Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the

encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future *The Isherwood Century* James J. Berg,Chris Freeman,2000

Best known for Goodbye to Berlin the inspiration for the Tony and Oscar award winning musical Cabaret Christopher Isherwood has always been considered both a literary and a gay pioneer That is truer now than ever Readers of his plays novels and diaries continue to discover Isherwood s lasting contribution to twentieth century culture literature

autobiographical fiction and memoir to gay rights and to twentieth century culture Congressional Record United States.

Congress,1969 **A Richard Selzer Reader** Kevin Kerrane,2017-07-31 A Richard Selzer Reader Blood and Ink is a career spanning collection including major short stories and essays by the renowned doctor author In the 1960s while practicing as a general surgeon and teaching surgery at the Yale School of Medicine Richard Selzer began publishing unique creative work in magazines such as Harper s and Esquire By 1985 when he retired as a physician to devote himself completely to writing Selzer was already recognized as a pioneer in the field of medical humanities When he died in 2016 as the author of 13 books his influence was acknowledged by a younger generation of doctor writers like Abraham Verghese and Atul Gawande Selzer s unusual style fuses scientific and poetic language Drawing on favorite readings from the King James Bible to the tales of Edgar Allen Poe he used this style to convey a sense of awe at the beauty and complexity of the human body even in the midst of suffering While describing himself as an atheist Selzer always searched for sacramental moments of courtesy courage and grace in medical encounters Because he often looked critically at the failure of doctors to regard the full humanity of their patients Selzer s work has become required reading in many medical training programs A Richard Selzer Reader includesseveral of the author s most famous essays and stories as well as two dozen selections that have not been collected in his previous books Chronologically the material ranges from apprenticeship stories as far back as a high school composition to two odd self portraits that remained unpublished at the time of Selzer s death Topically the material ranges from meditations on the body and on human mortality to reflections on both medicine and writing as serious vocations Along the way Selzer celebrates the work of other doctor writers like Thomas Browne and Anton Chekhov and in a series of previously unpublished diary entries he discusses the joys of nature art and family as bulwarks against the difficulties of growing old
