Lost Years Of Jesus On The Discoveries Of Notovitch Abhedananda Roerich And Caspari:

The Lost Years of Jesus Elizabeth Clare Prophet, 1984 The Gospels record Jesus age 12 in the temple then age 30 at the river Jordan Where was he in the interim Ancient Buddhist manuscripts say Jesus left Palestine and traveled to India Nepal Ladakh and Tibet For the first time Prophet brings together the testimony of four eyewitnesses of these remarkable manuscripts plus three different translations of the texts Illustrated with maps drawings and 79 photos *The Lost Teachings of Jesus: On the Sacred Place of Women* Alonzo L. Gaskill, 2023-02-14 The wife and the mother are the inappreciable treasures given unto you by God They are the fairest ornaments of existence and of them shall be born all the inhabitants of the world In the late 1800s a Russian explorer discovered another record of Christ s life and teachings guarded for centuries by the leaders of a monastery in Tibet Ancient traders recorded their experiences with Christ and His teachings and brought these records to India The explorer reported that these words were remarkable for their character of divine grandeur and were sublime words from the Master Himself Alonzo Gaskill presents this extra biblical text in which Christ expounds the divine role of women in the gospel and the family This book will help expand your appreciation and respect for women and their sacred part in God s plan **Jesus** W. Barnes Tatum, 2015-09-23 Drawing on examples from literature art and popular culture as well as theology this engaging book reveals the importance of the question whose was he in fully understanding the life and legacy of Jesus A concise accessible and engaging exploration of Jesus s life and enduring influence Charts the changing global status and influence of Jesus a Galilean Jew born when the ancient Roman Empire ruled the Mediterranean world and how he has come to be honored as the Christ and recognized by billions of people around the world Traces the reception history of Jesus and his story over the past two millennia through art literature and culture as well as theology Draws on a fascinating range of materials from ancient texts creeds and theological treatises to the visual and dramatic arts including books like *The Da Vinci Code* and films such as *The Passion of the Christ* Legitimizing New Religions James R. Lewis, 2003 James R Lewis has written the first book to deal explicitly with the issue of how emerging religions legitimate themselves He contends that a new religion has at least four different though overlapping areas where legitimacy is a concern making converts maintaining followers shaping public opinion and appeasing government authorities The legitimacy that new religions seek in the public realm is primarily that of social acceptance Mainstream society s acknowledgement of a religion as legitimate means recognizing its status as a genuine religion and thus recognizing its right to exist Through a series of wide ranging case studies Lewis explores the diversification of legitimation strategies of new religions as well the tactics that their critics use to delegitimize such groups Cases include the Movement for Spiritual Inner Awareness Native American prophet religions spiritualism the Church of Christ Scientist Scientology Church of Satan Heaven s Gate Unitarianism Hindu reform movements and Soka Gakkai a new Buddhist sect Since many of the issues raised with respect to newer religions can be extended to the legitimation strategies deployed by established religions this book
