Sermons for the New Life, 7th Edition Horace Bushnell, 2015-06-10 Horace Bushnell was an American Congregational minister and theologian As a preacher Dr Bushnell was very effective Though not a dramatic orator he was original thoughtful and impressive in the pulpit His theological position may be said to have been one of qualified revolt against the Calvinistic orthodoxy of his day He criticized prevailing conceptions of the Trinity the atonement conversion and the relations of the natural and the supernatural Above all he broke with the prevalent view which regarded theology as essentially intellectual in its appeal and demonstrable by processes of exact logical deduction To his thinking its proper basis is to be found in the feelings and intuitions of humankind s spiritual nature He had a marked influence upon theology in America an influence not so much possibly in the direction of the modification of specific doctrines as in the impulse and tendency and general spirit which he imparted to theological thought Dr Munger s estimate was that He was a theologian as Copernicus was an astronomer he changed the point of view and thus not only changed everything but pointed the way toward unity in theological thought He was not exact but he put God and humanity and the world into a relation that thought can accept while it goes on to state it more fully with ever growing knowledge Other thinkers were moving in the same direction he led the movement in New England and wrought out a great deliverance It was a work of extraordinary courage Hardly a theologian in his denomination stood by him and nearly all pronounced against him Bibliotheca Sacra ,1877 **The Theological and Literary Journal** ,1859 *The Homiletic Review* ,1890 *Metropolitan Pulpit and Homiletic Monthly* ,1890 **The Christian Review** ,1858 **The Mercersburg Review** ,1876 **A History of Preaching** Otis Carl Edwards, 2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church s twenty centuries Each chapter in volume two is geared to its companion chapter in volume one s narrative history *A History of Preaching Volume 1* Rev. Ravished by Beauty Belden C. Lane, 2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth's beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God's beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God's glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God's splendor in the earth's beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author's own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community

The Universalist Quarterly and General Review ,1858 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** ,1887 Church and Stage Claudia Durst Johnson,2014-11-04 Throughout nineteenth century America religious officials often condemned the theatre as an inversion of the house of God similar to the church in architectural structure and organization but wholly different in purpose and values This book explores the many ways in which religious institutions supported by capitalism profoundly affected the early development of American theatre The author analyzes the church's critical view toward common theatre practices including the use of female and child performers and the lower class alliance with the stage Three appendices provide period correspondence including an excerpt from Mark Twain's February 1871 Memoranda in which Twain criticizes an Episcopalian reverend for denying church burial to a popular stage comedian *Expositor and Current Anecdotes* ,1914 **Plain Talks on Familiar Subjects. a Series of Popular Lectures. by J.
