African patronage in the 1980s and to Renamo's evolution as a self-sufficient insurgency the forces of Mozambican nationalism became inexorably intertwined with the geopolitics of the region and the international manifestations of the Cold War. Thus both government and rebel forces found themselves repeatedly beholden to external interests be it American Soviet Cuban South African or Rhodesian as each sought to advance its own agenda and future vision of the country. However it would be Mozambicans themselves who spilled their blood in a clash of men and arms that spanned the length and breadth of the country and ultimately this is their story of sacrifice and triumph. Melson, 2021-02-05 This military study examines the evolution of the Rhodesian armed services during the complex conflicts of the Cold War era. Through the 1960s and 1970s Africa endured a series of conflicts involving Rhodesia South Africa and Portugal in conflict with the Frontline States. The Cold War brought outside influences including American interest at the diplomatic economic and social level. In *Fighting for Time* military historian Charles D. Melson sheds new light on this complex and consequential period through analysis of the Rhodesian military. Drawing on a wealth of primary sources Melson examines the Rhodesian military's evolution into a special operations force conducting intelligence driven operations. Along the way he identifies key lessons to be learned from this low intensity conflict at the level of tactics techniques and procedures. Melson looks closely at the military response to the emerging revolutionary threat and the development of general and special purpose units. He addresses the critical use of airpower as a force multiplier supporting civil police and army efforts ranging from internal security and border control to internal and external combat operations the necessity of full time joint command structures and the escalation of cross border attacks and unconventional responses as the conflict evolved Commerce Yearbook United States.
