Modern Christian Spirituality Methodological And Historical Essays:

Modern Christian Spirituality Bradley Hanson, 1990 The thirteen essays in this collection fall into two sections The first section presents essays on the nature of spirituality and appropriate methods for its study while a second section includes historical studies of particular persons and movements within Christian spirituality Contributors include Ewert Cousins Carlos M N Eire Diogenes Allen Eric Lund and David Trickett The Blackwell Companion to Christian Spirituality Arthur Holder, 2011-04-27 The Blackwell Companion to Christian Spirituality is a comprehensive single volume introduction to Christian spirituality and represents the most significant recent developments in the field Offers a thoroughly interdisciplinary broadly ecumenical and representative overview of the most significant recent developments in the field Comprises essays combining rigorous academic scholarship with accessible and elegant writing Reflects an understanding of the field as the study of the lived experience of Christian faith and discipleship Provides material on biblical historical and theological foundations along with treatment of contemporary issues **What Has Wittenberg to Do with Azusa?** David J. Courey, 2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther s Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism Minding the Spirit Elizabeth A. Dreyer, Mark S. Burrows, 2005-01-02 Sheldrake Jon Sobrino Wendy M Wright Bruce Hindmarsh Books and Culture A Christian Review **Spiritual Capital** Michael O'Sullivan, Bernadette Flanagan, 2017-07-05 Spiritual Capital seeks to re focus discussion on core social values on individuals value systems and the internal dynamics that impel human beings to live by truth goodness and love This book defines refines and disseminates the concept of spiritual capital Contributions by practitioner scholars in applied spirituality who have practical experience of spiritual capital at work in diverse human situations provide accounts of concrete expressions of spiritual capital and create an interdisciplinary discussion between spirituality practitioners artists ecologists sociologists and others on the frontiers of change in contemporary culture The Black Church Studies Reader Alton B. Pollard, Carol B. Duncan, 2016-04-29 The Black Church Studies Reader addresses the depth and breadth of Black theological studies from Biblical studies and ethics to homiletics and pastoral care The book examines salient themes of social and religious

significance such as gender sexuality race social class health care and public policy While the volume centers around African American experiences and studies it also attends to broader African continental and Diasporan religious contexts The contributors reflect an interdisciplinary blend of Black Church Studies scholars and practitioners from across the country The text seeks to address the following fundamental questions What constitutes Black Church Studies as a discipline or field of study What is the significance of Black Church Studies for theological education What is the relationship between Black Church Studies and the broader academic study of Black religions What is the relationship between Black Church Studies and local congregations as well as other faith based entities The book's search for the answers to these questions is compelling and illuminating

The Puritan Imagination Todd D. Baucum, 2022-07-29 This book seeks to add a needed introduction to a way of meditation used among early modern English Protestants influenced by Bishop Joseph Hall Furthermore the major role that Hall had in his *Arte of Divine Meditation* on late seventeenth century Protestant spirituality went beyond the practice of meditation and established a positive claim on the role of the imagination in shaping souls well into the modern period Within this context the questions related to ancient understandings of faith and the interrelationship of divine revelation are discussed with fresh insights for our own times If a revival of interest emerges again in Hall's work it would be a compelling and fresh impetus to reclaim the broken imagination evident in many parts of the Western Church

The Evangelicals Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing

Thirsty for God Bradley P. Holt, 2017-08-15 A landmark text on the history of Christian spirituality embarks on the journey afresh This accessible and engaging history provides an excellent primer on the two millennium quest for union with God a thirst at the center of Christian life and practice Holt traces the practice of Christian devotion prayer and contemplation from the biblical and influential early periods through the diverse insights of the Reformation and modern eras Globally framed the book highlights the local contributions of people from a wide array of traditions and

perspectives as unified yet diverse voices giving witness to the thirst for the experience of the divine that is at the heart of the Christian pilgrimage This new edition not only updates all the chapters and features but also adds more material on the spirituality of Jesus medieval women mystics contemporary spirituality spiritual faith and practice in the digital age and spirituality in a globalized world Excerpts and illustrations from primary sources a glossary a timeline new bibliographies sets of spiritual exercises and discussion questions and an online resource guide heighten the book s usefulness for students and lay persons alike

Ways of Meeting and the Theology of Religions David Cheetham, 2016-02-24 Exploring the different points of view and tones of voice adopted in theology for the meeting of religions this book presents a contemporary philosophical and theological engagement with key issues of how different faiths might meet of comparative philosophy of religion of the use of aesthetics of inter religious ethics and issues relating to the self Providing a critical evaluation of contemporary liberal post liberal and conservative voices and an engagement with movements such as Radical Orthodoxy and Scriptural Reasoning to mention a few this book highlights the use of the creative imagination and explores new ideas for the meeting of religions
