Bauld, 2005 This wonderful debut novel follows the life of the forgotten sister of a genius Nannerl Mozart's life is viewed through marriage children widowhood and death in conversations with her nephew Franz Xaver Mozart's younger son Interwoven is a fictional account of what may have actually happened

Mozart's Requiem Christoph Wolff, 1994 When was the score of the Requiem completed is a question that everyone has asked but Wolff goes on to ask Where do the technical and stylistic premises for the Requiem lie and to what extent could these be taken into account after Mozart's death This question is rich in implications central to the uniqueness of the work and virtually undiscussed in the Mozart literature Thomas Bauman co author of Mozart's Operas

Mozart's Death William Stafford, 1991-10-23 There is a macabre fascination in the spectacle of one so brilliant dying so young in such tragic circumstances Was Mozart poisoned Was he irresponsible and childish dying from debauchery and dissipation Did his wife contribute to his downfall Was he driven to destruction by being ostracised as a rebel Did his genius render him incapable of normal human contact and worldly prudence Did he die because he had accomplished his mission as an artist and burnt himself out Was he the victim of a run of bad luck From 1791 to the present such stories have flourished this book examines their development and the evidence for them

The Life of Mozart Edward Holmes, 1854

Mozart's Letters, Mozart's Life Robert Spaethling, 2005-12-17 A wonderful collection that gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart's honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart's Letters Mozart's Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart's atrocious spelling and tempered his foul language Robert Spaethling's new translations are lively and racy and do justice to Mozart's restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine
