Jeff Kinley,2009-08-30 We usually think of Bible characters as dressed with their Sunday best lookin good smelling of accomplishment and holding the posture of unshakeable faith We marvel at these flawless saints while thinking Wow I m not worthy Hey not so fast Believe it or not the most celebrated people in the Bible were plagued by doubt bad decisions and less than perfect reputations In a word most were losers And yet God had plans that would take them beyond their humble imperfect lives and dub them proud members of the losers club Losers Club is a real life look at famous Bible figures such as Moses Solomon David Thomas Rahab and others Each vignette reveals people who struggle with weak faith confusion and frustration people very much like you and me These stories will help you connect with these flawed heroes find encouragement in their stories and get inspired by God s love and care for losers *My Friends* Kurt Johnston,Mark

daunting hand of fate Ultimately Strengell shows how King shatters our illusions of safety and control King places his decent and basically good characters at the mercy of indifferent forces survival depending on their moral strength and the responsibility they may take for their fellow men Losers' Club John Lekich,2002-09 A funny feisty and charming novel Alex Sherwood would like to blend in and keep a low profile in his local high school His plan is thwarted when he inadvertently becomes hero to a group of so called losers As Alex says Everywhere I turned some zit faced loser wanted me to be an oasis from constant torment How could I refuse After all I was a zit faced loser The tormentor is Jerry Whitman Jr who runs a successful extortion ring at school and basically makes life difficult for everyone Alex is known as The Savior for his habit of helping out his fellow losers and fending off Jerry and the boys Alex and his two best friends Winston and Manny spend a lot of time scheming how they and the other losers might defeat Jerry and his gang in an upcoming challenge They are also desperate to find an adult guardian to keep the school counsellors happy since two of them are temporarily parentless Serious entanglements and hilarious complications result from their antics on the home front where extreme measures are required As Manny puts it Learning to successfully con the school administration will be highly beneficial to our self esteem Unfortunately for the boys the school administration is not so easily conned This story has a wonderful exuberance with characters that are engagingly original including a suitably odious villain Lekich displays a deft touch with humor and the authentic dialogue establishes a true teen ambiance Even Alex s disability is portrayed in a refreshingly matter of fact way **Contemporary Horror on Screen** Sarah Baker,Amanda Rutherford,Richard Pamatatau,2023-09-15 This book highlights how horror in film and television creates platforms to address distinct areas of modern day concern In examining the prevalence of dark tropes in contemporary horror films such as Get Out Annabelle Creation A Quiet Place Hereditary and The Nun as well as series such as Stranger Things American Horror Story and Game of Thrones amongst numerous others the authors contend that we are witnessing the emergence of a horror renaissance They posit that horror films or programmes once widely considered to be a low form of popular culture entertainment can contain deeper meanings or subtext and are increasingly covering serious subject matter This book thus explores how horror is utilised as a tool to explore social and political anxieties of the cultural moment and is thus presented as a site for contestation exploration and expansion to discuss present day fears It demonstrates how contemporary horror reflects the horror of modern day life be it political biological social or environmental A vital contribution to studies of the horror genre in contemporary culture and the effect it has on social anxieties in a threatening and seemingly apocalyptic time for the world this is a vital text for students and researchers in popular culture film television and media studies *Entertaining Tucson Across the Decades" Volume 1* Robert E. music in the Tucson entertainment scene **My School** Kurt Johnston, Mark Oestreicher, 2007 It's your faith why not own it The Middle School Survival Series will help you answer all the new questions that you have as you journey through middle school **Shakespeare's Storytelling** Nate Eastman, 2021-01-27 Shakespeare's Storytelling: An Introduction to Genre, Character, and Technique is a textbook focused on specific storytelling techniques and genres that Shakespeare invented or refined. Drawing on examples from popular novels, plays, and films such as *IT*, *Beloved*, *Sex and the City*, *The Godfather*, and *Fences*, the book provides an overview of how Shakespearean storytelling techniques, including character flaws, conflicts, symbols, and more, have been adapted by later writers and used in the modern canon. Rather than taking a historicist or theoretical approach, Nate Eastman uses recognizable references and engaging language to teach the concepts and techniques most applicable to the future study of Creative Writing, English, Theater, and Film. Media Students will be prepared to interpret Shakespeare's plays and understand Shakespeare as the beginning of a literary tradition. A readable introduction to Shakespeare and his significance, this book is suitable for undergraduates.
