**Funny Face!** Rich, 2011-02-28 The spud everybody loves to play with is turning 50 years old. Mr. Potato Head has delighted generations of children and now everyone can have a detailed look at the exciting history of the toy potato that has fascinated the world for half a century. This colorful book follows Mr. Potato Head from his birth in 1952 at the hands of Hassenfeld Bros. to the addition of Mrs. Potato Head and all the variations on the original including the Jumpin' Mr. Potato Head and the Toy Story version. **Funny Face!** also highlights the pop culture aspect of the popular toy including the toy premiums and other marketing items such as Mr. Potato Head Ice Pops and the Potato Head Game that sprouted from its popularity.

**Toys and American Culture** Sharon M. Scott, 2009-12-09 Tracing developments in toy making and marketing across the evolving landscape of the 20th century, this encyclopedia is a comprehensive reference guide to America's most popular playthings and the culture to which they belong. From the origins of favorite playthings to their associations with events and activities, the study of a nation's toys reveals the hopes, goals, values, and priorities of its people. Toys have influenced the science, art, and religion of the United States and have contributed to the development of business, politics, and medicine. *Toys and American Culture: An Encyclopedia* documents America's shifting cultural values as they are embedded within and transmitted by the nation's favorite playthings. Alphabetically arranged entries trace developments in toy making and toy marketing across the evolving landscape of 20th-century America. In addition to discussing the history of America's most influential toys, the book contains specific entries on the individuals, organizations, companies, and publications that gave shape to America's culture of play from 1900 to 2000. Toys from the two decades that frame the 20th century are also included as bridges to the fascinating past and the inspiring future of American toys.

*Who Was Who on TV* Norman Chance, 2010-12-22 The information herein was accumulated over fifty-some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters who played the roles and for the most part the year or years the actor or actress played that role. Also included are most of the people who created the shows: the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, "Who was the guy that played such and such a role?" Enjoy.
