sw@ggirl, 2020-09-11 This is a sequel to the book What should I Call You Mate Everything that once started with a prophecy a long time ago will now end with the same But like always prices have to pay Fate will be defeated indeed but in what cost no one knows yet The lost one will surely fight for the long desired vengeance But then again will it be enough to bring the two souls together just like they were before Momma Those innocent eyes of my one year old daughter welled up right after she fell on the ground as she was trying to walk on her own attempting to come to me I had to leave her alone to play by herself cause I needed to work for the sake of living as there was no one to look after both of us I was about to go to her to lift her up from the floor to give a warm hug so that she becomes happy once again but it seemed I could not Cause even before I could hold her two muscular hands lifted my daughter up only to hold her tight close to his chest carefully She was looking so tiny in his arms but the most important question was that who is he He seemed familiar somehow but I am sure that I have never seen him before Momma Dadda Eva my little daughter babbled all of a sudden No No He is not Come here I stretched my hands to take Eva back but the man did not let me Instead he chose to say something strange I thought I have lost you Emm Both of you I am sorry but you might have mistaken I am not Emm I am Ange The Lost One Stephen D.
