

Mr. Kipling's Army

ALL THE QUEEN'S MEN

Byron Farwell

The outrageous, but often glorious, story
of Britain's pre-World War I Army

Mr Kiplings Army

Léo Pomar

Mr Kiplings Army:

Mr. Kipling's Army Byron Farwell,1981-01-01 This is an upstairs downstairs view of the Victorian Edwardian army one of the world s most peculiar fighting forces The battles it fought are household words but the idiosyncracies and eccentricities of its soldiers and the often appalling conditions under which they lived have gone largely unrecorded Byron Farwell explores here the lives of officers and men their foibles gallantry and diversions their discipline and their rewards Publisher

Mr. Kipling's Army Byron Farwell,1987 This is an upstairs downstairs view of the Victorian Edwardian army one of the world s most peculiar fighting forces The battles it fought are household words but the idiosyncracies and eccentricities of its soldiers and the often appalling conditions under which they lived have gone largely unrecorded Byron Farwell explores here the lives of officers and men their foibles gallantry and diversions their discipline and their rewards

'The Army Isn't All Work' James D. Campbell,2016-03-16 Between the Crimean War and the end of the First World War the British Army underwent a dramatic change from being an anachronistic and frequently ineffective organization to being perhaps the most professional and highly trained army in the world Historians have tended to view that transformation through the successive political reform efforts of those years but have largely overlooked the ways in which the Army transformed itself from within This change was effected through the modernization of training operational and leadership doctrines The adoption of formal physical training and organized games played a central part in this process With its origins in elite public schools and upper class country homes the Army s philosophy of Athleticism was a part of the ethos of muscular Christianity widely held in contemporary British institutions Under the potent influence of this philosophy military sport went from a means of keeping soldiers from drink and the officers from duty to an institutionalized form of combat training This book documents the origins and development of formal physical training in the late Victorian Army and the ways in which the Army s gymnastic training evolved into a vital building block of the process of turning a civilian into a fighting man It also assesses the nature and extent of British military sport particularly regimental sports during this period of evolution for the Army Through an investigation of the Army s physical culture during this dynamic period one can gain an understanding of not only how the Army s change from within occurred but also of some of the important links between the Army and its parent society

Army, 1977 *Rudyard Kipling* Robert Thurston Hopkins, 1914 *A Soldier's Kipling* Edward J. Erickson, 2018-06-30 Rudyard Kipling was one of the most versatile writers of the Victorian age a journalist storyteller historian and poet One of the major subjects of his poetry was the British army and the way it waged its campaigns during Queen Victorias little wars and it is this aspect of his writing that Edward Erickson explores in this absorbing and perceptive study Kiplings military poems offer insights into the profession of arms and how soldiers were trained and fought in distant expeditionary campaigns they bring to life the world of the Victorian soldier in the most evocative way Although not a soldier himself Kipling wrote about timeless themes of military and wartime service the experience of combat unit cohesion and individual courage A Soldiers Kipling is an original contribution to the understanding of Kiplings work and his times and it

