**Perfecting Perfection** Robert Webster, 2016-07-28 Henry D Rack is one of the most profound historians of the Methodist movement in modern times He has spent a lifetime researching and writing about the rise and significance of John Wesley and his Methodist followers in the eighteenth century and has also uncovered the historical significance of the Methodist Church in the nineteenth and twentieth centuries Collected in Perfecting Perfection are thirteen essays honouring the life and scholarship of Dr Rack from a host of international scholars in the field The topics range from Wesley s view of grace in the eighteenth century to the dynamic intersection of the Methodist and Tractarian movements in the nineteenth century Ultimately the collection of essays offered here in honour of Dr Rack will be engaging and provocative to those considering Methodist Studies in the present and future generations Upward! Steve Harper, Paul W. Chilcote, 2023-12-19 A powerful guide for new and longtime United Methodists Upward is a simple but brilliant course on Wesleyanism for regular people It thoroughly and methodically guides readers through the distinctive qualities of the Wesleyan way the theology practices habits and attitudes that characterize Methodist people Paul W Chilcote and Steve Harper two of Methodism s most beloved teachers offer this extraordinary book as an invitation to a life of wisdom and wonder in our current world It is a book of both instruction and celebration teaching or reminding us what makes the Wesleyan way most gracious and lovely Pastors and other leaders will use Upward as their primary resource for sharing the Wesleyan approach It can be used in a wide variety of ways and settings as a sermon series congregation wide study or for new member classes to name a few Individuals will use the book as a personal study ideally in connection with others Upward helps leaders and readers to correct misconceptions about Wesleyan theology clarify and reclaim Wesleyan theology gain a new framework for understanding Wesleyan theology and sharing it with others **Women, Church, and Leadership: New Paradigms** Eunjoo Mary Kim, Deborah Beth Creamer, 2012-04-06 This book is about leadership a scholarly and pastoral response to the urgent demand for the renewal of the contemporary Christian church It challenges readers to articulate the identity and vision of the church in new ways and encourages them to revitalize their ministry with fresh insight and passion from women s perspectives The eight essays written by female scholars in relation to various areas of theological study and the nine pastoral responses to the essays written by ministers from seven different denominations based on their experiences of actual ministerial settings provide new paradigms of church leadership theologically profound practically relevant and historically timely This volume a product of a collaborative process between academia and church promises to be a most useful resource to renew the leadership of the church and its vocational commitment to the transformation of the church and society *Listen, Understand, Obey* Caleb T. Friedeman, 2017-05-17 This volume brings together a diverse group of scholars including biblical systematic and historical theologians to honor Gareth Lee Cockerill longtime professor of New Testament at Wesley Biblical Seminary Jackson MS and distinguished scholar of the book of Hebrews The essays focus on various

aspects of Hebrews theology ranging from the nature of rest in Hebrews to the interpretation of Hebrews in early Methodism Readers will find resources to hear and comprehend Hebrews afresh and will be challenged to draw near to the throne of grace with confidence Heb 4 16

*Multiplying Love* Paul W. Chilcote, 2023-09-19 A Vision of United Methodist Life Together Our world needs love during these desperate days of radical polarization and division Our United Methodist churches yearn to embrace love more completely because God first loved us Our faith including doctrine is important Christian hope including renewal is important love of God and neighbor is more important *Multiplying Love* underscores what matters most and stands in contrast to divisive misreadings of essential Methodist teachings Chilcote helps us embrace anew the Wesleyan vision of love of Jesus as central to what we believe and how we live When I finished *Multiplying Love* I found myself jumping up and down shouting Yes yes yes Gosh do we need this We are at a remaking moment in the church Dr Chilcote beautifully articulates the deeper theological vision that beckons and sustains us *Multiplying Love* helped me more thoroughly embrace the kind of loving people we are hoping to become That s what it s all about to me and this book nails it Rev Christy Allen Holden co creator of The Channel UMC a new hybrid community of faith christyallenh Holden Every United Methodist pastor would do well to invite their church council to read Paul Chilcote s brief and powerful *Multiplying Love* It recalls the power of the Wesleyan approach to the gospel and makes a compelling case for the future of The United Methodist Church I loved this book Rev Adam Hamilton Kansas pastor and author of *Wrestling with Doubt Finding Faith*

