Moving to Alaska is a novel which is told by the hero of the novel Ritchie Jenkins the Younger in moments of reminiscing his travels with his father to Alaska and then alone back to Vermont. Thereafter there are repeated travels back and forth between Vermont and Alaska. The Alaskan territory is differently expressed by Ritchie Jenkins the Younger than by his father Ritchie Jenkins the Elder who has an intense love of the land. The focus is initially on Ritchie Jenkins the Younger's total dislike of Alaska and gradually his liking of the land until he is completely in love with it. Acknowledgment is given to bookstores or book selling establishments those in Juneau and in Anchorage Alaska and in Carcross Yukon Territory and to the people met along the author's research during her four separate trips to Alaska. From A History of the Mishnaic Law of Appointed Times Part 1. This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments, Ancient History, the ancient Near East and the history of religion. In two volumes, leading American Israeli and European specialists in the history, literature, theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise. The first is what are the sources written and in material culture that inform us about that religion. The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity. The chapters set forth in simple statements intelligible to non-specialists the facts which the sources provide. Because of the nature of the subject and acute interest in it, the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times. The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship.
