*Mr. William Shakespeare* Henrietta C. Bartlett,1923

## **MR William Shakespeare - Original and Early Editions of His Quartos and Folios, His Source Books and Those Containing Contemporary Notices** Henrietta C.

Bartlett,2007-03 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing

**William Shakespeare, Original and Early Editions of His Quartos and Folios** Henrietta Collins Bartlett, 1922 **Some account of the life of Shakespeare. Shakespeare's will. Appendix. Early editions. Dedication, &c. Commendatory verses. The tempest. The two gentlemen of Verona. The merry wives of Windsor. Measure for measure** William Shakespeare, 1868 **Mr. William Shakespeare** Henrietta C. Bartlett, 2015-07-20 Excerpt from Mr William Shakespeare

Original and Early Editions of His Quartos and Folios His Source Books and Those Containing Contemporary Notices The Exhibition of which this is the catalogue was made possible by the generosity of a number of collectors of New York and other places in the United States Their cooperation has resulted in this remarkable collection of Shakespeareana The British Museum owns the best single collection of the kind but it has not all of the books presented here nor can it bring together for a loan exhibition such a collection as this The reason is that nearly all the important collections of Shakespeare's works in England are in public institutions and cannot be lent to form one exhibition The introduction to the Census of Shakespeare's Plays in Quarto mentions the difference in ownership and location of Shakespeare's works in England and in America In England Shakespeare's works are chiefly in public collections where they may be examined by the student but may not be withdrawn for exhibition or study elsewhere In America they are chiefly in the libraries of private collectors whose generosity affords opportunities for the public like the present one Unfortunately there are in America but three public collections which contain Shakespeare's works of sufficient value to form the basis of an exhibition These are in the Boston Public Library which contains the Barton Collection in the Elizabethan Club of Yale University with its famous Huth quartos and in The New York Public Library with its Lenox Collection The Lenox Collection is the basis of this exhibition About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Mr. William Shakespeare Henrietta Collins Bartlett, 2015-09-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available

to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Four Hundred Years of Shakespeare's First Folio** Thomas Hubeart,2025-08-12 Shakespeare's First Folio has become one of the most famous books of all time but does not stand alone it followed Ben Jonson's trailblazing publication of his own *Workes* a few years earlier and was closely emulated in 1647 by the so called Beaumont and Fletcher folio In *Four Hundred Years* the story of all three folios is told including the curious afterlife of Shakespeare's with its many reproductions studies of its printing and copy Folio thefts and scholar forger J P Collier's attempt to set up a rival to its authority of his own making Also the author describes an in person encounter with an original Beaumont and Fletcher folio over three and a half centuries old and concludes with his own dramatization of how Shakespeare's Folio came to be 2      **MR WILLIAM SHAKESPEARE** Henrietta Collins 1873 Bartlett,2016-08-29      **MR**

**William Shakespeare Original and Early Editions of His Quartos and Folios His Source Books and Those Containing Contemporary Notices** Henrietta C Bartlett,2016-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Mr. William Shakespeare, Original and Early Editions of His Quartos and Folios; His Source Books and Those Containing Contemporary Notices* Henrietta C (Henrietta Col Bartlett,Oliver Baty Cunningham Memorial Publi,Elizabethan Club (Yale University),2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      Applause First Folio of Shakespeare in Modern Type William Shakespeare,2023-11-14 This landmark publication is printed in clear legible type Each play has its own

comprehensive introduction as well as extensive expert annotations Highlighted areas show where lines have been altered over time and also shows where verse has been changed to prose in the past but not here The original compositions are marked and folio clues are highlighted

Once More Unto the Speech, Dear Friends: The tragedies William Shakespeare, 2006-12 Applause Books There has been a great change in the last twenty years to actor auditions which now require the demonstration of enormous flexibility The actor is often expected to show more range than ever before and often several shorter audition speeches are asked for instead of one or two longer ones To stay at the top of his or her game the Shakespearean actor needs more knowledge of what makes the play tick especially since the early plays demand a different style from the later ones Each genre comedy history tragedy has different requirements No current monologue book deals directly with the bulk of these concerns One More unto the Speech Dear Friends now fills that gap This three volume set will help actors discover the extra details of humanity that the original folio texts automatically offer Of Shakespeare's 37 plays only Pericles is not included In the trilogy of books there are over 900 separate audition possibilities This represents about 600 more monologues than are available in any other series There are four parts to each speech A background giving context and approximate timing A modern text version The original folio version Commentary to explain the differences between the two texts including full discussion of the devices peculiar to that speech's genre the age and gender of the character and more

