## **Lost Battalions Going For Broke In The Vosges Autumn 1944:**

**Lost Battalions** Franz Steidl, 2008-12-30 The remarkable story of two battalions one German one American cut off in the same forest at the same time and the heroic efforts to save them The 1st Battalion 141st Infantry Alamo Regiment had been cut off for six days and food water and ammunition were running out Sent to rescue the Texans were the Japanese American Nisei of the famed Go For Broke 100 442d Regimental Combat Team At virtually the same time only five miles away a similar drama unfolded as the Wehrmacht's 201st Mountain Battalion attempted an equally desperate rescue of its sister unit the 202d Mountain Battalion The weather was abysmal the terrain virtually impassable Some generals lost their sons there other generals lost only their honor Told by the soldiers American and German from both sides Lost Battalions is an unforgettable account of courage honor and humanity

**Going for Broke** James M. McCaffrey, 2013-04-30 When Japanese forces attacked Pearl Harbor on December 7 1941 Americans reacted with revulsion and horror In the patriotic war fever that followed thousands of volunteers including Japanese Americans rushed to military recruitment centers Except for those in the Hawaii National Guard who made up the 100th Infantry Battalion the U S Army initially turned Japanese American prospects away Then as a result of anti Japanese fearmongering on the West Coast more than 100 000 Americans of Japanese descent were sent to confinement in inland relocation centers Most were natural born citizens their only crime their ethnicity After the army eventually decided it would admit the second generation Japanese American Nisei volunteers it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor volunteers from Hawaii and even recruits from the relocation centers In Going for Broke historian James M McCaffrey traces these men's experiences in World War II from training to some of the deadliest combat in Europe Weaving together the voices of numerous soldiers McCaffrey tells of the men's frustrations and achievements on the U S mainland and abroad Training in Mississippi the recruits from Hawaii and the mainland have their first encounter with southern style black white segregation Once in action they helped push the Germans out of Italy and France The 442nd would go on to become one of the most highly decorated units in the U S Army McCaffrey's account makes clear that like other American soldiers in World War II the Nisei relied on their personal determination social values and training to go for broke to bet everything even their lives Ultimately their bravery and patriotism in the face of prejudice advanced racial harmony and opportunities for Japanese Americans after the war

**Infantry**, 1999 **The Western European and Mediterranean Theaters in World War II** Donal Sexton, 2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean

theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

*American Courage, American Carnage* John C. Mcmanus, 2025-04-25 Only one U S Army regiment the 7th Infantry has served in every war from 1812 through the present day In this reissuance of his classic *American Courage American Carnage 7th Infantry Chronicles 1812 Through World War II* noted military historian and best selling author John C McManus tells the first part of the 7th s amazing story from the Battle of New Orleans through the end of World War II No American unit has earned more battle streamers and few can boast more Medal of Honor winners In the months leading up to the War of 1812 Congress authorized the creation of this regiment It fought with distinction at the Battle of New Orleans anchoring General Andrew Jackson s main defensive line forever earning the nickname Cottonbalers because the soldiers of the 7th were said to have battled the British from behind large rows of cotton bales From now on whenever Americans went to war the Cottonbalers would always find themselves in the center of the action where the danger was greatest Between these covers is the whole story told through the eyes of the soldiers the realities of combat expressed in raw human terms From the marshy grounds of the Chalmette plantation in New Orleans to the daunting heights of Chapultepec in Mexico City from the bloody horror of the long stone wall at Fredericksburg to the deadly crossfire of the Wheatfield at Gettysburg from the shocking gore of Custer s massacre at Little Bighorn to the desperation of dusty frontier battles from the foggy hills of Santiago in Cuba to the muddy pockmarked no man s land of Belleau Wood in France from the invasion of North Africa to Sicily Anzio southern France the Vosges Mountains the breaching of the Rhine and the 7th s triumphant capture of Hitler s mountain home at Berchtesgaden in May 1945 this remarkable book chronicles multiple generations of Cottonbalers who have fought and bled for their country *American Courage American Carnage* is an inside look at the drama tragedy fatigue and pathos of war from America s early nineteenth century struggles as a fledgling republic to its emergence as a superpower in the twentieth Based on nearly a decade of archival research battlefield visits interviews and intensive study and illustrated with copious maps and photographs this book is a moving authoritative tale of Americans in combat

*When Can We Go Back to America?* Susan H. Kamei, 2022-09-27 An oral history about Japanese internment during World War II after the bombing of Pearl Harbor from the perspective of children and young people affected

**American Sutra** Duncan Ryūken Williams, 2019-02-19 Winner of the Grawemeyer Award in Religion A Los Angeles Times Bestseller Raises timely and important questions about what religious freedom in America truly means Ruth Ozeki A must read for anyone interested in the implacable quest for civil

liberties social and racial justice religious freedom and American belonging George Takei On December 7 1941 as the bombs fell on Pearl Harbor the first person detained was the leader of the Nishi Hongwanji Buddhist sect in Hawai i Nearly all Japanese Americans were subject to accusations of disloyalty but Buddhists aroused particular suspicion From the White House to the local town council many believed that Buddhism was incompatible with American values Intelligence agencies targeted the Buddhist community and Buddhist priests were deemed a threat to national security In this pathbreaking account based on personal accounts and extensive research in untapped archives Duncan Ry ken Williams reveals how even as they were stripped of their homes and imprisoned in camps Japanese American Buddhists launched one of the most inspiring defenses of religious freedom in our nation s history insisting that they could be both Buddhist and American A searingly instructive story from which all Americans might learn Smithsonian Williams moving account shows how Japanese Americans transformed Buddhism into an American religion and through that struggle changed the United States for the better Viet Thanh Nguyen author of *The Sympathizer* Reading this book one cannot help but think of the current racial and religious tensions that have gripped this nation and shudder Reza Aslan author of *Zealot*

