The Celebration of Life Rev. Fr. Dr. Alphonsus E. Obi, 2024-05-24 Why celebration of Life It is called celebration of life in recognition of a departed member of our community and all the children of God in this world who left this world to join the creator in Heaven Whether it is called wake or wake keeping all gears towards the provision of a service prior to burial in a social gathering Traditionally this is done at the home of the deceased with the body present Recently wakes are often performed at a funeral home or at a hall preferably chosen by the members of the deceased family It is often a social rite which highlights the fact that the loss affects the whole group The term wake originally referred to a late night prayer vigil which is mostly used for the social interaction While this modern usage of the verb wake means to stay alert A wake for the dead harks back to the vigil watch or guard of earlier times It is a misconception that people at wake are waiting in case the deceased should wake up The term wake originated from the Middle English waken

The True Foundation of Life Pastor Sharon Gamit,2015-08-12 All over the world a common question being asked by all is Does God really love me People often feel rejected and are terrified of God There is bitterness in their hearts toward God and so they avoid coming to Him Yet the real reason is we are not truly aware of His love Often we try to measure Gods love with the standards of human love We ask questions such as If God loves me then why I am hurting Why have I lost my job Why is my marriage breaking Why I am suffering with deadly sickness Why is this happening to me Why holocaust sudden death loss due to natural calamities 9 11 and shootings in schools Then we always try to see where God is in that situation and we feel that if God loves me why did I get hurt Does God still love me when I sin People all over the world are too guilty of what they have done or are still doing This guilt leads them to stay away from God since they think God is not going to accept them because of what they have done This book is a fresh new revelation of God

Embracing Life Again After the Death of a Spouse Dr Anniekie Ravhudzulo, 2011-01-12 When someone we love dies our whole world is knocked off balance One of the most common and yet difficult feelings you experience is isolation It seems no one understands what you are going through And many of us are so busy you dont take the time to fully grieve and therefore heal from your losses It is very true that people who are grieving often feel extremely tired because the process of grieving usually requires physical and emotional energy The grief you are feeling is not just for the person who died but also

for the unfulfilled wishes and plans for the relationship with the person Death often reminds most of the people of past losses or separations Remember there are a number of conditions that can make it harder for you as a person to successfully make it through the grief process For example sudden losses are harder to deal with than ones that have been anticipated With anticipated losses the knowledge that a loss will occur allows people to prepare both by feeling grief before the fact of the loss and also by planning ways to minimize the negative impact of the loss when it does occur The loss of a spouse lover child parent or best friend is usually more deeply felt than the loss of more distant relations and friends This is because such central relationships have long and deeply felt histories and an intensity of attachment that does not occur with more distant relationships Central relationships are more deeply and significantly knitted into the grieving persons sense of self and thus leave a bigger hole in the grieving persons sense of self when they are lost I discovered that when things are going badly whether in the family or work environment most of us strive mightily to improve our situations But what if the way to overcome a series of losses and failures is just to sink into them We all go through trials and tribulations Everyone has difficult situations in their life It is the way we look at them and the way we handle those situations I believe it is the struggle we must endure to gain the strength needed to break through the barriers With every victory comes the strength we need to overcome the obstacles and move forward Most people today give up easily because of what you may call emotional downturn This book in your hand has been written and carefully thought out with you in mind It has been written to bring you out of your sociological pit and emotional defeat I therefore gladly recommend this book to your reading that you may be built in His grace I believe that God will never give you more than you can handle You often wonder how some people cope with their situations in life I often hear people saying I dont think I could deal with that but we dont know what strength lies within us until the time comes to face the challenge The harder the struggle the sweeter the victory No test no rewards

Winds of Desolation Karen Lykkebo, 2022-09-15 The world is broken In a moment of desperation Storm claimed the power of the Spirits stopped Earth from moving and vanished leaving her uncle Mareau to pick up the pieces of Littera Stepping up as Lord of Winds ruler of Littera he struggles to retain peace and hope as the Ancient Prince Panmar plots for his demise However earnestly fighting for his legacy and to redeem his mistakes Mareau s inner battles may be a foe too great for him to overcome as the ghosts of his past refuse to let go Meanwhile Storm has taken refuge deep in the mountains the shame of her failed mission and loss of her brother Gust having consumed her Determined to put things right she must first resume her identity and arm herself and Mareau with the rage of Life and the power of the Wind if they are to win against their immortal enemy But can Storm and Mareau use each other s strengths to rise above their ancestors or is the gusting Wind taking its final breath
