Mr Magoo:

Mr. Magoo Is My Role Model Roy Mendelsohn, 2005-05 Mister Magoo has always appealed to me His blindness showing his naivete and inability to become oriented in a sometimes bizarre world at the same time exposes the insanities surrounding all of us It does so in a kind gentle manner clearly showing an absence of judgemental or hostile attitudes He is simply lost and confused My desire to achieve this capacity of calling attention to the injustices and unfairness all people face at one time or another with humor and equanimity is captured by this cartoon figure It is in this sense that he has become my role model **Disney's Mr. Magoo** Nancy E. Knowledge and Its Limits Timothy Williamson, 2002 Knowledge and its Limits presents a systematic new conception of knowledge as a fundamental kind of mental state sensitive to the knower's environment It makes a major contribution to the debate between externalist and internalist philosophies of mind and breaks radically with the epistemological tradition of analysing knowledge in terms of true belief The theory casts light on a wide variety of philosophical issues the problem of scepticism the nature of evidence probability and assertion the dispute between realism and anti realism and the paradox of the surprise examination Williamson relates the new conception to structural limits on knowledge which imply that what can be known never exhausts what is true The arguments are illustrated by rigorous models based on epistemic logic and probability theory The result is a new way of doing epistemology for the twenty first century What's New Mr. Magoo?
