Mr W And I American Autobiography:

Classic American Autobiographies William L. Andrews, 2014-12-02 The true diversity of the American experience comes to life in this superlative collection of autobiographies including those of Benjamin Franklin Frederick Douglass Mark Twain and more A True History of the Captivity and Restoration of Mrs Mary Rowlandson 1682 perhaps the first American bestseller recounts this thirty nine year old woman s harrowing months as the captive of Narragansett Indians The Autobiography of Benjamin Franklin 1771 1789 the most famous of all American autobiographies gives a lively portrait of a Chandler s son who became a scientist inventor educator diplomat humorist and a Founding Father of this land Narrative of the Life of Frederick Douglass 1845 the gripping slave narrative that helped change the course of American history reveals the true nature of the black experience in slavery Old Times on the Mississippi 1875 Mark Twain s unforgettable account of a riverboat pilot s life established his signature style and shows us the metamorphosis of a man into a writer Four Autobiographical Narratives 1900 1902 published in the Atlantic Monthly by Zitkala Sa Red Bird also known as Gertrude Bonnin provide us with a voice too seldom heard a Native American woman fighting for her culture in the white man s world Edited and with an Introduction by William L Andrews and an Afterword by Paul John Eakin **Dictionary of American Biography, Including Men of the Time** Francis Samuel Drake, 1872 **American Biography ... forming part VI. of the Treasury of Knowledge and Library of Reference** Samuel Lorenzo Knapp, 1833 **The National Cyclopaedia of American Biography**, 1906 Includes cumulative subject index of the entire set 1 v American Biography Carl Rollyson, 2006-02-22 This collection of reviews selected from Rollyson s New York Sun column is as much about the romance of biography as it is about the American lives Certain concerns resonate throughout the book the American left s failure to reckon with Communist subversion McCarthyism and Stalinism the problematic nature of authorized biography the history of American biography definitive biographies literary biography the differences between autobiography and biography the importance of interviews in biographies of contemporary figures the differences between history and biography comparative biographies the virtues of short biographies and of biographies for children the tendency of biographers to fictionalize and of novelists to biographize psychology and biography Rollyson s own experience as a biographer and the way biographers treat one another s work Too many biographers he believes evince no interest in the biographical tradition Concerned only with possession of their subjects their proprietorial attitude deforms not only their biographies but also the genre itself If biography is reviewed badly receiving hardly more than a summary of the subject s life with a perfunctory nod to the biographer it is because the biographical tradition has been disregarded or discounted This book in other words has been written on the behalf of biography a genre that still awaits a full vindication **The Centennial Book of American Biography, Embracing the Lives of the Great Men Whose Deeds Illustrate the First 100 Years of American Independence** James Dabney McCabe, 2024-06-23 Reprint of the original first published in 1876 **Memoirs of**
