Kauffman,2000-05 La cultura contemporánea no está saturada de pornografía sino de fantasía y los actores cineastas y escritores que aparecen en estas páginas se dedican a descodificar estas fantasías Las malas de este libro son satíricas salvajes con un agudo sentido del absurdo Algunos de los perversos exponen de forma similar sus propios cuerpos como especímenes médicos otros utilizan la medicina como material y como metáfora En conjunto el trabajo de las mujeres y de los hombres de quienes se ocupa aquí la autora es demasiado literal para el arte demasiado visceral para la pornografía La cultura popular es una máquina productora de deseo Hoy día la confusión sobre el impacto que tiene la cultura popular permea el discurso público los activistas contra la pornografía insisten en que las imágenes de sexo y violencia tienen un impacto directo sobre el público mientras que los activistas en contra de la censura lo niegan Este libro muestra que ambos bandos están equivocados la cultura popular produce un impacto pero no de la manera que imaginan unos y otros **Transgression 2.0** Ted Gornelios,David J. find examples of contemporary locations of cultural opposition Digital piracy audio mashups The Onion and Wikipedia are all examples of transgression in our current mediascape And as digital age transgression becomes increasingly essential it also becomes more difficult to define and protect The contributions in this collection are organized into six sections that address the use of new technologies to alter existing cultural messages the incorporation of technology and alternative media in transformation of everyday cultural practices and institutions and the reuse and repurposing of technology to focus active political engagement and innovative social change Bringing together a variety of scholars and case studies Transgression 2 0 will be the first key resource for scholars and students interested in digital culture as a transformative intervention in the types methods and significance of cultural politics