**Hearing Things** Leigh Eric Schmidt, 2002-11-30 Faith cometh by

hearing so said Saint Paul and devoted Christians from Augustine to Luther down to the present have placed particular emphasis on spiritual arts of listening In quiet retreats for prayer in the noisy exercises of Protestant revivalism in the mystical pursuit of the voices of angels Christians have listened for a divine call But what happened when the ear tuned to God's voice found itself under the inspection of Enlightenment critics This book takes us into the ensuing debate about hearing things an intense entertaining even spectacular exchange over the auditory immediacy of popular Christian piety The struggle was one of encyclopedic range and Leigh Eric Schmidt conducts us through natural histories of the oracles anatomies of the diseased ear psychologies of the unsound mind acoustic technologies from speaking trumpets to talking machines philosophical regimens for educating the senses and rational recreations elaborated from natural magic notably ventriloquism and speaking statues Hearing Things enters this labyrinth all the new disciplines and pleasures of the modern ear to explore the fate of Christian listening during the Enlightenment and its aftermath In Schmidt's analysis the reimagining of hearing was instrumental in constituting religion itself as an object of study and suspicion The mystic's ear was hardly lost but it was now marked deeply with imposture and illusion

**John Wesley's Political World** Glen O'Brien, 2022-10-21 This book employs a global history approach to John Wesley's 1703-1791 political and social tracts It stresses the personal element in Wesley's political thought focusing on the twin themes of liberty and loyalty Wesley's political writings reflect on the impact of global conflicts on Britain and provide insight into the political responses of the broader religious world of the eighteenth century They cover such topics as the nature and origin of political power economy taxes trade opposition to slavery and to smuggling British rule in Ireland relaxation of anti-Catholic Acts and the American Revolution Glen O'Brien argues that Wesley's political foundations were less theological than they were social and personal Political engagement was exercised as part of a social contract held together by a compact of trust The book contributes to eighteenth-century religious history and to Wesley Studies in particular through a fresh engagement with primary sources and recent secondary literature in order to place Wesley's writings in their global political context

**Living Hope** Paul W. Chilcote, Steve Harper, 2020-05-12 We are living in a world desperately in need of hope Do you yearn to live into a future filled with hope as a beloved child of God Rooted in this great gift of God Living Hope explores life in an inclusive vision of the future This book offers you an opportunity to reflect on the witness of hope the legacy about hope the reason for hope and helps you to engage in the practice of hope Living Hope celebrates the possibility of restored hope in the church and the world and invites you to become a bearer of hope to others in our time

**"A Curious Machine"** Arseny Ermakov, Glen O'Brien, 2023-09-28 In his sermon What Is Man John Wesley spoke of the human being as a curious machine reflecting the eighteenth-century view of the person as a set of complex mechanisms animated by the soul The rapid rate of technological development in recent decades is opening toward a future in which the centrality and uniqueness of human beings is undergoing a shift Developments in robotics artificial intelligence surveillance autonomous weapons human enhancement

and genetic modification raise an array of questions for the Christian tradition. The awareness of the negative impact of human activity on the natural environment is challenging the traditional view of humanity as having a uniquely privileged role at the heart of creation. This collection of essays addresses Wesleyan and broadly Christian voices that explore the theological, philosophical, biblical, ethical, and practical implications of emerging technologies, their impact upon different aspects of human life, and the possibilities that are opening up toward a posthuman future.

**The Cambridge Companion to Christian Philosophical Theology** Charles Taliaferro, Chad Meister, 2010. This Companion offers an up-to-date overview of the beliefs, doctrines, and practices of the key philosophical concepts at the heart of Christian theology. The sixteen chapters, commissioned specially for this volume, are written by an internationally recognized team of scholars and examine topics such as the Trinity, God's necessary existence, simplicity, omnipotence, omniscience, omnipresence, goodness, eternity, and providence; the incarnation, resurrection, atonement, sin, and salvation; the problem of evil, church, rites, revelation, and miracles; prayer and the afterlife. Written in non-technical, accessible language, they not only offer a synthesis of scholarship on these topics but also suggest questions and topics for further investigation.

*The Debilitating Duo* Roche Coleman, 2023-10-02. Is it possible to violate God's moral law without experiencing guilt and shame? Can a person silence their conscience from the strange emotions that emerge when one sins? An examination of the original design of humanity in the *imago Dei* suggests one cannot sin and avoid the debilitating duo. Humanity is created to live within the moral structure established by God. Therefore, a violation of the divine laws, which is sin, leads to guilt and shame. The strange emotions were innate sensations imparted to humanity to stop rebellion against the moral laws and to compel an offender to acknowledge the offense through the confession of sin. Unconfessed sin debilitates the physical and mental functions of a person created in the image of God. Guilt and shame are the strange emotions that serve as mental guardians for an individual as well as for the society in general. The duo was given as silent deterrents to immoral behaviors.

**Hearing History** Mark Michael Smith, 2004. *Hearing History* is a long-needed introduction to the basic tenets of what is variously termed historical acoustemology, auditory culture, or aural history. Gathering twenty-one of the field's most important writings, this volume will deepen and broaden our understanding of changing perceptions of sound and hearing and the ongoing education of our senses. The essays stimulate thinking on key questions: What is aural history? Why has vision tended to triumph over hearing in historical accounts? How might we begin to reclaim the sounds of the past? With theoretical and practical essays on the history of sound and hearing in Europe and the United States, the book draws on historical approaches ranging from empiricism to postmodernism. Some essays show the historian of technology at work; others highlight how military, social, intellectual, and cultural historians have tackled historical acoustemologies. Investigating soundscapes that include a Puritan meetinghouse in colonial New

England the belfries of a French village at the close of the Old Regime the court hall of Elizabeth I and a Civil War battlefield the essays vary just as widely in their topics which include noise as a marker of social and cultural differences the privileging of music as the sound of art the persistence of Aristotelian ideas of sound into the seventeenth century developments in sound related to medical practice the advent of sound recording technology and noise pollution

**Making Room** Christine D. Pohl, 1999-08-03 For most of church history hospitality was central to Christian identity Yet our generation knows little about this rich life giving practice

**Living Our Beliefs** Kenneth L. Carder, 2009-10-01 You can believe anything and be a Methodist just so long as you re sincere Such a misperception has deep historical and cultural roots Explore a basic explanation of the beliefs and practices of the United Methodist Church as defined in Part II of The Book of Discipline Uncover a deeper understanding and experience of Christian faith as you embrace the United Methodist way Beliefs are to be lived doctrine is to be practiced writes Carder in this updated edition of his 1996 bestseller The authenticity of beliefs lie in their ability to shape people and communities into the image of Christ and to promote holiness and happiness The important test of the validity of doctrines and beliefs for United Methodists is the kind of character they produce in individuals and communities and the actions they inspire in the world Living Our Beliefs is essential reading for new members confirmation classes and small group studies As one reviewer says Bishop Carder invites us to both understand and live our beliefs With deep understanding of Wesley s teaching he inspires us to practice what we preach That is the United Methodist way The Leader s Guide for this course Living Our United Methodist Beliefs by George Hovaness Donigan may be purchased here

**Making Room, 25th anniversary edition** Christine D. Pohl, 2024-01-16 Hospitality is the heart of Christian ministry To the early Christians hospitality was central to the gospel mission This hospitality did not consist of entertaining neighbors but welcoming the stranger especially those who could not return the favor Yet despite urgent need hospitality has fallen by the wayside Christine Pohl s classic work Making Room first spoke to this issue in 1999 And it is just as relevant today with the refugee crisis the rise in homelessness and growing loneliness and isolation This revitalized edition with a new foreword and afterword by the author introduces the theology of hospitality to a new generation Pohl combines rich biblical and historical research with experience in contemporary Christian communities including the Catholic Worker L Abri Good Works Inc and others Pragmatic and thoughtful Pohl deals frankly with both the blessings and the boundaries of hospitality Readers will find a wealth of wisdom to revive authentic hospitality in their ministry

**The Problem with Evangelical Theology** Ben Witherington (III), 2005 There is no doubting the legacy of the Protestant Reformers and their successors Luther Calvin and Wesley not only spawned specific denominational traditions but their writings have been instrumental in forging a broadly embraced evangelical theology as well In this volume Ben Witherington wrestles with some of the big ideas of these major traditional theological systems sin God s sovereignty prophecy grace and the Holy Spirit asking tough questions about their biblical foundations Witherington argues that evangelicalism sometimes wrongly assumes

a biblical warrant for some of its more popular beliefs and further he pushes the reader to engage the larger story and plot of the Bible to understand these central elements of belief Donald K McKim Editor Encyclopedia of the Reformed Faith

**Sermons at Court** Peter McCullough,1998-03-12 This 1998 study describes the most neglected site of political religious and literary culture in early modern England the court pulpits of Elizabeth I and James I It unites the most fertile strains in early modern British history the court and religion Dr McCullough shows work previous to his own underestimated the place of religion in courtly culture and presents evidence of the competing religious patronage not only of Elizabeth and James but also of Queen Anne Prince Henry and Prince Charles The book contextualises the political religious and literary careers of court preachers such as Lancelot Andrewes John Donne and William Laud and presents evidence of the tensions between sermon and sacrament centred piety in the established Church period Additional web resources provide the reader with a definitive calendar of court sermons for the period

**Knowing God as an Evangelical** Dan-Adrian Petre,2023-04-26 In the present polyphony of evangelical theological epistemology there are several authoritative approaches Yet the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon In this book Dan Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism Specifically he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance Petre then uses a canonical epistemological methodology to outline a biblically based framework In exploring how the Scripture conceptualizes the formation of theological knowledge the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon Using this vantage point the author assesses the contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement
