Moving Targets
Writing with Intent 1982–2004
Introduction by Jeet Heer

Moving Targets Selected Critical Prose 19822004

John Metcalf

Moving Targets Selected Critical Prose 19822004:

Moving Targets Margaret Atwood, 2006 The most precious treasure of this collection is that it gives us the rich back story and diverse range of influences on Margaret Atwood's work From the aunts who encouraged her nascent writing career to the influence of George Orwell's *Nineteen Eighty Four* on *The Handmaid's Tale* we trace the movement of Atwood's fertile and curious mind in action over the years Atwood's controversial political pieces *Napoleon's Two Biggest Mistakes* and *Letter to America* both not so veiled warnings about the repercussions of the war in Iraq also appear alongside pieces that exhibit her active concern for the environment the North and the future of the human race Atwood also writes about her peers John Updike Marina Warner Italo Calvino Marian Engel Toni Morrison Angela Carter Gabriel Garcia Marquez Mordecai Richler Elmore Leonard and Ursula Le Guin This is a landmark volume from a major writer whose worldwide readership is in the millions and whose work has influenced and entertained generations *Moving Targets* is the companion volume to *Second Words* *Comparative North American Studies* Reingard M. Nischik, 2016-04-29 Merging selected approaches to

Comparative North American Studies with detailed textual analyses this book studies works of writers as diverse as Ernest Hemingway Joyce Carol Oates Tim O'Brien and Margaret Atwood Topics include comparative approaches to the North American modernist short story narratives of the Canada US border and North American reviews of Atwood's novels **In Other Worlds** Margaret Atwood, 2011-10-11 A marvelous collection of wide ranging essays from the bestselling author of *The Handmaid's Tale* and *The Testaments* exploring her lifelong relationship to science fiction as a reader and as a writer The ebook edition of this title contains over thirty additional illuminating ebook exclusive illustrations by the author At a time when the borders between genres are increasingly porous she maps the fertile crosscurrents of speculative and science fiction utopias dystopias slipstream and fantasy musing on the age old human impulse to imagine new worlds She shares the evolution of her personal fascination with SF from her childhood invention of a race of flying superhero rabbits to her graduate study of its Victorian antecedents to the creation of her own acclaimed novels Studded with appreciations of such influential writers as Marge Piercy Ursula K LeGuin Kazuo Ishiguro H Rider Haggard Aldous Huxley H G Wells and Jonathan Swift *In Other Worlds* is as humorous and charming as it is insightful and provocative *Power Politics* Margaret

Atwood, 1996 Margaret Atwood's *Power Politics* first appeared in 1971 startling its audience with its vital dance of woman and man Thirty years later it still startles and is just as iconoclastic as ever These poems occupy all at once the intimate the political and the mythic Here Atwood makes us realize that we may think our own personal dichotomies are unique but really they are multiple universal Clear direct wry unrelenting Atwood's poetic powers are honed to perfection in this important early work **Margaret Atwood and Social Justice** Theodore F. Sheckels, 2022-11-25 Margaret Atwood and Social Justice eventually presents a loose ideology evident in the author's major works of prose fiction It insists however that Atwood is a writer not an ideologue and that therefore this ideology evolves over her career always secondary to her presenting stories

and characters and through them ideas Throughout her career Atwood has been concerned about the social injustice experienced by women After expressing concern for the plight of the environment in *Surfacing* and workers in *Life Before Man* Atwood turned quite political in *Bodily Harm* and *The Handmaid's Tale* blending her concern for justice for women with criticism of present day Third World and future right wing governments Atwood then turned inward looking at how those denied justice often do the same to others and turned to history looking at injustice tied to social class She later brought many of her concerns together in *The Blind Assassin* and especially the three books that comprise the *MaddAddam* trilogy Later works such as *The Heart Goes Last* *Hag Seed* and *The Testaments* add to the picture most fully articulated in *The Blind Assassin* which looks back at the 1930s and the *MaddAddam* books which look ahead to a future marked by global warming corporate oppression and pandemic As argued here these later books strengthen her indictment of corporations which oppress for the sake of profit and offer her most straightforward recognition that race plays a major role in whether social justice is served or not

