Eleven Days to the Promised Land Dino Pavlou,2021-05-04 Eleven Days to the Promised Land is a timely realization of past and present times a fascinating tale of how an impoverished boy from a civil war torn and lawless country could find and appreciate tranquility love and success in America He plunges into New York City in 1952 carrying along bad memories In a new world fresh with possibilities he holds fast to his father s promise of the American Dream a dream that takes him far beyond anything he could have ever imagined But amidst the exciting rise to triumph and success tragedy strikes again and the demons of his past return in vivid color to haunt him Lost and bereft of his emotional compass the man who thought he had it all loses his spirit Is there a spark left in him to rise again I want to share my story One that s meant to bring the
