IN THE VOICE OF SERGEANT PATRICK GASS
THE WHOLE COMPILED AND OFFERED
IN RECOGNITION & IN HONOR OF THE

Lewis & Clark Expedition
1803-1806

Sergeant Patrick Gass Chief Carpenter

L Reisser

Sergeant Patrick Gass Chief Carpenter:

Sergeant Patrick Gass, Chief Carpenter William Kloefkorn, 2002-01-01 Verse in the voice of Sgt Patrick Gass on the Lewis and Clark expedition 1803 1806 **Swallowing the Soap** William Kloefkorn, 2010-01-01 This volume the first to span the forty year career of Nebraska state poet William Kloefkorn brings together the best known and most beloved poems by one of the most important Midwestern poets of the last half century Collecting work from limited editions and hard to find books along with Kloefkorn's most anthologized poems *Swallowing the Soap* is an indispensable one volume compendium of the work of a major American poet **Rooted** David R. Pichaske, 2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades In *Rooted* by paying close attention to text landscape and biography he examines the relationship between place and art His focus is on seven midwestern authors who came of age toward the close of the twentieth century their lives and their work grounded in distinct places Dave Etter in small town upstate Illinois Norbert Blei in Door County Wisconsin William Kloefkorn in southern Kansas and Nebraska Bill Holm in Minnesota Linda Hasselstrom in Hermosa South Dakota Jim Heynen in Sioux County Iowa and Jim Harrison in upper Michigan The writers intimate knowledge of place is reflected in their use of details of geography language environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought jazz music and formalism in the case of Etter gender issues in the case of Hasselstrom time past and present in the case of Kloefkorn ethnicity and the role of the artist in the case of Blei magical realism in the case of Heynen the landscape of literature in the case of Holm and the curious worlds of academia best selling novels and Hollywood films in the case of Harrison The result Pichaske notes is the growing away from roots the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer's art the complexity it needs to transcend provincial boundaries Quoting generously from the writers Pichaske employs a practical jargon free literary analysis fixed in the text making *Rooted* interesting readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades

Willow Springs ,2002 **Index of American Periodical Verse** ,2002 The North Dakota Quarterly ,2004

Sacajawea Grace Raymond Hebard, 2002-03-01 This remarkable study rescues from undeserved obscurity the name and reputation of Sacajawea a true Native American heroine The volume also unravels the tangled threads of her family life and traces the career of her son Baptiste the papoose of the Lewis and Clark expedition It also describes her personal traits the significant services she rendered during the expedition and while she acted as counselor to her own people discloses the true meaning of her name and describes her lost years among the Comanches The text is enhanced with 21 illustrations including a map and 6 appendices containing testimonies by Indian agents missionaries teachers and Shoshone tribespeople **Our Destiny Entwined** ,2006 **Weber Studies** ,2005 **The Virginia Quarterly Review** ,2004 Western American Literature ,2012 **Across America** Maurice Isserman, 2009 In 2003 Americans began celebrating the bicentennial of the

Lewis and Clark expedition 1803-1806 a journey of discovery that proved a seminal moment in the history of the exploration of the North American continent **Bitterroot** Patricia Tyson Stroud, 2018-02-23 In America's early national period Meriwether Lewis was a towering figure. Selected by Thomas Jefferson to lead the expedition to explore the Louisiana Purchase, he was later rewarded by Jefferson with the governorship of the entire Louisiana Territory. Yet within three years, plagued by controversy over administrative expenses, Lewis found his reputation and career in tatters. En route to Washington to clear his name, he died mysteriously in a crude cabin on the Natchez Trace in Tennessee. Was he a suicide felled by his own alcoholism and mental instability? Most historians have agreed. Patricia Tyson Stroud reads the evidence to posit another, even darker ending for Lewis. Stroud uses Lewis's find of the bitterroot flower, with its nauseously pungent root, as a symbol for his reputation as a purported suicide. It was this reputation that Thomas Jefferson promulgated in the memoir he wrote prefacing the short account of Lewis's historic expedition, published five years after his death. Without investigation of any kind, Jefferson, Lewis's mentor from boyhood, reiterated undocumented assertions of Lewis's serious depression and alcoholism. That Lewis was the courageous leader of the first expedition to explore the continent from the Mississippi River to the Pacific Ocean has been overshadowed by presuppositions about the nature of his death. Stroud peels away the layers of misinformation and gossip that have obscured Lewis's rightful reputation. Through a retelling of his life from his resourceful youth to the brilliance of his leadership and accomplishments as a man, **Bitterroot** shows that Jefferson's mystifying assertion about the death of his protégé is the long-held bitter root of the Meriwether Lewis story. *Poetry* Harriet Monroe, 2002

