Sermons For The People:

Short Sermons for the People Wm. S. Plumer, 2023-04-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Sermons for the People** Frederic Dan Huntington, 1858 Sermons for the People Frederic Dan HUNTINGTON (Bishop of the Protestant Episcopal Church of Central New York.), 1864 **Sermons for the people, a series of plain sermons for the Christian year, by various contributors**, 1886 **Sermons to the People** Augustine of Hippo, 2002-10-15 A superb new translation brings the words of Augustine the preacher stirringly to life When the great Saint Augustine was called from his country home to become Bishop of Hippo in the fourth century his new responsibilities took him away from the solitude of his writing and into the glare of the public eye The author of two of the greatest works of religious literature Confessions and City of God Augustine became a shepherd to the people inspiring and enlightening them with his sermons His skills as a speaker were as great if not greater than his skills as a writer According to his friend Possidius Those who read what Augustine wrote on the divine topics do get something out of them But those who saw and heard him in person they were the ones who got heaven and Earth Sermons to the People collects the homilies on the liturgical seasons of the Church Saint Augustine delivered over the course of his lifetime This Image edition includes the first sermons in that vast collection from Advent Christmas New Year s and the Epiphany Newly translated by William Griffin they address timeless concerns including the problems of materialism and the intellectual difficulties of faith Griffin renders the sermons with such immediacy it is as though he had been present when Augustine spoke to his flock *Plain Truth for Plain People* Brad Estep, 2019-03-22 Having studied preaching at a doctoral level and practiced the craft for more than thirty years Brad Estep offers fifty biblically grounded theologically informed and congregationally contextualized sermons centered around the different seasons of the Christian year In addition to the sermon itself Estep provides additional analysis that revolves around the homiletical structure reasons for effectiveness and usage of illustrative material This work is designed for preachers who are interested and committed to the craft of preaching Intended for reflective practitioners Plain Truth for Plain People helps to reveal how and why sermons are crafted in the way that they are Because of that this book is also of interest to parishioners in the pews At the top of the list of desirable skills in a pastor is preaching This work helps provide examples of what that looks like or more accurately what that sounds like *No Little People (Introduction by Udo Middelmann)* Francis A. Schaeffer, 2003-09-11 Most Christians take an honest look at themselves and conclude that their limited talents energy and knowledge mean that they don t amount to much Francis A Schaeffer says that the biblical emphasis is quite different With God there are no little people This book contains sixteen sermons that explore the weakness and significance of humanity in relationship to the infinite and personal God Each was preached by Schaeffer at L Abri Fellowship in Switzerland to the

community that gathered there to work learn and worship together The focus of this collection is the lasting truth of the Bible the faithfulness of God the sufficiency of the work of Christ and the reality of God s Spirit in history The sermons represent a variety of styles some are topical some expound Old Testament passages and still others delve into New Testament texts No Little People includes theological sermons and messages that focus specifically on daily life and Christian practice Each sermon is a single unit and all are valuable for family devotions or other group study and worship Readers will be encouraged by the value that God places on each person made in His image

Van Harn,1992-12 This highly praised book uniquely looks at the act of preaching from the perspective of those in the pews Drawing on many years of pulpit experience Roger Van Harn guides pastors back to the heart of the preacher s task sound biblical proclamation Back in print in paperback

Sermons and Addresses, Question Drawer and Other Proceedings of the Christian Convention Held in Chicago, September 18th to 20th, 1883, 1884 *How Effective Sermons End* Ben

Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light
