Mr Lincolns Camera Man Mathew B Brady:

Mr. Lincoln's Camera Man, Mathew B. Brady Roy Meredith, 1974-01-01 This book tells of Mathew B Brady a Civil War photographer with over 300 reproductions of his work *Mr. Lincoln's Camera Man* Roy Meredith, 1974-06-01 *Mr. Lincoln's General, U.S. Grant* Roy Meredith, 2017-01-12 Unmissable biography of General Ulysses S Grant edited and arranged by Roy Meredith drawing mostly on material from General Grant's personal memoirs and richly illustrated throughout with more than 300 illustrations GENERAL ULYSSES SIMPSON GRANT like Sherman Sheridan McPherson Porter Farragut and a few others was one of that small but excellent school of military and naval officers who made up the hard core of the Army and Navy during the Civil War Their firm practical grasp of their calling set them distinctly apart from the wire pullers glory seekers incompetents and self seeking political generals who having little or no military talent resorted to cupidity bluff and undercover politics to further their personal ambitions Charles Anderson Dana Assistant Secretary of War in Mr Lincoln's Cabinet took particular notice of this when he visited General Grant's headquarters sometime after the Battle of Shiloh He mentioned the names of three remarkable men whose lack of guile and of jealousy and whose devotion to duty above personal ambition made a great impression on his mind Grant Sherman and McPherson in their unpretending simplicity he wrote were alike as three peas In contrast to today's popular conception of General Grant as soldier and President is the simple fact that General Grant was indeed one of America's greatest soldiers a punctilious gentleman of scrupulous honesty and quiet and profound ability **A. Lincoln** Ronald C. White, 2009-01-13 If you read one book about Lincoln make it *A Lincoln* USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post The Philadelphia Inquirer The Christian Science Monitor St Louis Post Dispatch NEW YORK TIMES BESTSELLER WINNER OF THE CHRISTOPHER AWARD Everyone wants to define the man who signed his name A Lincoln In his lifetime and ever since friend and foe have taken it upon themselves to characterize Lincoln according to their own label or libel In this magnificent book Ronald C White Jr offers a fresh and compelling definition of Lincoln as a man of integrity what today's commentators would call authenticity whose moral compass holds the key to understanding his life Through meticulous research of the newly completed Lincoln Legal Papers as well as of recently discovered letters and photographs White provides a portrait of Lincoln's personal political and moral evolution White shows us Lincoln as a man who would leave a trail of thoughts in his wake jotting ideas on scraps of paper and filing them in his top hat or the bottom drawer of his desk a country lawyer who asked questions in order to figure out his own thinking on an issue as much as to argue the case a hands on commander in chief who as soldiers and sailors watched in amazement commandeered a boat and ordered an attack on Confederate shore batteries at the tip of the Virginia peninsula a man who struggled with the immorality of slavery and as president acted publicly and privately to outlaw it forever and finally a president involved in a religious odyssey who wrote for his own eyes only a profound meditation on the will of God in the Civil War that would become the basis of his finest address Most

enlightening the Abraham Lincoln who comes into focus in this stellar narrative is a person of intellectual curiosity comfortable with ambiguity unafraid to think anew and act anew A transcendent sweeping passionately written biography that greatly expands our knowledge and understanding of its subject A Lincoln will engage a whole new generation of Americans It is poised to shed a profound light on our greatest president just as America commemorates the bicentennial of his birth The New York Times Book Review ,1987-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback Lincoln Herald ,1984 **Collecting Lincoln** Stuart L. Reference Dept,1961 Mathew Brady Stuart Murray,2009-01-09 Introduces the life and career of the Civil War photographer The New York Times Book Review Index, 1896-1970: Title index ,1973 **William Howard Russell's Civil War** William Howard Russell,2008-09-01 Having won renown in the 1850s for his vivid warfront dispatches from the Crimea William Howard Russell was the most celebrated foreign journalist in America during the first year of the Civil War As a special correspondent for The Times of London Russell was charged with explaining the American crisis to a British audience but his reports also had great impact in America They so alienated both sides North and South that Russell was forced to return to England prematurely in April 1862 My Diary North and South 1863 Russell s published account of his visit remains a classic of Civil War literature It was not in fact a diary but a narrative reconstruction of the author s journeys and observations based on his private notebooks and published dispatches Despite his severe criticisms of American society and conduct Russell offered in that work generally sympathetic characterizations of the Northern and Southern leadership during the war In this new volume Martin Crawford brings together the journalist s original diary and a selection of his private correspondence to resurrect the fully uninhibited Russell and to provide accordingly a true documentary record of this important visitor s first impressions of America during the early months of its greatest crisis Over the course of his visit Russell traveled widely throughout the Union and the new Confederacy meeting political and social leaders on both sides Included here are spontaneous and often unflattering comments on such prominent figures as William H Seward Jefferson Davis Mary Todd Lincoln and George B McClellan as well as quick sketches of New York Washington New Orleans and other cities Also revealed for the first time are the anxiety and despair that Russell experienced during his visit a state induced by his own self doubt by concern over the health and situation of his wife in England and finally by the bitter criticism he received in America over his reports especially his famous description of the Union retreat from Bull Run in July 1861 A sometimes vain and pompous figure Russell also emerges here as an individual of exceptional tenacity a man who abhorred slavery and remained convinced of the essential rectitude of the Northern cause

even as he criticized Northern leaders their lack of preparedness for war and the apparent disunity of the Northern population In calmer times Crawford notes Russell s independent qualities might have brought him admiration but in the turbulent climate of Civil War America they succeeded only in arousing deep suspicion **Heute** ,1947 **Stone Tapestry** Robert Holcomb,2025-04-28 18 Medal of Honor recipients are buried at the West Point Cemetery along with many of the most influential officers in US Military including Winfield Scott George Custer James Gavin and William Westmoreland
