Between Dream Houses and "God's Own Junkyard": Architecture and the Built Environment in American Suburban Fiction Stefanie Strebel,2021-06-28 The American suburb is a space dominated by architectural mass production sprawl as well as a monotonous aesthetic eclecticism and many critics argue that it has developed from a postwar utopia into a disorienting environment with which it is difficult to identify The typical suburb has come to display characteristics of an atopia that is a space without borders or even a non place a generic space of transience Dealing with the representation of architecture and the built environment in suburban literature and film from the 1920s until present this study demonstrates that in its fictional representations too suburbia has largely turned into a place of non architecture A lack of architectural ethos and an abundance of Junkspace define suburban narratives causing an increasing sense of disorientation and entropy in fictional characters

Building Suburbia Dolores Hayden,2009-11-04 A lively and provocative history of the contested landscapes where the majority of Americans now live From rustic cottages reached by

steamboat to big box stores at the exit ramps of eight lane highways Dolores Hayden defines seven eras of suburban development since 1820 An urban historian and architect she portrays housewives and politicians as well as designers and builders making the decisions that have generated America s diverse suburbs Residents have sought home nature and community in suburbia Developers have cherished different dreams seeking profit from economies of scale and increased suburban densities while lobbying local and federal government to reduce the risk of real estate speculation Encompassing environmental controversies as well as the complexities of race gender and class Hayden s fascinating account will forever alter how we think about the communities we build and inhabit

Objects, Audiences, and Literatures Carma Gorman,David Raizman,2009-03-26 In *Objects Audiences and Literatures* Alternative Narratives in the History of Design five art historians tap a variety of unexpected literary sources to reveal the dynamic relationship between intention and reception in architecture interior design costume and the decorative arts The essays consider both handcrafted and serially produced objects from the eighteenth to the mid twentieth centuries including a japanned high chest from colonial Boston German and Austrian Artistic Dress Tiffany lamps the architecture of the 1925 Exposition Internationale des Arts D coratifs et Industriels in Paris and the dream homes portrayed in two popular postwar American films The five chapters demonstrate that a complex and even contradictory mixture of stakeholders determines the meanings of designed objects Each author examines popular forms of literature in order to reveal the preconceptions that viewers brought with them to the experience of looking at and using objects The authors attentiveness to viewers class and gender provides a methodological model for approaching the study of reception within the field of design history *Objects Audiences and Literatures* introduces a new generation of historians of design and decorative arts with five superb case studies Looking beyond the laconic historical data that has formed the backbone of scholarship in

this field these authors plumb popular culture films advertisements and especially novels to understand contemporaneous meanings of objects Using these polyglot sources with an eye particularly on narrative and gender they suss out heretofore unnoticed dissonances between the prescriptive pronouncements of avant garde insiders and the reception that design innovation found in broader publics These wide ranging essays are marked by imagination exuberance and acuity I look forward to using it in my teaching Margaretta M Lovell University of California Berkeley This is a welcome addition to the literature that addresses the growing scholarly and popular interest in design and design history Drawing on an impressive array of examples the authors explore how class gender and cultural context shaped the reception of architecture interior design costume and the decorative arts at various moments in the modern era The collection is noteworthy for the way each of the contributors draws upon literary sources for insights into design and material culture that transcend the specific examples under review Models of methodological rigor these essays should appeal to scholars in multiple disciplines Dennis P Doordan University of Notre Dame

Connecticut in the Movies Illeana Douglas, 2023-10-03 Illeana Douglas has long been known for shining new light on forgotten films Now the celebrated actress and film historian turns her focus to a heretofore unrecognized brand the Connecticut movie Told from the passionate perspective of the author who grew up here and filled with behind the scenes stories as well as her own personal snapshots of the places where these films were made Illeana takes the reader on a cinematic road trip through Hollywood history and Connecticut geography bringing the breezy intimate knowledgeable writing style acclaimed by reviewers of her first book I Blame Dennis Hopper 2015 Illeana defines how the perception of on screen Connecticut originally created in Hollywood has shifted more than that of any other New England state over the decade and offers some surprising conclusions about just what it means to be a Connecticut movie Films from Hollywood's Golden Age such as Theodora Goes Wild Bringing Up Baby and Christmas in Connecticut presented Connecticut as an antidote to the metropolis a place where you could find your true self The slogan Come to Peaceful Connecticut not only led to Mr Blandings Builds His Dream House but to an exodus of urban moviegoers seeking their dream houses In post war America Gentleman's Agreement challenged Connecticut's well cultivated image as did the suburban malaise of The Man in the Grey Flannel Suit and contemporary takes on dark suburbia like The Swimmer The Ice Storm and Revolutionary Road From Sherlock Holmes to Mystic Pizza to Indiana Jones and the Kingdom of the Crystal Skull from horror in The Stepford Wives to historical in Amistad picturesque in Parrish to perverse in The Secret Life of An American Wife the Constitution State has been the background for surprisingly over 200 feature films yet these cinematic contributions have long gone unrecognized until now Connecticut in the Movies is not only a keepsake for denizens of the state but a valuable resource for film buffs everywhere
