Howcroft, 2018-02-16 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period's documentary record by supplying important information on major primary sources

WILLIAM EVANS *The Sermons of Charles Wesley* Charles Wesley, Kenneth G. C. Newport, 2001 Charles Wesley 1707 1788 is widely recognized as one of the greatest writers of the English hymn The importance of Charles however extends well beyond his undoubted poetic abilities for he is a figure of central importance in the context of the birth and early growth of Methodism a movement which today has a worldwide presence It was Charles and not John who first started the Oxford Holy Club from which the ethos and structures of organised Methodism were eventually to emerge It was Charles rather than John who first experienced the strange warming of the heart that characterised the experience of many eighteenth century evangelicals and in the early years it was Charles no less than John who sought to spread mainly through his preaching the evangelical message across England Wales and Ireland Eye witness testimony suggests that Charles was a powerful and effective preacher whose homiletic work and skill did much to establish and further the early Methodist cause In this book this other side of Charles Wesley is brought clearly into focus through the publication for the first time of all of the known Charles Wesley sermon texts In the four substantial introductory chapters a case is made for the inclusion of the 23 sermons here presented and there is discussion also of the significant text critical problems that have been negotiated in the

production of this volume Other chapters present a summary of Charles s life and preaching career and seek to show by example how the sermons no less than the hymns are significant vehicles for the transmission of Charles s message This book hence makes a plea for a reassessment of the place of Charles Wesley in English Church history and argues that he deserves to be recognised as more than just The Sweet Singer of Methodism Various Sermons Bernard of Clairvaux,2020-04-15 This last small group of Bernard s sermons to be published in translation by Cistercian Publications rightly goes by the title *De variis* in the critical edition While most of them treat feasts on the church calendar they do so in a somewhat hit or miss fashion Three sermons also deal with God s will God s mercies and the gifts of the Holy Spirit Two sermons for the feast of Saint Victor are a response to a request to Bernard from the monks of Montierneuve the Bollandist Life of Saint Victor appears here as a complement to those sermons Besides the nine sermons normally assigned to the *De variis* this volume also includes a sermon on the feast of Saint Benedict that was recently added to the collection in *Sources Chrétiennes* The survival of this loose assemblage of sermons outside of the organized collections of Bernard s sermons provides a reminder of Bernard as preacher and writer able despite all his other activities to turn his hand to preaching when called upon While they treat of disparate themes they allow us to encounter the quintessential Bernard speaking of the life of desire the true meaning of holiness and the awakening of the spiritual senses in the search for God *Sermons and Discourses, 1743-1758* Jonathan Edwards,2006-01-01 This wide ranging volume covers the final fifteen of the thirty three years that Jonathan Edwards preached and includes some of his greatest sermons including his Farewell Sermons to his Northampton congregation The period is defined by Edwards inventive strategies to improvise during the delivery of his sermons Considering dependence on the written text in the pulpit to be a serious failing he devised a double columned outlined format for his sermon manuscripts and continued to use it for the rest of his life Sermons from this period also include those preached to Mahican and Mohawk Indians at the mission post of Stockbridge Massachusetts Edwards various writings of 1743-58 map the complex terrain of his spiritual intellectual and professional life after the Great Awakening He deals with topics ranging from the spiritual role of youth in the community to the struggles over communion in his Northampton congregation to the war with the French and their Indian allies **The Pastor's Collection Sermon Series Volume 1** Mark Beaird,2003-10 This collection of sermon outlines is a product of Pastor Mark Beaird s passion for communicating the Gospel in a clear and succinct manner Every sermon is presented in an easy to follow and appealing style which lends itself to easy use Additionally each outline is framed by an introductory and concluding statement that will add to the overall clarity of each message Mark Beaird is an accomplished pastor writer and administrator His understanding of the Bible is both refreshing and insightful Pastor Tim Dubberly Simcoe Worship Center Mark Beaird has a conspicuous anointing for sermon writing When I have used his sermons I have found them to be theologically sound and exceptionally inspirational Pastor Gerald Jerry Lawson Day Star church of God Mark Beaird is truly one of the most gifted preachers of our time He artistically weaves expository thematic and

narrative homiletics into a unique style that is poignant and highly effective His sermons while rooted in a deep understanding of theological truth and biblical exegesis are simple and straightforward powerfully and faithfully delivering the heart of the Gospel of Jesus Christ Anthony W Johns Director City of Refuge School of Urban Mission
