Sermons In Magic:

Sermons in Magic Harold Philmore Wells,1975 Sermons in Magic Harold Philmore Wells,1975-02 **Sermons in Magic** Charles T. Grant,1936 *Sermons in Magic for Youngsters* Harold Philmore Wells,1968 Sermons in Magic for Youngsters Harold Philmore Wells,1965 **Sermons in Magic for Youngsters** Harold Philmore Wells,1968 **Sermons in Magic for Youngsters** Harold P. Wells,1961 **Sermons in Magic for Youngsters** Harold Philmore Wells,1963

Sermons in Magic for Younsters Harold Philmore Wells,1969 **Sermons in Magic for Youngsters** Harold Philmore Wells,1969 **Magic Wells** Julian Clifford Jaynes,1922 **The Rise of Magic in Early Medieval Europe** Valerie Irene Jane Flint,2020-03-31 There are forces better recognized as belonging to human society than repressed or left to waste away or growl about upon its fringes So writes Valerie Flint in this powerful work on magic in early medieval Europe Flint shows how many of the more discerning leaders of the early medieval Church decided to promote non Christian practices originally condemned as magical rather than repressing them or leaving them to waste away or growl These wise leaders actively and enthusiastically incorporated specific kinds of magic into the dominant culture not only to appease the contemporary non Christian opposition but also to enhance Christianity itself **Magic and Religion in Medieval England** Catherine Rider,2013-02-15 During the Middle Ages many occult rituals and beliefs existed and were practiced alongside those officially sanctioned by the church While educated clergy condemned some of these as magic many of these practices involved religious language rituals or objects For instance charms recited to cure illnesses invoked God and the saints and love spells used consecrated substances such as the Eucharist Magic and Religion in Medieval England explores the entanglement of magical practices and the clergy during the Middle Ages uncovering how churchmen decided which of these practices to deem acceptable and examining the ways they persuaded others to adopt their views Covering the period from 1215 to the Reformation Catherine Rider traces the change in the church s attitude to vernacular forms of magic She shows how this period brought the clergy more closely into contact with unofficial religious practices than ever before and how this proximity prompted them to draw up precise guidelines on distinguishing magic from legitimate religion Revealing the necessity of improving clerical education and the pastoral care of the laity Magic and Religion in Medieval England provides a fascinating picture of religious life during this period **The Routledge History of Medieval Magic** Sophie Page,Catherine Rider,2019-01-15 The Routledge History of Medieval Magic brings together the work of scholars from across Europe and North America to provide extensive insights into recent developments in the study of medieval magic between c 1100 and c 1500 This book covers a wide range of topics including the magical texts which circulated in medieval Europe the attitudes of intellectuals and churchmen to magic the ways in which magic intersected with other aspects of medieval culture and the early witch trials of the fifteenth century In doing so it offers the reader a detailed look at the impact that magic had within medieval society such as its relationship to gender roles natural philosophy and courtly culture This is furthered by the

book's interdisciplinary approach containing chapters dedicated to archaeology literature music and visual culture as well as texts and manuscripts The Routledge History of Medieval Magic also outlines how research on this subject could develop in the future highlighting under explored subjects unpublished sources and new approaches to the topic It is the ideal book for both established scholars and students of medieval magic

The Realities of Witchcraft and Popular Magic in Early Modern Europe E. Bever, 2008-06-11 Exploring the elements of reality in early modern witchcraft and popular magic through a combination of detailed archival research and broad ranging interdisciplinary analyses this book complements and challenges existing scholarship and offers unique insights into this murky aspect of early modern history

Eight Sermons Preached Before the University of Oxford Edward Bouverie Pusey, 1878

Ten sermons preached before the University of Oxford ... 1864-1879, and a sermon preached at the opening of the chapel of Keble college, 1876 Edward Bouverie Pusey, 1880

Theological index, references to the principal works in every department of religious literature Howard Malcom, 1868

Witchcraft, Demonology and Magic Marina Montesano, 2020-05-20 Witchcraft and magic are topics of enduring interest for many reasons The main one lies in their extraordinary interdisciplinarity anthropologists folklorists historians and more have contributed to build a body of work of extreme variety and consistence Of course this also means that the subjects themselves are not easy to assess In a very general way we can define witchcraft as a supernatural means to cause harm death or misfortune while magic also belongs to the field of supernatural or at least esoteric knowledge but can be used to less dangerous effects e.g. divination and astrology In Western civilization however the witch hunt has set a very peculiar perspective in which diabolical witchcraft the invention of the Sabbat the persecution of many thousands of mostly female and sometimes male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft This Special Issue of Religions dedicated to Witchcraft Demonology and Magic features nine articles that deal with four different regions of Europe England Germany Hungary and Italy between Late Medieval and Modern times in different contexts and social milieus Far from pretending to offer a complete picture they focus on some topics that are central to the research in those fields and fit well in the current cumulative concept of Western witchcraft that rules out all mono causality theories investigating a plurality of causes

Folklore, Magic, and Witchcraft Marina Montesano, 2021-08-19 This volume offers 18 studies linked together by a common focus on the circulation and reception of motifs and beliefs in the field of folklore magic and witchcraft The chapters traverse a broad spectrum both chronologically and thematically yet together their shared focus on cultural exchange and encounters emerges in an important way revealing a valuable methodology that goes beyond the pure comparativism that has dominated historiography in recent decades Several of the chapters touch on gender relations and contact between different religious faiths using case studies to explore the variety of these encounters Whilst the essays focus geographically on Europe they prefer to investigate relationships over highlighting singular local traits In this way the collection aims to respond to the challenge set by recent debates in cultural

studies for a global history that prioritises inclusivity moving beyond biased or learned attachments toward broader and broadening foci and methods With analysis of sources from manuscripts and archival documents to iconography and drawing on writings in Latin Hebrew Arabic and other languages this volume is essential reading for all students and scholars interested in cultural exchange and ideas about folklore magic and witchcraft in medieval and early modern Europe
