Mr Carlyle My Patient A Psychosomatic Biography:

Mr. Carlyle, My Patient James Lorimer Halliday, 1974 A psychosomatic biography of Thomas Carlyle Dr Halliday examines the great writer's life writings from the viewpoint of all the medical data available believes that Carlyle's chronic dyspepsia influenced his work markedly A distinguished book in modern medical psychopathology *Thomas And Jane Carlyle* Rosemary Ashton, 2012-03-31 They were the most remarkable couple in London the great sage Carlyle with his vehement prophecies and his witty sardonic wife Jane It was a strong close mutually admiring yet often mutually antagonistic partnership fascinating to all who observed it The Carlyles lived at the heart of English life in mid Victorian London but both were outsiders a largely self educated Scottish pair who took a sometimes caustic look at the society they so influenced Carlyle through his copious writings and both through their network of acquaintances and correspondents Carlyle's fame was confirmed by his Sartor Resartus of 1843 The French Revolution his lectures on heroes and hero worship and by his radical account of contemporary industrial Britain in Past and Present 1843 Both husband and wife were great letter writers Carlyle commenting on the matters of the day dashing off pen portraits of those he met and Jane with her brilliant stories and her sharp dry humour Yet despite her brilliance Jane suffered especially from Carlyle's infatuation with the lion hunting Lady Ashburton and the tensions in their marriage grew The letters they wrote both to each other and to others make theirs the most well documented marriage of the nineteenth century and give us an unequalled portrait of a famously unhappy marriage This moving and vivid biography describes their relationship with each other from their first meeting in 1821 to Jane's death in 1866 and also their relationship with the world outside Rosemary Ashton's inimitable blend of rigorous scholarship warm sensitivity and lively wit makes this not only a portrait of a marriage but a picture of a whole age elegant erudite and entertaining *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson, 1940 **Men of Letters, Writing Lives** Trev Lynn Broughton, 2004-01-14 Trev Lynn Broughton takes an in depth look at the developments within Victorian auto biography and asks what we can learn about the conditions and limits of male literary authority Providing a feminist analysis of the effects of this literary production on culture Broughton looks at the increase in professions with a vested interest in the written Life the speeding up of the Life and Letters industry during this period the institutionalization of Life writing and the consequent spread of a network of mainly male practitioners and commentators This study focuses on two case studies from the period 1880 1903 the theories and achievements of Sir Leslie Stephen and the debate surrounding James Anthony Froude's account of the marriage of Thomas and Jane Welsh Carlyle *Creativity and Mental Illness* James C.
