

The background is a detailed steampunk illustration. On the left, a large, complex gear system is visible, featuring a prominent grey gear with a smaller gold gear inside it. A clock face is integrated into the gear mechanism, with a single gold hand pointing towards the top. To the right of the gears, there are vertical mechanical structures with several glowing lights. Some lights are yellow, while others are green, suggesting a functional or operational state. The overall color palette is dominated by greys, browns, and golds, with the glowing lights providing a contrast in color.
