

The LOST CAUSE

The Confederate Exodus to Mexico

BY ANDREW F. ROLLE

with a Foreword by A. L. Rowse

Lost Cause The Confederate Exodus

Steven J. Ramold

Lost Cause The Confederate Exodus:

The Lost Cause Andrew F. Rolle, Alfred Leslie Rowse, 1966 The Lost Cause. The Confederate Exodus to Mexico, Etc. (Second Printing.) [With Plates.], Andrew Frank ROLLE, 1966 *The Lost Cause* Andrew Frank Rolle, 1966 The Lost Cause Andrew F. Rolle, 1966 **Confederates in the Tropics** Sharon Hartman Strom, Frederick Stirton Weaver, 2011-05-17 Charles Swett 1828 1910 was a prosperous Vicksburg merchant and small plantation owner who was reluctantly drawn into secession but then rallied behind the Confederate cause serving with distinction in the Confederate Army After the war some of Swett s peers from Mississippi and other southern states invited him to explore the possibility of settling in British Honduras or the Republic of Honduras **Confederates in the Tropics** uses Swett s 1868 travelogue to explore the motives of would be Confederate migrants fleeing defeat and Reconstruction in the United States South The authors make a comparative analysis of Confederate communities in Latin America and use Charles Swett s life to illustrate the travails and hopes of the period for both Black and white people Swett s diary is presented here in its entirety in a clear accessible format edited for contemporary readers Swett s style except for his passionate prefatory remarks is a remarkably unsentimental even scientific look at Belize and Honduras more akin to a field report than a romantic travel account In a final section the authors suggest why the expatriate communities of white Southerners nearly always failed and they follow up on Swett s life in Mississippi in a way that sheds light on why disgruntled Confederates decided to remain in or eventually to return to the US South **In Pursuit of a Phantom** Arnold M. Pavlovsky, 2008-06 **Veterans North and South** Paul A. Cimballa, 2015-07-14 Based largely on Civil War veterans own words this book documents how many of these men survived the extraordinary horrors and hardships of war with surprising resilience and went on to become productive members of their communities in their post war lives Nothing transforms dry boring history into fascinating and engaging stories like learning about long ago events through the words of those who lived them What was it like to witness and participate in the horrors of a war that lasted four years and claimed over half a million lives and then emerge as a survivor into a drastically changed world **Veterans North and South** The Transition from Soldier to Civilian after the American Civil War takes readers back to this unimaginable time through the words of Civil War soldiers who fought on both sides illuminating their profound life changing experiences during the war and in the postbellum period The book covers the period from the surrender of the armies of the Confederacy to the return of the veterans to their homes It follows them through their readjustment to civilian life and to family life while addressing their ability and in some cases inability to become productive members of society By surveying Civil War veterans individual stories readers will gain an in depth understanding of these soldiers sacrifices and comprehend how these discrete experiences coalesced to form America s memory of this war as a nation **Obstinate Heroism** Steven J. Ramold, 2020-03-15 Despite popular belief the Civil War did not end when Robert E Lee surrendered to Ulysses S Grant at Appomattox Virginia in April 1865 The Confederacy still had tens of thousands of soldiers under arms in

three main field armies and countless smaller commands scattered throughout the South Although pressed by Union forces at varying degrees all of the remaining Confederate armies were capable of continuing the war if they chose to do so But they did not even when their political leaders ordered them to continue the fight Convinced that most civilians no longer wanted to continue the war the senior Confederate military leadership over the course of several weeks surrendered their armies under different circumstances Gen Joseph Johnston surrendered his army in North Carolina only after contentious negotiations with Gen William Tecumseh Sherman Gen Richard Taylor ended the fighting in Alabama in the face of two massive Union incursions into the state rather than try to consolidate with other Confederate armies Personal rivalry also played a part in his practical considerations to surrender Gen Edmund Kirby Smith had the decision to surrender taken out of his hands disastrous economic conditions in his Trans Mississippi Department had eroded morale to such an extent that his soldiers demobilized themselves leaving Kirby Smith a general without an army The end of the Confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at Appomattox

The Confederados Cyrus B. Dawsey, James M. Dawsey, 1995 Of all the colonies founded by former Confederates in Latin America the most important was established by William Norris at Americana in southeastern Brazil For 125 years the people in Americana have held on to their language and customs while prospering within and contributing to the larger Brazilian economy and society The original settlers came from Alabama Texas Louisiana Georgia and South Carolina and some of them returned home for visits from time to time Much has been written about these people but there has been relatively little scholarly inquiry into the historical context and the events of the migration itself the cultural impact that these confederados exerted on their host country and the ways in which the original settlers and their descendants fit into the larger Brazilian society Most immigrant nationalities arriving in Brazil were quickly absorbed by the surrounding culture Although the Confederates numbered but a few thousand and appeared earlier than most of the groups from other nations they maintained distinctive traits and many of their descendants still speak English as a first language The editors provide an excellent scholarly examination of the confederados that is unique in its approach This volume focuses on the Norris settlement near present day Americana and makes clear the ways in which the Americans influenced Brazilian culture beginning in the 1860s and continuing to the present

Dimensions of International Migration Paivi Hoikkala, 2011-01-18 International Dimensions of Migration follows migrants from challenging situations in their homelands into even more challenging new worlds Spanning historical periods from the aftermath of the American Civil War to the Third Reich to the modern era the essays in this book use post colonial literature ethnographic research primary sources interviews and a variety of other approaches to reveal the experiences of immigrants and their hosts The critical method and broad cross cultural context of the volume provide a fresh perspective on the immigration issues we are encountering today

Illusions of Empire William S. Kiser, 2021-12-07 Illusions of Empire adopts a multinational view of North American borderlands examining the ways in which Mexico's North

overlapped with the U S Southwest in the context of diplomacy politics economics and military operations during the Civil War era William S Kiser examines a fascinating series of events in which a disparate group of historical actors vied for power and control along the U S Mexico border from Union and Confederate generals and presidents to Indigenous groups diplomatic officials bandits and revolutionaries to a Mexican president a Mexican monarch and a French king Their unconventional approaches to foreign relations demonstrate the complex ways that individuals influence the course of global affairs and reveal that borderlands simultaneously enable and stifle the growth of empires This is the first study to treat antebellum U S foreign policy Civil War campaigning the French Intervention in Mexico Southwestern Indian Wars South Texas Bandit Wars and U S Reconstruction in a single volume balancing U S and Mexican source materials to tell an important story of borderlands conflict with ramifications that are still felt in the region today American Mediterranean Matthew Pratt Guterl, 2013-03-11 How did slave owning Southern planters make sense of the transformation of their world in the Civil War era Matthew Pratt Guterl shows that they looked beyond their borders for answers He traces the links that bound them to the wider fraternity of slaveholders in Cuba Brazil and elsewhere and charts their changing political place in the hemisphere Through such figures as the West Indian Confederate Judah Benjamin Cuban expatriate Ambrosio Gonzales and the exile Eliza McHatton Guterl examines how the Southern elite connected by travel print culture even the prospect of future conquest with the communities of New World slaveholders as they redefined their world He analyzes why they invested in a vision of the circum Caribbean and how their commitment to this broader slave owning community fared From Rebel exiles in Cuba to West Indian apprenticeship and the Black Codes to the labor problem of the postwar South this beautifully written book recasts the nineteenth century South as a complicated borderland in a pan American vision **Run for the Border** Steven W. Bender, 2012-05-13 Mexico and the United States exist in a symbiotic relationship Mexico frequently provides the United States with cheap labor illegal goods and for criminal offenders a refuge from the law In turn the U S offers Mexican laborers the American dream the possibility of a better livelihood through hard work To supply each other s demands Americans and Mexicans have to cross their shared border from both sides Despite this relationship U S immigration reform debates tend to be security focused and center on the idea of menacing Mexicans heading north to steal abundant American resources Further Congress tends to approach reform unilaterally without engaging with Mexico or other feeder countries and disturbingly without acknowledging problematic southern crossings that Americans routinely make into Mexico In **Run for the Border** Steven W Bender offers a framework for a more comprehensive border policy through a historical analysis of border crossings both Mexico to U S and U S to Mexico In contrast to recent reform proposals this book urges reform as the product of negotiation and implementation by cross border accord reform that honors the shared economic and cultural legacy of the U S and Mexico Covering everything from the history of Anglo crossings into Mexico to escape law authorities to vice tourism and retirement in Mexico to today s focus on Mexican border crossing

immigrants and drug traffickers Bender takes lessons from the past 150 years to argue for more explicit and compassionate cross border cooperation Steeped in several disciplines Run for the Border is a blend of historical cultural and legal perspectives as well as those from literature and cinema that reflect Bender s cultural background and legal expertise

Race, Nation, & Empire in American History (EasyRead Edition) James T. Campbell,2007 **The Civil War and American Art** Eleanor Jones Harvey,Smithsonian American Art Museum,2012-12-03 Collects the best artwork created before during and following the Civil War in the years between 1859 and 1876 along with extensive quotations from men and women alive during the war years and text by literary figures including Emily Dickinson Mark Twain and Walt Whitman 15 000 first printing **A Shattered Nation** Anne Sarah Rubin,2009-11-20 Historians often assert that Confederate nationalism had its origins in pre Civil War sectional conflict with the North reached its apex at the start of the war and then dropped off quickly after the end of hostilities Anne Sarah Rubin argues instead that white Southerners did not actually begin to formulate a national identity until it became evident that the Confederacy was destined to fight a lengthy war against the Union She also demonstrates that an attachment to a symbolic or sentimental Confederacy existed independent of the political Confederacy and was therefore able to persist well after the collapse of the Confederate state White Southerners redefined symbols and figures of the failed state as emotional touchstones and political rallying points in the struggle to retain local and racial control even as former Confederates took the loyalty oath and applied for pardons in droves Exploring the creation maintenance and transformation of Confederate identity during the tumultuous years of the Civil War and Reconstruction Rubin sheds new light on the ways in which Confederates felt connected to their national creation and provides a provocative example of what happens when a nation disintegrates and leaves its people behind to forge a new identity *I Acted from Principle* William Marcellus McPheeters,2000-07-01 At the start of the Civil War Dr William McPheeters was a distinguished physician in St Louis conducting unprecedented public health research forging new medical standards and organizing the state s first professional associations But Missouri was a volatile border state Under martial law Union authorities kept close watch on known Confederate sympathizers McPheeters was followed arrested threatened and finally in 1862 given an ultimatum sign an oath of allegiance to the Union or go to federal prison McPheeters acted from principle instead fleeing by night to Confederate territory He served as a surgeon under Gen Sterling Price and his Missouri forces west of the Mississippi River treating soldiers diseases malnutrition and terrible battle wounds From almost the moment of his departure the doctor kept a diary It was a pocket size notebook which he made by folding sheets of pale blue writing paper in half and in which he wrote in miniature with his steel pen It is the first known daily account by a Confederate medical officer in the Trans Mississippi Department It also tells his wife s story which included harassment by Federal military officials imprisonment in St Louis and banishment from Missouri with the couple s two small children The journal appears here in its complete and original form exactly as the doctor first wrote it with the addition of the editors full

annotation and vivid introductions to each section **The War Went On** Brian Matthew Jordan, Evan C. Rothera, 2020-04-01

In recent years Civil War veterans have emerged from historical obscurity Inspired by recent interest in memory studies and energized by the ongoing neorevisionist turn a vibrant new literature has given the lie to the once obligatory lament that the postbellum lives of Civil War soldiers were irretrievable Despite this flood of historical scholarship fundamental questions about the essential character of Civil War veteranhood remain unanswered Moreover because work on veterans has often proceeded from a preoccupation with cultural memory the Civil War's ex soldiers have typically been analyzed as either symbols or producers of texts In *The War Went On: Reconsidering the Lives of Civil War Veterans* fifteen of the field's top scholars provide a more nuanced and intimate look at the lives and experiences of these former soldiers Essays in this collection approach Civil War veterans from oblique angles including theater political and disability history as well as borderlands and memory studies Contributors examine the lives of Union and Confederate veterans African American veterans former prisoners of war amputees and ex guerrilla fighters They also consider postwar political elections veterans business dealings and even literary contests between onetime enemies and among former comrades **Rebels in the Rockies** Walter Earl Pittman, 2014-07-15

The Civil War in 1861 found Southerners a minority throughout the West Early efforts to create military forces were quickly suppressed Many returned to the South to fight while others remained where they were forming a potentially disloyal population Underground movements existed throughout the war in Colorado California Nevada New Mexico Arizona and even Idaho Repeatedly betrayed and overwhelmed by Union forces and without communications with the South these groups were ineffective In southern New Mexico Southerners who were the majority aligned themselves with the Confederacy Four small companies of irregulars one Hispanic fought effectively as part of the abortive Confederate invasion force of 1861 2 The most famous of these the Brigands were close in function to a modern special forces unit In 1862 the Brigands were sent into Colorado to join up with a secret army of 600 1 000 men massing there but were betrayed Returning to Texas the Brigands and the other irregulars were used for special operations in the West throughout the War they also fought in the Louisiana Arkansas campaigns of 1863 4 *Kentucky's Last Cavalier* Peter J. Sehlinger, 2004-05-07

As this biography shows Preston was Kentucky's last cavalier the beau ideal of the Old South a dashing defender of the old aristocracy both in the political realm and on the battlefield His is a multidimensional story of power and privilege family connections and gender roles public service and proslavery politics As Kentucky state historian James C Klotter declares in the foreword Preston's life reveals much about his entire generation and his world

BOOK JACKET

This book delves into Lost Cause The Confederate Exodus. Lost Cause The Confederate Exodus is a vital topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Lost Cause The Confederate Exodus, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Lost Cause The Confederate Exodus
- Chapter 2: Essential Elements of Lost Cause The Confederate Exodus
- Chapter 3: Lost Cause The Confederate Exodus in Everyday Life
- Chapter 4: Lost Cause The Confederate Exodus in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Lost Cause The Confederate Exodus. The first chapter will explore what Lost Cause The Confederate Exodus is, why Lost Cause The Confederate Exodus is vital, and how to effectively learn about Lost Cause The Confederate Exodus.

3. In chapter 2, this book will delve into the foundational concepts of Lost Cause The Confederate Exodus. The second chapter will elucidate the essential principles that need to be understood to grasp Lost Cause The Confederate Exodus in its entirety.

4. In chapter 3, the author will examine the practical applications of Lost Cause The Confederate Exodus in daily life. The third chapter will showcase real-world examples of how Lost Cause The Confederate Exodus can be effectively utilized in everyday scenarios.

5. In chapter 4, the author will scrutinize the relevance of Lost Cause The Confederate Exodus in specific contexts. This chapter will explore how Lost Cause The Confederate Exodus is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about Lost Cause The Confederate Exodus. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Lost Cause The Confederate Exodus.

Lost Cause The Confederate Exodus Introduction

Lost Cause The Confederate Exodus Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Lost Cause The Confederate Exodus Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Lost Cause The Confederate Exodus : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Lost Cause The Confederate Exodus : Has an extensive collection of

digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Lost Cause The Confederate Exodus Offers a diverse range of free eBooks across various genres. Lost Cause The Confederate Exodus Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Lost Cause The Confederate Exodus Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Lost Cause The Confederate Exodus, especially related to Lost Cause The Confederate Exodus, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Lost Cause The Confederate Exodus, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Lost Cause The Confederate Exodus books or magazines might include. Look for these in online stores or libraries. Remember that while Lost Cause The Confederate Exodus, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Lost Cause The Confederate Exodus eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Lost Cause The Confederate Exodus full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lost Cause The Confederate Exodus eBooks, including some popular titles.

FAQs About Lost Cause The Confederate Exodus Books

What is a Lost Cause The Confederate Exodus PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Lost Cause The Confederate Exodus PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Lost Cause The Confederate Exodus PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Lost Cause The Confederate Exodus PDF to another file**

format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Lost Cause The Confederate Exodus PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