Payback Margaret Atwood, 2008 Explores debt as a central historical component of religion literature and societal structure while examining the idea of humanity's debt to the natural world

Re-exploring Canadian Space Jeanette M. L. den Toonder, Bettina van Hoven, 2012 A variety of productions and representations of Canadian identities are the central theme that runs through this book The different contributions explore imagined spaces by considering Canadian music poetry and novels they engage with political space by addressing various ways in which the people of Canada have made claims to different regions in the distant and recent past and they address lived spaces and their actual and symbolic meanings It is an unusual book as it encompasses the writings by those studying the arts and literature as well as writings by social scientists and it includes both English and French speaking scholars The richness that can be found in this multitude of perspectives and approaches to exploring Canadian space is characteristic of the way in which Canadian Studies is practiced nowadays It is therefore an appropriate volume to celebrate 20 years of Canadian Studies in the Netherlands

Old Babes in the Wood Margaret Atwood, 2023-03-07 NATIONAL BESTSELLER From the bestselling award winning author of *The Handmaid's Tale* and *The Testaments* a dazzling collection of short stories that look deeply into the heart of family relationships marriage loss and memory and what it means to spend a life together If you consider yourself an Atwood fan and have only read her novels Get your act together You've been missing out The New York Times Book Review Rebecca Makkai best selling author of *The Great Believers* Margaret Atwood has established herself as one of the most visionary and canonical authors in the world This collection of fifteen extraordinary stories some of which have appeared in *The New Yorker* and *The New York Times Magazine* explore the full warp and weft of experience speaking to our unique times with Atwood's characteristic insight wit and intellect The two intrepid sisters of the title story grapple with loss and memory on a perfect summer evening *Impatient* *Griselda* explores alienation and miscommunication with a fresh twist on a folkloric classic and *My Evil Mother* touches on the fantastical examining a mother daughter relationship in which the

mother purports to be a witch At the heart of the collection are seven extraordinary stories that follow a married couple across the decades the moments big and small that make up a long life of uncommon love and what comes after Returning to short fiction for the first time since her 2014 collection *Stone Mattress* Atwood showcases both her creativity and her humanity in these remarkable tales which by turns delight illuminate and quietly devastate *Engendering Genre* Reingard M. Nischik, 2010-10-27 Winner of the 2010 Margaret Atwood Society Best Book Prize In *Engendering Genre* renowned Margaret Atwood scholar Reingard M Nischik analyzes the relationship between gender and genre in Atwood's works She approaches Atwood's oeuvre by genre poetry short fiction novels criticism comics and film and examines them individually She explores how Atwood has developed her genres to be gender sensitive in both content and form and argues that gender and genre are inherently complicit in Atwood's work they converge to critique the gender biased designs of traditional genres This combination of gender and genre results in the recognizable Atwoodian style that shakes and extends the boundaries of conventional genres and explores them in new ways The book includes the first in depth treatment of Atwood's cartoon art as well as the first survey of her involvement with film and concludes with an interview with Margaret Atwood on her career From Survival woman to Literary Icon **The Handmaid's Tale** Margaret Atwood, 1986-02-17 Now a Hulu series starring Elizabeth Moss *The Handmaid's Tale* is an instant classic and eerily prescient cultural phenomenon from the patron saint of feminist dystopian fiction New York Times *The Handmaid's Tale* is a novel of such power that the reader will be unable to forget its images and its forecast Set in the near future it describes life in what was once the United States and is now called the Republic of Gilead a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to and going beyond the repressive intolerance of the original Puritans The regime takes the Book of Genesis absolutely at its word with bizarre consequences for the women and men in its population The story is told through the eyes of Offred one of the unfortunate Handmaids under the new social order In condensed but eloquent prose by turns cool eyed tender despairing passionate and wry she reveals to us the dark corners behind the establishment's calm facade as certain tendencies now in existence are carried to their logical conclusions *The Handmaid's Tale* is funny unexpected horrifying and altogether convincing It is at once scathing satire dire warning and a tour de force It is Margaret Atwood at her best

Cat's Eye Margaret Atwood, 2011-09-06 *Cat's Eye* is the story of Elaine Risley a controversial painter who returns to Toronto the city of her youth for a retrospective of her art Engulfed by vivid images of the past she reminisces about a trio of girls who initiated her into the fierce politics of childhood and its secret world of friendship longing and betrayal By turns disquieting humorous compassionate haunting and mordant *Cat's Eye* is vintage Atwood *Burning Questions* Margaret Atwood, 2022-03-01 In this brilliant selection of essays the award winning best selling author of *The Handmaid's Tale* and *The Testaments* offers her funny erudite endlessly curious and uncannily prescient take on everything from whether or not *The Handmaid's Tale* is a dystopia to the importance of how to define granola and seeks answers to *Burning Questions* such as

Why do people everywhere in all cultures tell stories Including thoughts on the writing of *The Handmaid's Tale* *The Testaments* *Oryx* *Crake* and Atwood's other beloved works How much of yourself can you give away without evaporating How can we live on our planet Is it true And is it fair What do zombies have to do with authoritarianism In more than fifty pieces Atwood aims her prodigious intellect and impish humor at the world and reports back to us on what she finds This roller coaster period brought the end of history a financial crash the rise of Trump and a pandemic From when to dispense advice to the young answer only when asked to Atwood's views on the climate crisis we have no better guide to the many and varied mysteries of our universe

The Canadian Short Story John Metcalf, 2018-09-25 No other person has done more to celebrate and encourage the short story in Canada than John Metcalf For more than five decades he has worked tirelessly as editor anthologist writer critic and teacher to help shape our understanding of the form and what it can do The long time editor of the yearly *Best Canadian Stories* anthology as well as a fiction editor at some of the pre eminent literary presses in the country for more than forty years he has worked to support and champion several generations of our best writers Literature in Canada would be far less without his efforts Sifting through a lifetime of reading writing and thinking about the short story in this country and where it fits within the larger currents of world literature Metcalf's magisterial *The Canadian Short Story* offers the most authoritative book on the subject to date Most importantly it includes an expanded and reconsidered *Century List* Metcalf's critical guide to the best Canadian short story collections of the last 100 years But more than a critical book *The Canadian Short Story* is a love letter to the form a passionate defense of the best of our literature and a championing of those books and writers most often overlooked It is a guide not only to what to read but also one its author's most fervent desire which aims to make better readers of us all

Dancing Girls and Other Stories Margaret Atwood, 2010-12-17

Dancing Girls is Margaret Atwood's highly praised first collection of short fiction In it she explores the dark intricacies of the mind the complexities of human relationships and the clashes between cultures In the stories the mundane and the bizarre intersect in unexpected ways ex wives indulge in an odd feast at a psychiatrist's funeral a young student is pursued by an obsessed immigrant an old woman stores up supplies against an impending cataclysm The fourteen stories range in setting from Canada to England from Mexico to the United States and portray characters who touch us and arouse in us compassion and understanding In this astonishing collection Margaret Atwood maps human motivation we scarcely know we have

