*Seraphic Love* Robert Boyle,1992      *The Curious World of Samuel Pepys and John Evelyn* Margaret Willes,2017-09-19  
An intimate portrait of two pivotal Restoration figures during one of the most dramatic periods of English history Samuel Pepys and John Evelyn are two of the most celebrated English diarists They were also extraordinary men and close friends This first full portrait of that friendship transforms our understanding of their times Pepys was earthy and shrewd while Evelyn was a genteel aesthete but both were drawn to intellectual pursuits Brought together by their work to alleviate the plight of sailors caught up in the Dutch wars they shared an inexhaustible curiosity for life and for the exotic Willes explores their mutual interests diary keeping science travel and a love of books and their divergent enthusiasms Pepys for theater and music Evelyn for horticulture and garden design Through the richly documented lives of two remarkable men Willes revisits the history of London and of England in an age of regicide revolution fire and plague to reveal it also as a time of enthralling possibility      *Evidence of God* Nick Hawkes,2012-03-23 Nick Hawkes has written a book on science and Christian faith that is attractive intelligent and accessible to general readers It shows clearly that Christian faith and science are not opposed to each other but in need of each other This book will be of great interest not only to committed Christians seeking to see how their biblical faith relates to contemporary science but also to all those searching for an authentic Christian spirituality for the twenty first century Denis Edwards Flinders University Nick Hawkes looks at arguments for and against the existence for God and comes to the conclusion that faith can no more dispense with science than science can dispense with God Both complete one another He knows the terrain well and is able to explain complex ideas in ordinary language Dr Hawkes concludes by saying that Christian theology rather than undermining science actually provides science with a solid ground of meaning on which to stand Mark Worthing Tabor College Adelaide This book should have a prominent position on the shelves of pastors church leaders teachers and anyone who is interested in proclaiming Christianity in our secular society Dr Hawkes uses modern science to put forward a reasoned defense of orthodox Christianity Ken Smith The University of Queensland

**The Poetics of Scientific Investigation in Seventeenth-century England** Claire Preston,2015 This study examines the way that scientists in the 16th and 17th centuries who had not studied science formally used the tools of their literary education to formulate ideas about science and at the same time how the remarkable 17th century scientific developments inspired non scientific writers to make new fictions of discovery      **The General Catalogue of Books Printed in England Since the Dreadful Fire of London, 1666 to the End of Trinity Term, 1680 ...** Robert Clavell,1680      **Faith Science**
