Murton, 2020 A close examination of the prayers in Chaucer's poetry sheds significant new light on his poetic practice In a culture as steeped in communal scripted acts of prayer as Chaucer's England a written prayer asks not only to be read but to be inhabited its I marks a space that readers are invited to occupy This book examines the implications of accepting that invitation when reading Chaucer's poetry Both in his often overlooked pious writings and in his ambitious innovative pagan narratives the I of prayer provides readers with a subject position that can be at once devotional and literary a stance before a deity and a stance in relation to a poem Chaucer uses this uniquely open participatory I to implicate readers in his poetry and to guide their work of reading In examining Christian and pagan prayers alongside each other Chaucer's Prayers cuts across an assumed division between the religious and secular writings within Chaucer's corpus Rather it emphasizes continuities and approaches prayer as part of Chaucer's broader experimentation with literary voice It also places Chaucer in his devotional context and foregrounds how pious practices intersect with and shape his poetic practices These insights challenge a received view of Chaucer as an essentially secular poet and shed new light on his poetry's relationship to religion rayer as part of Chaucer's broader experimentation with literary voice It also places Chaucer in his devotional context and foregrounds how pious practices intersect with and shape his poetic practices These insights challenge a received view of Chaucer as an essentially secular poet and shed new light on his poetry's relationship to religion rayer as part of Chaucer's broader experimentation with literary voice It also places Chaucer in his devotional context and foregrounds how pious practices intersect with and shape his poetic practices These insights challenge a received view of Chaucer as an essentially secular poet and shed new light on his poetry's relationship to religion