should lead to a fresh appreciation of a facet of his writing that has not been focused on so closely before **Rudyard Kipling** Roger Lancelyn Green,2013-07-04 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 Navy and Army Illustrated , **The British Army Regular Mounted Infantry 1880-1913** Andrew Winrow,2016-11-03 The regular Mounted Infantry was one of the most important innovations of the late Victorian and Edwardian British Army Rather than fight on horseback in the traditional manner of cavalry they used horses primarily to move swiftly about the battlefield where they would then dismount and fight on foot thus anticipating the development of mechanised infantry tactics during the twentieth century Yet despite this apparent foresight the mounted infantry concept was abandoned by the British Army in 1913 just at the point when it may have made the transition from a colonial to a continental force as part of the British Expeditionary Force Exploring the historical background to the Mounted Infantry this book untangles the debates that raged in the army Parliament and the press between its advocates and the supporters of the established cavalry With its origins in the extemporised mounted detachments raised during times of crisis from infantry battalions on overseas imperial garrison duties Dr Winrow reveals how the Mounted Infantry model unique among European armies evolved into a formalised and apparently highly successful organisation of non cavalry mounted troops He then analyses why the Mounted Infantry concept fell out of favour just eleven years after its apogee during the South African Anglo Boer War of 1899 1902 As such the book will be of interest not only to historians of the nineteenth century British army but also those tracing the development of modern military doctrine and tactics to which the Mounted Infantry provided successful if short lived inspiration *Delphi Collected Works of G. K. Chesterton (Illustrated)* G. K. Chesterton,2013-11-17 One of the greatest writers of his time G K Chesterton s short stories novels poetry and essays demonstrate his unparalleled versatility in literature This comprehensive eBook offers readers the collected works of G K Chesterton with numerous illustrations rare texts informative introductions and the usual Delphi bonus material Version 3 Father Brown Stories The Innocence of Father Brown 1911 The Wisdom of Father Brown 1914 Uncollected Father Brown Stories The Novels The Napoleon of Notting Hill 1904 The Man Who Was Thursday 1908 The Ball and the Cross 1909 Manalive 1912 The Flying Inn 1914 Short Story Collections The Club of Queer Trades 1905 The Man Who Knew Too Much and Other Stories 1922 Tales of the Long Bow 1925 Uncollected Short Stories The Short Stories List of Short Stories in Chronological Order List of Short Stories in Alphabetical Order The Play Magic 1913 The Poetry Collections Greybeards at Play 1900 The Wild Knight and Other Poems 1900 The Ballad of the White Horse 1911 Poems 1915 Wine Water and Song 1915 The Ballad of St Barbara and Other Poems 1922 The Poems List of Poems in Chronological Order List of Poems in Alphabetical Order The Non Fiction The Defendant 1901 Twelve Types 1902 Varied Types 1903 Robert Browning 1903 Dickens 1903 Thackeray 1903 Tolstoy 1903 Tennyson 1903 G F Watts 1904 Biography for

Religious Works of G. K. Chesterton G. K. Chesterton, 2022-11-13 The Collected Religious Works of G K Chesterton
 showcases the prolific author's profound insights and unique perspectives on various religious themes Chesterton's literary
 style is marked by his witty humor keen intellect and deep philosophical reflections making this collection a captivating read
 for anyone interested in theology and spirituality From his acclaimed work Orthodoxy to lesser known essays and poems this
 compilation offers a comprehensive view of Chesterton's views on faith reason and the human experience G K Chesterton a
 renowned English writer and philosopher was a devout Catholic whose faith deeply influenced his literary work His
 exploration of religious themes in his writings reflects his unwavering commitment to addressing profound questions about
 life morality and the divine The Collected Religious Works serves as a testament to Chesterton's enduring legacy as a
 prominent voice in Christian apologetics and religious thought I highly recommend The Collected Religious Works of G K
 Chesterton to readers seeking thought provoking insights on faith and spirituality Chesterton's eloquent prose and insightful
 reflections are sure to inspire and challenge readers to contemplate the deeper dimensions of religious belief and
 philosophical inquiry Professional Journal of the United States Army ,1981 **Delphi Complete Works of G. K.**

K. Chesterton,2007-12 The Spectator ,1899 **Lord Methuen and the British Army** Stephen M. Miller,2012-11-12 This

study analyzes the readiness of the British military establishment for war in 1899 and its performance in the South African War 1899-1902. It focuses on the career of Field Marshal Paul Sanford 3rd Baron Methuen whose traditional military training used so effectively in Queen Victoria's small wars was put to the test by the modern challenges of the South African War. A subsidiary aim of this work is to correct and refine the historical consensus that Methuen's campaigning in the South African War was plagued by practical errors and poor judgement. The South African War was a crucial transitional episode in the history of the British army. Unlike Great Britain's other expeditions it required the concentrated resources of the entire empire. It was a modern war in the sense that it employed the technology, the weaponry, the communications and the transportation of the second industrial revolution.

Father Brown: The Works G. K. Chesterton Gilbert Keith Chesterton, 2016-05-10. [The British Army 1815-1914](#) Harold E. Raugh, 2020-03-24. This collection of essays examines the evolution of the British Army during the century-long Pax Britannica from the time Wellington considered its soldiers the scum of the earth to the height of the imperial epoch when they were highly respected soldiers of the Queen. The British Army during this period was a microcosm and reflection of the larger British society. As a result, this study of the British Army focuses on its character and composition, its officers and men, efforts to improve its efficiency and effectiveness and its role and performance on active service while an instrument of British Government policy.
