**Sergei Witte and the Industrialization of Russia** Theodore Hermann Von Laue,1963      Sergei Witte and the Industrialization of Russia Theodore Hermann Von Laue,1973      *Readings in Russian Civilization Volume II* Thomas Riha,2009-02-15 This new and enlarged version of *Readings in Russian Civilization* is the result of fairly extensive revisions There are now 72 instead of 64 items 20 of the selections are new The first volume has undergone the least change with 3 new items of which 2 appear in English for the first time In the second volume there are 6 new items all of them appear in English for the first time The third volume has undergone the greatest revision with 11 new items of which 6 are newly translated from the Russian It is the editor s hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition New citations include not only works which have appeared since 1963 but also older books and articles which have come to the editor s attention From the Editor s Preface a judicious combination of seminal works and more recent commentaries that achieves the editor s purpose of stimulating curiosity and developing a point of view C Bickford O Brien *The Russian Review* These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California      **Von Laue, Theodore H. Sergei Witte and the Industrialization of Russia** ,1963      The Westernization of Russia Through British Eyes David Lorrin Curl,1994      **Russian Industrialists in an Era of Revolution: The Association of Industry and Trade, 1906-17** Ruth AmEnde Roosa,Thomas C. Owen,2019-09-18 Ruth Roosa s long awaited study focuses on the most important business organization in imperial Russia the Association of Industry and Trade the nerve center of Russian capitalism in the years between the revolutions of 1905 and 1917 The author s comprehensive nuanced analysis of the Association s policy positions on Russian economic development has no peer Of particular interest are the insights the study affords into the peculiarities of Russian business including the operation of semi monopolistic syndicates and the role of imported capital banks and the autocratic state It supplies historical perspective on some of the more perplexing features of the new Russian capitalism Roosa was a pioneer in the study of early twentieth century Russian capitalism This volume prepared for posthumous publication by her friends and colleagues makes her work available at a time when it has new resonance and relevance      **The Electrification of Russia, 1880-1926** Jonathan Coopersmith,2016-11-01 *The Electrification of Russia 1880 1926* is the first full account of the widespread adoption of electricity in Russia from the beginning in the 1880s to its early years as a state technology under Soviet rule Jonathan Coopersmith has mined the archives for both the tsarist and the Soviet periods to examine a crucial

element in the modernization of Russia Coopersmith shows how the Communist Party forged an alliance with engineers to harness the socially transformative power of this science based enterprise A centralized plan of electrification triumphed to the benefit of the Communist Party and the detriment of local governments and the electrical engineers Coopersmith s narrative of how this came to be elucidates the deep seated and chronic conflict between the utopianism of Soviet ideology and the reality of Soviet politics and economics

**Russia 1848-1917** Jonathan Bromley,2002 A study of Russia from 1848 to 1914 It is designed to fulfil the AS and A Level specifications in place from September 2000 The AS section deals with narrative and explanation of the topic There are extra notes biography boxes and definitions in the margin and summary boxes to help students assimilate the information The A2 section reflects the different demands of the higher level examination by concentrating on analysis and historians interpretations of the material covered in the AS section There are practice questions and hints and tips on what makes a good answer

Entrepreneurship in Imperial Russia and the Soviet Union Gregory Guroff,Fred V. Carstensen,2014-07-14 This multidisciplinary study of entrepreneurship in Russian society from the sixteenth to the twentieth century demonstrates the crucial influence of central government on economic initiative Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Russia in the European Context, 1789-1914 S. McCaffray,M. Melancon,2005-05-12 This volume surveys Nineteenth century Russian society and economy and finds that Russian institutions practices and ideas fit the general European pattern for that period of rapid change Even apparently distinctive Russian features deepen our understanding of Europeaness In the Nineteenth century there were still many different ways to be European and excessive generalization based on the experiences of one or two countries obscures the great diversity that still characterized European civilization Moreover these essays bring to light several points at which Russian legislation and thinking provided models and examples for others to follow The authors focus on key elements of how Russians envisaged and constructed their economy and society This is an important contribution that increases understanding of Russian history at a time when Russia s relationship with the West is again debated

*Russia in the Age of Modernisation and Revolution 1881 - 1917* H. Rogger,2014-07-30 Hans Rogger s study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years
