A Serious Call to a Devout and Holy Life William Law, 2021-12-14 Originally published in 1728 at the beginning of the Enlightenment when rational criticism of religious belief was at its peak William Law's work succeeded in inspiring the most cynical men of the age with its arguments in favor of a spiritual life Proclaiming that God does not merely forgive our disobedience but directly calls us to obedience and to a life completely centered in him Law declares If you will here stop and ask yourself why you are not as pious as the primitive Christians were your own heart will tell you that it is neither through ignorance nor inability but because you never thoroughly intended it Law's prose is packed with vivid imagery and illustrative anecdotes that both reveal what it means to lead a Christian life and unmask the perversion of Christian tenets by secular and spiritual establishments This challenge of conventional piety and emphasis on Christian perfection directly influenced literary critic Samuel Johnson and historian Edward Gibbon as well as Cardinal John Henry Newman John Wesley called Law's work one of three books that accounted for his first explicit resolve to be all devoted to God Charles Wesley George Whitefield Henry Venn William Wilberforce and Thomas Scott each described reading the book as a major turning point in his life William Law 1686-1761 was educated at Cambridge took a teaching position there and was also ordained in the Church of England He lost his access to university venues and the parish ministry when he was unable to swear allegiance to the Hanoverian dynasty that replaced the Stuarts as the rulers of Great Britain Although forbidden the use of pulpit and lecture hall he preached through his books including Christian Perfection The Grounds and Reasons of Christian Regeneration Spirit of Prayer and Spirit of Love A Serious Call to a Devout and Holy Life. William Law, 2012-12-09 William Law was one of the great mystics, clerics and educators of the Church of England. Born in 1686, he was educated at Cambridge, eventually taking a teaching position there in addition to being ordained in the Church of England. He lost his position at Cambridge for being a Non-Juror, the Church of England being a state religion where clerics and others are required to swear oaths of allegiance to the monarch, and this Law could not do with regard to George I. He wrote the first work, *A Serious Call to a Devout and Holy Life*, one of his best known works while in retirement as tutor in the Gibbon household; he was tutor to the father of the historian noted for the work on the Decline and Fall of the Roman Empire in the 1720s. He wrote the second, much shorter work, *The Spirit of Love*, in the 1750s. The first is a major work of spiritual practice, rightly deserving the description as a classic or masterpiece. For a course we teach at my seminary, this book is on the list of spiritual classics one may choose to use for inspiration and spiritual reflection, and for good reason. Influenced by Law's readings from other mystics such as Thomas à Kempis, Johann Tauler, and others, this book is full of mystic insight and practical wisdom. It was popular from the start and remains an enduring classic of post-Reformation spirituality.