Shoshoni Pony Carol Lynn MacGregor, 2003 Distributed by the University of Nebraska Press for Caxton Press Horses are not indigenous to the West. Prehistoric horses existed before humans came to the region, but the horse only appeared after the Spanish Conquistadores brought their Spanish stallions to America. The arrival of the horse in the West changed forever the lives of the Native peoples of the region and shaped the history of the West in many ways. **Lewis and Clark's Bittersweet Crossing** Carol Lynn MacGregor, 2004 Describes the Lewis and Clark Expedition to explore the American West in the early 1800s, focusing particularly on the time the group spent with the Shoshoni and Nez Perce Indians in Idaho.

Across America Infobase Holdings, Inc., 2009 Presents narrative accounts of key events and discoveries that occurred in the course of the Lewis and Clark Expedition of the early nineteenth century and includes quotes from the journals of participants in the historic journey. *Encyclopedia of the Lewis and Clark Expedition* Elin Woodger, Brandon Toropov, 2014-05-14 Provides facts and information about the travels of Meriwether Lewis and William Clark and their Corps of Discovery and its importance in relation to Native Americans and the westward expansion in the United States. **Lewis and Clark For Dummies** Sammye J. Meadows, Jana Prewitt, 2011-04-22 The Lewis and Clark expedition was the greatest camping trip in history. It was one of those irresistible American adventures that many people dream of living. This book shares the delightful details of the journey that historians have gleaned from the group's journals and maps and also

discusses what is known of the Indian perspective of the expedition Throughout the book you find out about Jefferson's western exploration from his earliest efforts to see the Corps assembled through the aftermath for the explorers the tribes and the United States But the focus of *Lewis Clark For Dummies* is on the period between Jefferson's confidential letter to Congress requesting dollars to mount a western exploration January 18 1803 and the expedition's triumphant and improbable return to St Louis September 23 1806 forty two months that changed the world Join Lewis and Clark as they recruit the Corps of Discovery meet Sacagawea and various Indian tribes and set off along the Missouri River on a thrilling perilous journey *Lewis Clark For Dummies* also covers the following topics and more The expedition's people and places Jefferson's fascination with the West Final preparations of Meriwether Lewis Weathering storms to launch the expedition The discomforts and dangers of the journey Making maps and writing reports A first look at the Pacific Ocean The story of Lewis and Clark doesn't end with their return to St Louis This book will also lead you on an exploration of the fates and lessons of the Corps of Discovery Find out what happened to Lewis Clark and many other key players after their famous journey And examine the aftermath for the American Indians and the political and cultural ramifications for the United States You'll even find the resources you need to plan your own recreation of the expedition as you take the Trail yourself

The Settlement of America James A. Crutchfield, Candy Moutlon, Terry Del Bene, 2015-03-26 First Published in 2015 This encyclopaedic collection includes Volumes 1 A L and 2 M Z as well as essays on the settlement of America It can be argued that the westward expansion occurred only one week after the English landfall at Jamestown Virginia on May 14 1607 Beginning on May 21 Captain John Smith one of the colonization company's leaders and twenty one companions made their way northwest up the James River for some 50 or 60 miles 80 or 96 km