**Historical Dictionary of World War II** Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II

*When the Odds Were Even* Keith Bonn, 2007-12-18 In three months of savage fighting the U S Seventh Army did what no army in the history of modern warfare had ever done before conquer an enemy defending the Vosges Mountains With the toughest terrain on the Western Front the Vosges mountain range was seemingly an impregnable fortress manned by German troops determined to hold the last barrier between the Allies and the Rhine Yet despite nearly constant rain snow ice and mud soldiers of the U S Seventh Army tore through thousands of pillboxes acres of barbed wire hundreds of roadblocks and miles of other enemy obstacles ripping the tenacious German defenders out of their fortifications in fierce fighting and then held on to their gains by crushing Operation Nordwind the German offensive launched in a hail of steel at an hour before midnight on the last New Year s Eve of the war

Keith Bonn's fascinating study of this little known World War II campaign offers a rare opportunity to compare German and American fighting formations in a situation where both sides were fairly evenly matched in numbers of troops weapons supplies and support This gripping battle by battle account shatters the myth that German formations were division for division superior to their American counterparts      *America's Heroes* James H. Willbanks,2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan America's Heroes Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award's recipients      World War II in Literature for Youth Patricia Hachten Wee,Robert James Wee,2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource      **Ethnic and Racial Minorities in the U.S. Military** Alexander M. Bielakowski,2013-01-11 This encyclopedia details the participation of individual ethnic and racial minority groups throughout U S military history Ethnic and Racial Minorities in the U S Military An Encyclopedia is unique in its coverage of nearly all major ethnic and racial minority groups as opposed to reference works that have focused only on individual ethnic or racial minority groups It acknowledges the military contributions of African Americans Asian Americans French Americans German Americans Hispanic Americans Irish Americans Jewish Americans and Native Americans This timely work highlights the individuals and events that have shaped the experience of minorities in U S conflicts The work provides a comprehensive encyclopedia covering the role of all major ethnic and racial minorities in the United States during wartime Additionally it considers how the integration of servicemen in the U S military set the precedent for the eventual desegregation of America's civilian population      *America's Military Adversaries* John C. Fredriksen,2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound

But this book is the first to focus on America's talented enemies: the generals, admirals, Indian chiefs and warriors, submarine captains, fighter pilots and spies who opposed the United States with military force or other means. Often these military leaders were among the best minds of their times. For more than two centuries the new nation's most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf. Under DuRoi Iberville, Canada's French colonialists became formidable foes, but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis. Ironically, the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico's Santa Anna, Japan's Yamamoto or Vietnam's Vo Nguyen Giap. They arose from among its own citizens during the Civil War, the bloodiest conflict in American history.

When the Akimotos Went to War Matthew Elms, 2015. An American story of heroism in the face of discrimination. The newly released non-fiction book *When the Akimotos Went to War* tells an untold story of family patriotism and sacrifice during World War II, capturing the story of three Japanese American brothers: Victor, Johnny and Ted Akimoto, who volunteered for military service while their family members were forced into an internment camp. Despite the nationwide fear of the Nisei, the first generation of Japanese children born in the United States who were American citizens, the Akimoto brothers pledged their loyalty and bravery to the U.S. military, wanting to prove that being an American ran deeper than race. This story will engage middle school students and above to identify and understand the struggles that Japanese American soldiers endured during World War II. This content will help students expand their knowledge about U.S. history to include an understanding of training camps, shipping out overseas, loss of life and prisoner of war camps during World War II.

**The 100/442D Regimental Combat Team's Rescue of the Lost Battalion** Major Nathan K. Watanabe, 2014-08-15. This thesis examines the application of battle command during the 100th Central Postal Directory's rescue of the First Battalion, 141st Infantry Regiment, 36th Infantry Division, the Lost Battalion. As background, this study presents a brief history of the Japanese in Hawaii and the United States, the formation and record of the 100th Central Postal Directory and of the battle to rescue the Lost Battalion. The contemporary concept of battle command is defined as per Army Field Manual 3-0 Operations, June 2001, and Field Manual 22-100 Leadership: Be Known, Do, August 1999, and shown to encompass the World War II era concepts of command and leadership. This study examines how the tenets of battle command visualize, describe, direct, and were applied by the 36th Division and the 100th Central Postal Directory during the operation. Specific examples from the battle will illustrate both the use and neglect of the precepts of battle command and illustrate the importance of sound command and leadership techniques as well as the value of unit cohesion in present-day operations.

**Fighting for Honor** Michael L. Cooper, 2000. The book examines the history of Japanese in the United States, focusing on their treatment during World War II, including the mass relocation to internment camps and the distinguished service of Japanese Americans in the American military. Illustrated with numerous black and white photos and appended with a map of the relocation camps, a chronology, notes and a bibliography.
