Losing My Mind An Intimate Look At Life With Alzheimers:

Losing My Mind Thomas DeBaggio, 2002-04-05 When Tom DeBaggio turned fifty seven in 1999 he thought he was about to embark on the relaxing golden years of retirement time to spend with his family his friends the herb garden he had spent decades cultivating and from which he made a living Then one winter day he mentioned to his doctor during a routine exam that he had been stumbling into forgetfulness making his work difficult After that fateful visit and a subsequent battery of tests over several months DeBaggio joined the legion of twelve million others afflicted with Alzheimer s disease But under such a curse DeBaggio was also given one of the greatest gifts the ability to chart the ups and downs of his own failing mind *Losing My Mind* is an extraordinary first person account of early onset Alzheimer s the form of the disease that ravages younger more alert minds DeBaggio started writing on the first day of his diagnosis and has continued despite his slipping grasp on one of life s greatest treasures memory In an inspiring and detailed account DeBaggio paints a vivid picture of the splendor of memory and the pain that comes from its loss Whether describing the happy days of a youth spent in a much more innocent time or evaluating how his disease has affected those around him DeBaggio poignantly depicts one of the most important parts of our lives remembrance and how we often take it for granted But to DeBaggio memory is more than just an account of a time long past it is one s ability to function to think and ultimately to survive As his life becomes reduced to moments of clarity the true power of thought and his ability to connect to the world shine through and in DeBaggio s case it is as much in the lack of functioning as it is in the ability to function that one finds love hope and the relaxing golden years of peace At once an autobiography a medical history and a testament to the beauty of memory *Losing My Mind* is more than just a story of Alzheimer s it is the captivating tale of one man s battle to stay connected with the world and his own life

Nayar, 2021-12-06 This book examines writings by people living with Alzheimer's Disease and their caregivers Its focus areas include the construction of the self in the face of diminishing linguistic and cognitive abilities the stigmatization of ageing the various narrative strategies that these texts often collaboratively employ the health activism and advocacy generated via a biosociality and the ethics of care It examines the disease writing genre about a condition that ravages the ability to use language It serves as a literary examination of the work done in this area through a critical reading of the memoirs of those with AD and caregivers and a healthy dose of literary theory The book is a valuable resource for those interested in literary and critical theory and researchers in the field of ageing dementia studies **Body & Soul (Watertown, Mass.)**, 2002

Subject Guide to Books in Print, 2001 Library Journal, 2002 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately When It Gets Dark Thomas DeBaggio, 2007-11-01 Adeptly navigating between elegy and celebration fear and determination confusion and clarity DeBaggio delivers an exquisitely moving and inspiring book that will resonate with all those who have grappled with their own or their loved ones memory loss and with death With his first memoir *Losing My Mind* Thomas DeBaggio stunned readers by laying bare his faltering mind in a haunting and beautiful meditation on the centrality of memory to human life and on his loss of it to early onset Alzheimer's disease In this second extraordinary narrative he confronts the ultimate loss that of life And as only DeBaggio could he treats death as something to honor to marvel at to learn from Charting the progression of his disease with breathtaking honesty DeBaggio deftly describes the frustration grief and terror of grappling with his deteriorating intellectual faculties Even more affecting the prose itself masterfully represents the mental vicissitudes of his disease DeBaggio's fragments of memory observation and rumination surface and subside in the reader's experience much as they might in his own mind His frank lilting voice and abundant sense of wonder bind these fragments into a fluid and poetic portrait of life and loss Over the course of the book DeBaggio

revisits many of the people places and events of his life both in his memory and in fact In a sense he is saying goodbye paying his respects to the world as it recedes from him and it is a poignant irony that even as this happens he is at the height of his remarkable descriptive powers In his moments of clarity his love for life s details only grows deeper and richer the limestone creek where he has fished for years his satisfying and lonely herb farming days the goldfish pond his son designed and built in his backyard in honor of DeBaggio s passion for any hole in the ground with some liquid in it the thirty years in his beloved home in Arlington Virginia his early career as a muckraker the innumerable precious moments spent with his wife and son his belated grief over his parents deaths
