Mozart And Vienna:

Mozart and Vienna Howard Chandler Robbins Landon, 1991 As 1991 is the bicentenary of the death of Wolfgang Amadeus Mozart worldwide attention will be focused on the composer and his music Author H C Robbins Landon presents a dazzling portrait of 18th century Vienna and Mozart with a unique look at the crucial years when Mozart struggled to transform himself from a precocious boy to the creative genius he was to become *Mozart in Vienna* Simon P. Keefe, 2017-09-21 Comprehensive and engaging exploration of Mozart's greatest works focussing on his dual roles as performer and composer in Vienna *Mozart in Vienna, 1781-1791* Volkmar Braunbehrens, 1991 *Wolfgang Amadè Mozart* Stanley Sadie, 1996 This volume is a collection based on the Royal Musical Association's Mozart Conference of 1991 the principal scholarly event in the English speaking world in commemoration of the bicentenary It includes essays placing Mozart in the context in Salzburg and Vienna in which he worked explaining aspects of his life and work hitherto obscure essays interpreting his instrumental music and a substantial series of studies on different aspects of his operas from *Lucio Silla* to *La clemenza di Tito* with particular stress on the creative processes in the Da Ponte operas *Mozart in Vienna* Volkmar Braunbehrens, 1991 *The Italian Opera Singers in Mozart's Vienna* Dorothea Link, 2022-11-22 Dorothea Link examines singers voices and casting practices in late eighteenth century Italian opera as exemplified in Vienna's court opera from 1783 to 1791 The investigation into the singers voices proceeds on two levels understanding the performers in terms of the vocal dramatic categories employed in opera at the time and creating vocal profiles for the principal singers from the music composed expressly for them In addition Link contextualizes the singers within the company in order to expose the court opera's casting practices Authoritative and insightful *The Italian Opera Singers in Mozart's Vienna* offers a singular look at a musical milieu and a key to addressing the performance practice problem of how to cast the Mozart roles today *The Mozart Family* Ruth Halliwell, 1998 Mozart's family has never received the kind of attention that does justice to the complexity of its relationships or its interactions with colleagues friends and neighbors in Mozart's native Salzburg And most biographies of the great composer have neglected the many passages in the rich Mozart family correspondence that do not bear directly on him This book turns a bright light on this neglected material most of which has never before been translated into English to provide a fascinating look at Mozart's parents Leopold and Maria Anna and sister Nannerl Challenging most previous views of the individuals in Mozart's family and the relationships within it Halliwell introduces a wealth of characters from the family's circle in Salzburg from chambermaids to princes and relates the gossip stories the family told to their larger outlook on the world She also draws on the neglected papers of the Berchtold family into which Nannerl married and other rare archival material to provide a sympathetic account of the hopes fears and expectations of the family within their social context An important final section traces the role of Nannerl and Mozart's wife Constanze in using controlling and handing on the biographical source material after Mozart's death addressing the question of how myths surrounding his life

and death became so prevalent so early *Vienna Uncovered: A Journey Through Mozart's City* Pasquale De Marco, 2025-08-11 In the heart of Europe lies Vienna a city of unparalleled beauty rich history and vibrant culture From the grand palaces and elegant gardens to the bustling streets and charming coffeehouses Vienna captivates visitors with its timeless allure This comprehensive guidebook takes you on a journey through Vienna unveiling its hidden gems and revealing the stories behind its iconic landmarks Step into the world of Wolfgang Amadeus Mozart Vienna s most celebrated musical genius Explore the places where he lived worked and composed his immortal masterpieces Visit the Hofburg Palace where Mozart performed for Emperor Joseph II and the Vienna State Opera where his operas continue to enthrall audiences to this day Discover the secrets of Mozart s creative process and gain a deeper appreciation for his musical legacy Vienna s cultural heritage extends far beyond music Delve into the city s art museums and galleries where you ll find works by Gustav Klimt Egon Schiele and other artistic luminaries Wander through the Imperial Library a treasure trove of knowledge and history and visit the Kunsthistorisches Museum home to one of the world s most impressive art collections Explore the city s architectural wonders from the Gothic spires of St Stephen s Cathedral to the opulent Sch nbrunn Palace Vienna s culinary scene is equally enticing with traditional Viennese dishes like Wiener Schnitzel and Tafelspitz tantalizing taste buds Indulge in delectable pastries and engage in lively conversations at the city s renowned coffeehouses The aromas of freshly brewed coffee and the sounds of classical music create an ambiance that is uniquely Viennese From the grand boulevards of the Ringstrasse to the hidden courtyards of the old city Vienna offers a kaleidoscope of architectural wonders Admire the Gothic spires of St Stephen s Cathedral the opulent Sch nbrunn Palace and the whimsical Hundertwasserhaus Each building tells a story of Vienna s past reflecting the city s evolution from a medieval trading town to a global cultural capital Vienna Uncovered A Journey Through Mozart s City is an essential guide for anyone seeking to experience the magic of Vienna With its captivating blend of history culture and music Vienna promises an unforgettable journey that will leave you spellbound If you like this book write a review Mozart Simon P. Morality and Viennese Opera in the Age of Mozart and Beethoven Martin Nedbal,2016-09-13 This book explores how the Enlightenment aesthetics of theater as a moral institution influenced cultural politics and operatic developments in Vienna between the mid eighteenth and early nineteenth centuries Moralistic viewpoints were particularly important in eighteenth century debates about German national theater In Vienna the idea that vernacular theater should cultivate the moral sensibilities of its German speaking audiences became prominent during the reign of Empress Maria Theresa when advocates of German plays and operas attempted to deflect the imperial government from supporting exclusively French and Italian theatrical performances Morality continued to be a dominant aspect of Viennese operatic culture in the following decades as critics state officials librettists and composers including Gluck Mozart and Beethoven attempted to establish and define German national opera Viennese concepts of operatic didacticism and national identity in theater further transformed in response to the crisis of Emperor Joseph II s reform movement the revolutionary ideas spreading from France and the war efforts in facing Napoleonic aggression The imperial government promoted good morals in theatrical performances through the institution of theater censorship and German opera authors cultivated intensely didactic works such as Die Zauberflöte and Fidelio that eventually became the cornerstones for later developments of German culture
