Mr Bradleys Day Of Surprises:

Godey's Lady's Book, 1836 Includes music **The Ladies' Repository**, 1869 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900 **Niles' Weekly Register**, 1830 Containing political historical geographical scientific statistical economical and biographical documents essays and facts together with notices of the arts and manu factures and a record of the events of the times *The Life of Henry Bradley Plant* G. Hutchinson Hutchinson Smyth, 2017-06-24 If it be asked why another biography is added to the almost endless number now in our bookstores and libraries an answer is found in the countless distinctions of individual character and in the varied experiences which come to men in different walks of life The botanist says that of all leaves in the forests of the world no two can be found alike in every particular The phrenologist says the same of the various forms of the human head and the psychologist affirms it of the intellects and dispositions of men and women Hence each life has its own peculiar experience to record for the pleasure or profit of others Biography is the most universally interesting and instructive branch of literature hence the power of the novel and drama which are merely biographies pictured and acted before us A study of history shows that the nations great movements are the work of individual men and women In illustration of this fact it is needful to mention such iv names only as Abraham Joseph Esther Joan of Arc Napoleon and Washington The commercial and industrial occupations from which a nation now derives its strength should be honored as truly as the military exploit or the scientific achievement The record of a noble life which in its sphere of quiet duty has accomplished much for the good of others is a lesson in patriotism and a legacy to posterity The best period of the history of the Cotton States could only be written by taking into account the share which the subject of this biography has had in their development It is rare to find a man who has had dealings with so many of his fellows and who at the same time has won the esteem and affection of his associates and employ s as has Henry Bradley Plant in every department of his great railroad system **The Wide World Magazine**, 1907 Special Senate

Committee on Merchant Marine and Fisheries,1947 **Yours Turly, Shirley** Ann M. Martin,2014-04-22 Surviving fourth grade isn't going to be easy for Shirley but the thought of repeating it with her younger sister is too much to bear Shirley Basini is dreading fourth grade if she doesn't do well this year she'll be held back Having dyslexia is tough but having a brilliant older brother makes it even worse When Shirley's parents adopt a young girl from Vietnam she's excited to have someone whom for once she can teach some things But her new sister is actually quite adept at English and winds up in the advanced third grade class Shirley can't face the prospect of repeating fourth grade this time with her adopted sister who might even perform better than she does Shirley has only one talent that might prove she's not dumb but does she have the will to let it shine This ebook features an illustrated personal history of Ann M Martin including rare images from the author's collection **Cobbett's Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Present Time** ,1810 A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Year 1783 Thomas Bayly Howell,1816 *All nations [afterw.] The Missionary review of all nations.* Ed. by J.
