Servants Manual Christian Leadership For Tomorrow:

A Servant's Manual Michael W. Foss, This short volume is a plea for Christians to rethink their point and purpose in light of larger cultural changes and a crisis in leadership Foss s model of moving from issues into conversation and then into compassion is a blueprint for new leadership *The Living Church* ,2002-06 **The Establishment: the fallen tent of David and God's end-time house of prayer** J. Scott Husted,2009-03-01 This is a book about the workings of an establishment that God is doing in these last days Prophesied from ancient times the establishment is going on in communities across the globe As centers for intercession as centers for evangelism and as strategic bases for mercy and justice God is founding Houses of Prayer all across the earth this is The Establishment **The Power of Asset Mapping** Luther K. Snow,2004-04-01 Asset mapping isn t a new system or theory It s a way of thinking a doorway into an open sum perspective rooted in the Bible and common experience The Power of Asset Mapping by long time community developer Luther K Snow shows congregational leaders how to help a group recognize its assets and the abundance of God s gifts and to act on them in ministry and mission Congregations will find the book easy to read and immediately useful Leaders can begin with the tested Quick and Simple Asset Mapping Experience to strengthen and inspire any group in the congregation in as little as an hour Futher tips techniques stories and lessons drawn from the experience of diverse congregations will help readers discover how asset mapping works Finally Snow provides lessons about why asset mapping strengthens faith and community **Clergy Burnout** Fred Lehr, In this highly accessible book Fred Lehr clarifies the nature and practice of clergy codependence In twenty two short insightful and highly readable chapters filled with many examples and stories from his own life and those of others he has counseled Lehr identifies the typical forms codependence takes in the life and ministry of clergy 1 the chief enabler the one who keeps things functioning 2 the scapegoat the one on whom everything s blamed when it goes wrong the one who s responsible 3 the hero the example the pure and righteous one 4 the lost child the one no one really knows or cares about 5 the rescuer the one who saves the day makes the visit fixes the problem makes everything all right again 6 the mascot the cheerleader the one who offers comic relief brings down the tension level after a heated discussion **The Church Enslaved** Tony Campolo,Anthony Campolo,Michael Battle,2005 Two of the most vocal activists on racial issues in the church here seek nothing less than a conversion of American Christianity Campolo and Battle expose the sad history and present realities of racism in the churches and then lift up a vision of a church and society without racism To achieve reconciliation among Christians they argue both black and white churches need to acknowledge and overcome substantial problems in their traditions Campolo and Battle then directly challenge Christians to a deeper spirituality enabling them to resume leadership in overcoming and redressing America s legacy of racial division *Moving Beyond Church Growth* Mark A. Olson,2001-12-01 Character development for communities of faith Mark Olson believes that trying to meet unrealistic expectations for church growth along with expectations that pastors be all things to all people has resulted

in low morale even burnout among clergy and dissension within congregations Olson's book argues that church growth models exemplify and exacerbate the tendencies of the modern age and Constantinian Christianity holding the church hostage to technique and marketing. These assumptions set up pastors and churches for disappointment and failure. But they also in his opinion miss an opportunity to envision a faithful alternative to the consumeristic church. Olson's valuable book calls church leaders to faithful bold and courageous rethinking of congregational life and witness in substance, purpose and style. His own 20 years of ministry in rural, suburban and urban congregations inform an alternative rooted deeply in the past and anchored in strong leadership and worship but also profoundly compassionate and engaged in the surrounding community. In this model, pastors' primary responsibilities are not to fix everything and everybody but to enable people to be present to each other and to provide hope.

The Right Road Gwen Wagstrom Halaas, 2004-01-01. Many clergy are in startlingly bad health. Not only do they regularly report depression, stress and serious family and financial problems, they also exhibit higher than normal incidences of obesity, high cholesterol levels, inactivity, high blood pressure and heart disease. How effective can professionals in ministry be with such debilities and vulnerabilities? Are clergy too busy helping others to take care of themselves? Gwen Halaas's caring and savvy book addresses clergy health directly: clergy have a spiritual as well as physical need to care for themselves to live to the fullest, to ensure that they enjoy the life and gifts God gave them. Building her brief practical book around the wellness wheel, Halaas emphasizes not just healthy eating but a whole array of life-affirming choices for clergy. Halaas provides the tools for clergy to choose growth and well-being over burnout and decline. With this practical and upbeat volume, clergy can begin to put their own lives in perspective and keep themselves in training for a godly life. 1 Timothy 4:7.

Beyond the Scandals G. Lloyd Rediger. Recent sexual scandals have rocked the North American religious scene and left the churches concerned about credibility and liability. What are the bounds of clergy sexuality? What constitutes misconduct and what legal, moral and religious norms apply? More broadly, what has gone wrong and how can clergy understand their own sexuality and their lives of service? Lloyd Rediger is a uniquely qualified national expert on all these questions with a strong message for clergy about their sexuality, spirituality and behavior. In this timely volume which incorporates material from his earlier volume *Ministry and Sexuality*, Rediger brings his extensive research, clinical experience and theological insights to bear on the topic. He offers a comprehensive, authoritative account of clergy sexuality and sexual ethics with up-to-date legal information, helpful research on ethnic, gender and denominational factors, a religious and moral framework for understanding clergy sexuality and analysis of the sexual problems encountered by clergy. Learn more about Dr. Rediger at his website. This volume could well become the standard professional resource for clergy in a new era of increased accountability and moral reflection.

Spiritual Maturity Frank A. Thomas, 2002. With advice on how church leaders can improve the health of local congregations, this book takes a close look at the styles of church leadership that exist within the body and offers a holistic method to create and preserve a healthy congregation through spiritual

maturity Breaking the Conspiracy of Silence Donald E.
