

Lost In Jersey City

Daniel F McAuley

Lost In Jersey City:

Lost in Jersey City Paula Sharp, 1993 From the author of *The Woman Who Was Not All There* comes an inventive novel about a woman who discovers she can triumph over bigger challenges than she ever thought possible After seven years in a stale marriage Ida Terhune leaves Baton Rouge for Jersey City where she undergoes an amazing transformation New York, 2000 ,2003 **Jersey City 1940-1960** Kenneth French, 1997-11-01 Photographer Dan McNulty was a Jersey City resident who spent most of his time working in his family's funeral home McNulty's photography was a mere sideline but this fact did not affect the high artistic quality of the images of the city that he produced during the 1940s and 50s During the two decades of McNulty's work Jersey City experienced many changes The powerful political machine of Mayor Frank Hague was brought down after thirty years in 1949 by the reform team of John V Kenny and this period also saw the end of the city's success in the railroad industry In the 1950s the first large housing projects were constructed in the city other sweeping developments in this sphere would follow in the 1960s McNulty documented these changes and others that resulted during this twenty year period through dramatic photographs of vacant railroad terminals dynamic commercial and residential districts successful factories and manufacturing plants and significant WPA projects such as the Jersey City Medical Center and Roosevelt Stadium *Workers against the City* Donald W. Rogers, 2020-09-28 The 1939 Supreme Court decision *Hague v CIO* was a constitutional milestone that strengthened the right of Americans including labor organizers to assemble and speak in public places Donald W Rogers eschews the prevailing view of the case as a morality play pitting Jersey City New Jersey political boss Frank Hague against the Committee for Industrial Organization CIO and allied civil libertarian groups Instead he draws on a wide range of archives and evidence to re evaluate *Hague v CIO* from the ground up Rogers's review of the case from district court to the Supreme Court illuminates the trial proceedings and provides perspectives from both sides As he shows the economic political and legal restructuring of the 1930s refined constitutional rights as much as the court case did The final decision also revealed that assembly and speech rights change according to how judges and lawmakers act within the circumstances of a given moment Clear eyed and comprehensive *Workers against the City* revises the view of a milestone case that continues to impact Americans constitutional rights today New York Magazine ,1992-12-14 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1992-11-30 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to