Paper Boat Margaret Atwood, 2024-10-08 One of the *Toronto Star*'s 25 books to read this season One of Indigo's Most Anticipated Books and Top 100 Books of 2024 An extraordinary career spanning collection from one of the most revered poets and storytellers of our age Tracing the legacy of Margaret Atwood a writer who has fundamentally shaped the contemporary literary landscapes *Paper Boat* New and Selected Poems 1961-2023 assembles Atwood's most vital poems in one essential volume In pieces that are at once brilliant beautiful and hyper imagined Atwood gives voice to remarkably drawn characters mythological figures animals and everyday people all of whom have something to say about what it means

to live in a world as strange as our own How can one live with such a heart Atwood asks casting her singular spell upon the reader and ferrying us through life death and whatever comes next Atwood in her journey through poetry illuminates our most innate joys and sorrows desires and fears Spanning six decades of work from her earliest beginnings to brand new poems this volume charts the evolution of one of our most iconic and necessary authors The Educated Imagination Northrop Frye,1997-03-01 What good is the study of literature Does it help us think more clearly or feel more sensitively or live a better life than we could without it Written in the relaxed and frequently humorous style of his public lectures this remains of Northrop Frye s many books perhaps the easiest introduction to his theories of literature and literary education

The Cambridge Companion to Margaret Atwood Coral Ann Howells,2021-04-01 The field of Margaret Atwood studies like her own work is in constant evolution This second edition of The Cambridge Companion to Margaret Atwood provides substantial reconceptualization of Atwood s writing in multiple genres that has spanned six decades with particular focus on developments since 2000 Exploring Atwood in our contemporary context this edition discusses the relationship between her Canadian identity and her role as an international literary celebrity and spokesperson on global issues ranging from environmentalism to women s rights to digital technology As well as providing novel insights into Atwood s recent dystopias and classic texts this edition highlights a significant dimension in the reception of Atwood s work with new material on the striking Hulu and MGM television adaptation of The Handmaid s Tale This up to date volume illuminates new directions in Atwood s career and introduces students scholars and general readers alike to the ever expanding dimensions of her literary art Transformed States Martin Halliwell,2024-11-15 Transformed States offers a timely history of the politics ethics medical applications and cultural representations of the biotechnological revolution from the Human Genome Project to the COVID 19 pandemic In exploring the entanglements of mental and physical health in an age of biotechnology it views the post Cold War 1990s as the horizon for understanding the intersection of technoscience and culture in the early twenty first century The book draws on original research spanning the presidencies of George H W Bush and Joe Biden to show how the politics of science and technology shape the medical uses of biotechnology Some of these technologies reveal fierce ideological conflicts in the arenas of cloning reproduction artificial intelligence longevity gender affirmation vaccination and environmental health Interweaving politics and culture the book illustrates how these health issues are reflected in and challenged by literary and cinematic texts from Oryx and Crake to Annihilation and from Gattaca to Avatar By assessing the complex relationship between federal politics and the biomedical industry Transformed States develops an ecological approach to public health that moves beyond tensions between state governance and private enterprise To that end Martin Halliwell analyzes thirty years that radically transformed American science medicine and policy positioning biotechnology in dialogue with fears and fantasies about an emerging future in which health is ever more contested Along with the two earlier books Therapeutic Revolutions 2013 and Voices of Mental Health 2017 Transformed States is the final volume of a landmark

cultural and intellectual history of mental health in the United States journeying from the combat zones of World War II to the global emergency of COVID 19 **The Fiction of Margaret Atwood** Fiona Tolan, 2022-09-22 Winner of the 2023 Atwood Society Award for Best Book on Atwood and Her Work Margaret Atwood is one of the most significant writers working today Her writing spans seven decades is phenomenally diverse and ambitious and has amassed an enormous body of literary criticism In this invaluable guide Fiona Tolan provides a clear and comprehensive overview of evolving critical approaches to Atwood s work Addressing all of the author s key texts the book deftly guides the reader through the most characteristic influential and insightful critical readings of the last fifty years It highlights recurring themes in Atwood s work such as gender feminism power and violence fairy tale and the gothic environmental destruction and dystopian futures This is an indispensable companion for anyone interested in reading and writing about Margaret Atwood Margaret Atwood J. Brooks Bouson, 2010-01-01
