Redmann, 2017-04-18 Micky Knight reluctantly takes on two cases one for money one for pity The first is a trawl through archives to solve a century old murder for an arrogant grandson who thinks riches should absolve his family of any sins The other to answer a mother's anguish as she tries to understand her daughter's suicide Micky sees no happy ending to either case the dusty pages of history aren't going to give up their secrets after holding them for so long And even if she finds answers for the mother's questions nothing will bring her daughter back But as Micky discovers the past is never past and a young girl can lead a complicated even dangerous life The secrets both past and present are meant to remain hidden only the first murder is hard The rest come easy A Micky Knight Mystery **The Library Journal**, 1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth

with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Women of the Mean Streets: Lesbian Noir* J.M. Redmann,Greg Herren,2011-07-01 *Women Crime Justice* At least the search for it On the mean streets the back allies the dark corners These are stories of tough women in hard places The nights are long the women are fast and danger is always a short block or quick minute away Edited by award winning author editors J M Redmann and Greg Herren *Women of the Mean Streets* is an anthology of some of the top tough women crime writers today noir stories with a lesbian twist *Night Shadows: Queer Horror* Greg Herren,J.M.
