taught today Has Yeho vah hidden these things from the wise and prudent and has revealed them unto a babe Matthew 11 25 26 You decide

Jesus Christ, the Number of His Name Bonnie Gaunt,1998 Sir Issac Newton

*Are These the Last Days?* Greg Laurie, 2006-01-25 Centuries ago the disciples asked Jesus to tell them the signs of his coming and when it would be If the disciples wondered about these things in the first century then we surely have reason to wonder in the twenty first century As we look at the instability in our world the turmoil and the threat of terrorism we can not help but ask Are we living in the last days Find the answers to take some of the guesswork out of understanding the end times and be encouraged to live confidently and expectantly in an uneasy and uncertain world **AD 2036 Is The End** Christian Jacobsen, 2008-03 Did you know that the exact year of Jesus crucifixion was predicted over five hundred years before His birth Did you know that a similar prophecy predicts the exact year of Jesus return to earth In fact the timing of the Second Coming of Christ is foreshadowed in no less than eleven places in the scriptures These timelines all point to the end of human history within this generation Although the Bible teaches that no one knows the day or hour when these things will happen Mark 13 32 it says nothing about not knowing the year Faithful Christians most certainly won t be surprised when the day of the Lord comes 1 Thessalonians 5 4 rather they will see the day approaching Hebrews 10 25 This book reveals that the Glorious Day will occur within three and a half years of AD 2036 CHRIST HAS DIED CHRIST IS RISEN CHRIST WILL COME AGAIN

**1950s Science Fiction Films and 9/11** Melvin E. Matthews, 2007 1950s Cold War era monsters meet 21st century terrorists this exploration of sci fi movies examines the similarities and differences between the political environment and popular culture of two eras This examination and appreciation of 1950s science fiction films includes behind the scenes tales about their production and many quotes from those who produced and starred in the films The author draws parallels between the Cold War fears of the 1950s and 60s and the constant terrorism alerts of the September 11th era exploring how the politics and the psychological climate of the times influences and is reflected in this vehicle of popular culture This book is the first of its kind studying the pop culture genre in the wake of the September 11th tragedy It shows that whatever the era and whatever the challenges and crises confronting America many entertainment themes remain the same reflecting their respective times and the relevant issues For instance Godzilla the only Fifties era monster to remain a movie star beyond that era could be fashioned to reflect whatever issues dominate the times be they nuclear war in the Fifties when Godzilla originated to a Seventies Godzilla film about environmental pollution Conceivably a Godzilla for the age of terrorism is possible Them the 1954 atomic mutation classic is the spiritual ancestor of the 2002 film Eight Legged Freaks The alien invaders of the Fifties signified a Russian invasion of America while other films of the genre

such as *Invaders from Mars* depicted aliens utilizing mind control to manipulate humans to commit acts of sabotage signifying Communist enslavement. If such a film were made now such invaders could be seen as terrorist masterminds using human slaves to commit terrorist acts. Finally several Fifties films depicted the end of the world at a time when Americans expected a nuclear war with Russia. The immediate pre September 11th era witnessed films presenting galactic threats to mankind's existence. *Independence Day*, *Deep Impact*, *Armageddon* while the early 2000s witnessed the popularity of the Left Behind Christian films dramatizing the Tribulation period in the Book of Revelation.

*Star-Spangled Jesus* April Ajoy, 2024-10-01 A hilarious and eye opening account of leaving Christian Nationalism behind to follow Jesus better. April Ajoy wouldn't have called herself a Christian Nationalist when she performed her original song America Say Jesus on the Jim Bakker show or when she participated in Jesus Marches across America or when she posted cringe worthy videos on YouTube to campaign for Mitt Romney. April just considered herself a good Christian faithful Republican and determined to make America a Christian nation once again. But as her view of the world widened April began to see cracks in her steadfast beliefs and recognized the ways her conservative politics and religion were intertwined in her mind. Did God really bless America. Is it actually by His red white and blue stripes that we are healed. April content creator and podcast host shares funny stories from her time deep within Christian nationalism exploring how aspects of evangelical culture such as product boycotts, Satanic panic and end times theology have all been exploited to advance the Christian Nationalist narrative. She also illuminates the ways nationalist thinking has infiltrated our churches and political arenas shaping not only modern evangelical culture but also American public policy and international relations. Part memoir part guidebook part call to action *Star Spangled Jesus* explores how the fight to make America a Christian nation has damaged us all and shows how one woman left Christian Nationalism and why America should too.

**The Coming of Jesus** Bonnie Gaunt, 1999 The Codes or Gematria of the Bible are decoded to reveal predictions of the first coming of Jesus as a child born in Bethlehem of his second coming and of earth's great millennium. Readers will be fascinated by the magnificent journey revealed by *The Coming of Jesus* a journey that transports them from the biblical era to the present day. The author also demonstrates that the time line for the fulfilment of end time prophecies is encoded within the prophecies themselves. The book shows how clues to the coming Golden Age exist in the pyramids, Stonehenge, the Bible and other ancient texts.

*Christian Theology* Millard J. Erickson, 1998-08 A new edition of leading theologian Millard Erickson's classic text.

**The Book of Signs** Dr. David Jeremiah, 2019-03-05 From one of the world's most beloved Bible teachers comes a timely compelling and comprehensive biblical interpretation of Bible prophecy, the end times and the apocalypse viewed through the lens of current world events and social crisis.
