many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount

Chesnut,2015-07-17 The story of Father Ed Dowling S J the Jesuit priest who served for twenty years as sponsor and spiritual guide to Bill Wilson the co founder of Alcoholics Anonymous An icy evening in December 1940 saw the first meeting of two extraordinary spiritual leaders Father Ed said that the graces he received from meeting Bill Wilson were as great as those he had received from his ordination as a priest and Bill in turn described encountering the Jesuit as being like a second conversion experience where he could feel the transcendent presence of God filling the entire room with grace The good priest taught Wilson about St Ignatius Loyolas Spiritual Exercises about the eternal battle between good and evil which the Spanish saint described in that book and explained the Jesuit understanding of the way we can use our deepest emotions to receive guidance from God while serving on that battlefield The co founder of the twelve step movement in turn supplied Father Ed with some of the most valuable tools he possessed for carrying out small group therapy on a wide range of different kinds of troubled people Together the two men discussed Poulains Graces of Interior Prayer and Bills attempts to make spiritual contact with both spooks and saints and explored the world of LSD experiences and the teachings of the Catholic Hindu and Buddhist mystics in Aldous Huxleys Perennial Philosophy And we will see how Father Ed with his deep social conscience helped Bill W turn his book on the Twelve Traditions into a Bill of Rights for the twelve step movement and how he laid out his own spiritual vision of Alcoholics Anonymous at the A A International in St Louis in 1955 **Father**

Ralph Pfau and the Golden Books Glenn F. Chesnut,2017-01-04 Father Ralph Pfau was one of AAs four most published

and most formative authors along with Bill Wilson Richmond Walker and Ed Webster during the new movements earliest thirty years during which it grew from only 100 members to almost 300 000 In the first ten years Pfau spent working to spread AA he said I have traveled nearly 750 000 miles I have spoken before nearly two hundred thousand members of AA at retreats meetings and conventions and personally discussed problems with more than ten thousand alcoholics He produced fourteen extremely popular books called the Golden Books under the pen name Father John Doe along with other books and recordings When he joined Alcoholics Anonymous in 1943 he became the first Roman Catholic priest to get sober in the newly formed movement An alcoholic and drug addict he had spent the previous ten years being removed from parish after parish as his drinking and addiction to downers got out of control over and over again He taught the spirituality of imperfection drawing from St Threse of Lisieuxs Little Way and St Augustines teaching of God as Truth Itself the forgiving God who touches us in our fallenness in acts of sudden psychological insight in which our whole perspective on life undergoes sweeping positive quantum changes Over and over he calmed peoples fear of God by reminding them that perfection was a myth and that no human being could do it all He was one of the most creative and interesting American Catholic theologians of his era Getting Started in AA Hamilton B.,1995-09-25 A handbook for newcomers to Alcoholics Anonymous providing program principles and historical references The Twelve Step Pathway Michael Cowl Gordon,2023-11-01 Uses the hero s journey as the path on which to travel for overcoming addiction and crisis and rescuing your own story This is a book about becoming heroic A hero is a person who faces great danger overcomes incalculable odds and accomplishes that which would have been thought especially by the hero to be impossible to achieve Considering the fear and pain that a person must experience in such an adventure it is a role that few would desire for themselves And yet more of us find ourselves in circumstances demanding heroism than one might imagine In fact people who are never called upon to be heroic at some point in their lives are in the minority if they exist at all This is not a book for people who might want to become heroic someday It is for people who are in the midst of a crisis and who must make a decision about whether they are going to face their situation survive rise above themselves and share their newfound knowledge with others who may need salvation And it is for those who are already traveling such a journey and who would like to gain a new understanding of themselves what their journey was and is about and why it is so important Using the twelve step framework for understanding the inner work a person must do in order to overcome addiction Michael Cowl Gordon walks readers through the journey to inner salvation and peace Using the hero s journey as the path on which to travel through these steps he uncovers the deep work that it takes to be the hero in your own story *Spiritwind* Rev.
