Reflections in Black Deborah Willis, Kalia Brooks, 2025-11-18 TWENTY FIFTH ANNIVERSARY EDITION The acclaimed collection of Black photography now featuring more than one hundred photographs from twenty first century artists fundamentally redefines our understanding of American history If a picture truly is worth a thousand words then Deborah Willis has given us nothing less than an epic history of Homeric proportions Taken together Willis's magnificent gathering of images accompanied by her powerful narrative overturns many common ideas about black life during the last century and a half and in so doing rewrites American history Robin D G Kelley from the Foreword Originally published in 2000 *Reflections in Black* was the first single volume work to collect the images of leading African American photographers from the daguerreotype to the digital age Through its sheer power and inherent beauty Deborah Willis's groundbreaking assemblage of photographs of African American life from 1840 to the present triumphantly celebrated family endurance and spirituality over the last two centuries as it upended stereotypes and rewrote American history Aware that so much has changed since 2000 Willis a world renowned photographer curator and author has now created a breathtaking twenty fifth anniversary edition juxtaposing hundreds of images that appeared in the original edition with 130 new ones As the photographic panorama unfolds we are immersed in hugely moving glimpses of African American life from the last generation of enslaved people to the urban pioneers of the great migrations of the 1920s from the rare antebellum daguerreotypes of freemen to the courtly celebrants of the Harlem Renaissance and from civil rights activists to the postmodern photographic artists of the digital age Each photograph suggests an astonishing often spellbinding story Augustus Washington's mid nineteenth century portraits of key abolitionist figures for example offer a seemingly calm window into an era known for its violence A startling suite of J P Ball photographs depicts the life death and burial of a Black man hanged for murder in the Montana Territory Documenting a vibrant family life and a nascent Black middle class as well as Black tenant farmers and educators the book features James VanDerZee's famous shot of Marcus Garvey in a Universal Negro Improvement Association parade Addison N Scurlock's dignified portraits of Black intellectuals artists and musicians and John W Mosley's World War II era image of a young drum majorette in an Elks parade in Philadelphia *Reflections in Black* also includes a stunning array of celebrity images among them Booker T Washington Langston Hughes Gladys Bentley W E B Du Bois James Baldwin Martin Luther King Jr Malcolm X John Coltrane Billie Holiday and a veiled Coretta Scott King now accompanied in this edition by Michelle Obama the Roots and Angela Davis This enhanced volume with a new foreword from Robin D G Kelley and a coda from Kalia Brooks once again affirms the power of photography to reconfigure our conception of Black life in the African diaspora and

American history Featuring the works of photographers such as Albert Chong LaToya Ruby Frazier Lorna Simpson Allison Janae Hamilton Renee Cox Carrie Mae Weems Andre D Wagner and Hank Willis Thomas this new edition is dedicated to the artists who stretch the definition of photography creating pieces more akin to multimedia and conceptual art Written and curated during the COVID 19 pandemic and in the aftermath of the brutal killings of George Floyd Breonna Taylor Ahmaud Arbery and Tony McDade the images that follow serve as a visual response to these unthinkable experiences as well as to the beauty of life Exceptionally handsome and historically consequential Reflections in Black is not only the rare volume that can be given as a gift on any occasion but a work so significant that it has the power to reconfigure the imagination This anniversary edition demands to be included in every American's library as an essential part of our country's heritage
