranites Samaritans Rabbanites and Karaites as well as with Christians and Muslims regarding their interpretations of Jewish Scripture The Hebrew Bible Old Testament is an important sacred text for all branches of the Abrahamic faiths but it has more often divided than unified them This volume explores and exemplifies the roots of these interpretive conflicts and controversies and traces the rich exegetical and theological approaches that grew out of them Focusing on the Jewish sources from the late Second Temple period through the high Middle Ages it illustrates how the study of the Bible filled the vacuum left by the Temple's destruction and became the foundation of Jewish life throughout its long conflicted history This is a rich and engaging volume one of impressive erudition and sound scholarship It demonstrates a deep understanding of the history that it seeks to unravel and document I especially appreciate the attention given to primary sources in their original languages usually accompanied by English translation and the balanced and fair minded handling of controversial issues Richard A Taylor DTS Dallas Theological Seminary in Voice 2017 In this passionate account Isaac Kalimi crystallizes a decade of personal research into the dynamics that shaped Jewish interpretation of the Tanak from the second century B C E to the sixteenth century C E This is a startlingly honest book that profiles the Bible as a source of conflict rather than mutual understanding among the Abrahamic traditions It will be a fine addition to the libraries of religious studies departments seminaries and study groups that are committed to interfaith dialogue Michael W Duggan in Catholic Biblical Quarterly 81 2019 Each of these chapters carries the overall theme of how the sacred text of the HB has been interpreted and why this has prompted controversy and conflict The arguments are straightforward and have a clear conclusion at the end of each chapter The Appendix And What Now gives a strong analysis of how disagreeing factions can reconcile ideas for a more peaceful future and presents a persuasive argument for peaceful coexistence between Jews and Christians in the modern world Jacob Greenhouse in Journal for the Study of the Old Testament 43 2019