**Once More Unto the Speech, Dear Friends: The histories** William Shakespeare, 2006-09 Applause Books There has been a great change in the last twenty years to actor auditions which now require the demonstration of enormous flexibility The actor is often expected to show more range than ever before and often several shorter audition speeches are asked for instead of one or two longer ones To stay at the top of his or her game the Shakespearean actor needs more knowledge of what makes the play tick especially since the early plays demand a different style from the later ones Each genre comedy history tragedy has different requirements No current monologue book deals directly with the bulk of these concerns One More unto the Speech Dear Friends now fills that gap This three volume set will help actors discover the extra details of humanity that the original folio texts automatically offer Of Shakespeare's 37 plays only Pericles is not included In the trilogy of books there are over 900 separate audition possibilities This represents about 600 more monologues than are available in any other series There are four parts to each speech A background giving context and approximate timing A modern text version The original folio version Commentary to explain the differences between the two texts including full discussion of the devices peculiar to that speech's genre the age and gender of the character and more

*First Readers of Shakespeare's Sonnets, 1590-1790* Faith D. Acker, 2020-09-22 For more than four centuries cultural preferences literary values critical contexts and personal tastes have governed readers' responses to Shakespeare's sonnets Early private readers often considered these poems in light of the religious political and humanist values by which they lived Other seventeenth and eighteenth century readers such as stationers and editors balanced their personal literary preferences against the

imagined or actual interests of the literate public to whom they marketed carefully curated editions of the sonnets often successfully. Whether public or private, however, many disparate sonnet interpretations from the sonnets' first two centuries in print have been overlooked by modern sonnet scholarship with its emphasis on narrative and amorous readings of the 1609 sequence. First Readers of Shakespeare's Sonnets reintroduces many early readings of Shakespeare's sonnets, arguing that studying the priorities and interpretations of these previous readers expands the modern critical applications of these poems, thereby affording them numerous future applications. This volume draws upon book history, manuscript studies, and editorial theory to recover four lost critical approaches to the sonnets, highlighting early readers' interests in Shakespeare's classical adaptations, political applicability, religious themes, and rhetorical skill during the seventeenth and eighteenth centuries.

**The Shakespeare First Folio: A new worldwide census of first folios** Anthony James West, 2001. Existing copies of the Shakespeare First Folio 1623 were surveyed and counted a hundred years ago in Sidney Lee's Census of 1902. Since then, some seventy copies have come to light, some of which are only now identified as First Folios. This new Census lists 229 copies, giving concise descriptions of each. The entries cover condition, including the number of original leaves, items of special interest, provenance, and binding. A concordance of Lee and West numbers is also provided. To set the stage, the volume tells the story of the search for copies and the detective work involved in dealing with doubtful identifications. Because Folios survive in such a wide variety of condition, the tests for defining what to count as a copy are described, then demonstrated with three unnumbered, unrecognized copies at the Folger Shakespeare Library. Finally, details of missing copies are given to increase the likelihood of their rediscovery. *The First Quarto of Othello* William Shakespeare, 2001-08-16. This is the first modernized and edited version of the 1622 text of *Othello*. It consists of a detailed introduction, quarto text, select collation, and textual notes, and is an important book for scholars in Shakespeare and Elizabethan/Jacobean drama, with wide ramifications for other Shakespeare textual studies and for students of early theatre history.

**The First Part of Henry the Fourth** William Shakespeare, 2000-05. Applause Books. If there ever has been a groundbreaking edition that likewise returns the reader to the original Shakespeare text, it will be the Applause Folio Texts. If there has ever been an accessible version of the Folio, it is this edition, set for the first time in modern fonts. The Folio is the source of all other editions. The Folio text forces us to re-examine the assumptions and prejudices which have encumbered over four hundred years of scholarship and performance. Notes refer the reader to subsequent editorial interventions and offer the reader a multiplicity of interpretations. Notes also advise the reader on variations between Folios and Quartos. The heavy mascara of four centuries of Shakespearean glossing has, by now, glossed over the original countenance of Shakespeare's work. Never has there been a Folio available in modern reading fonts. While other complete Folio editions continue to trade simply on the facsimile appearance of the Elizabethan look, none of them is easily and practically utilized in general Shakespeare studies or performances.

**Mr. William Shakespeare's Comedies, Histories, Tragedies, & Sonnets** William Shakespeare, 1896.

Catalogue of the [first](-seventh) portion of the ... library of Thomas Jolley ... which will be sold by auction Thomas Jolley, 1843
